Four dead, several missing after boat capsizes at Bargi Dam in Jabalpur

Anand Mohan J
Bhopal, April 30

AT LEAST four people were killed and several others remain missing after a cruise boat carrying 35 to 40 passengers capsized in the Bargi Dam area of Jabalpur on Thursday evening, following a sudden storm that triggered strong winds and high waves on the Narmada river.

The incident occurred near Khamaria Tapu (island) in the Bargi Dam area. Sudden adverse weather conditions triggered strong winds and high waves, causing the cruise boat to lose balance, overturn, and gradually sink.

At least 18 have been rescued so far, many of them pulled out of the water by local fishermen and first responders. Meanwhile 15- 18 people are still unaccounted for, the police sad,

"Some 35–40 people were on the river cruise boat when it overturned because of a sudden storm. Four bodies were recovered from the river, while an operation is in full swing to trace and rescue the missing passengers," City Superintendent of Police (Bargi town) Anjul Mishra said,

The cruise boat is said to have lost balance due to strong winds and high waves triggered by a sudden change in weather. EXPRESS

Madhya Pradesh Chief Minister Mohan Yadav took cognisance of the incident and directed Public Works Minister Rakesh Singh to reach the site immediately. "The operation by the local administration and rescue forces continues unabated in Jabalpur regarding the tragic cruise accident at the Bargi Dam caused by a severe storm... Efforts are underway to locate those who are missing as quickly as possible. In this hour of crisis, the state government stands in full solidarity with the affected families with complete sensitivity, and every possible assistance is being ensured," Yadav said in a post on X.

PWD minister Rakesh Singh, who reached the site soon after the incident, said an investigation would follow and declined to comment on allegations about whether a weather department warning of a storm was disregarded by the crew.

"This is an unfortunate incident. I was present at the spot. We have rescued at least 15 persons and 4 are reported dead. I have spoken to the Chief Minister and he has announced Rs 4 lakh compensation to the family of the deceased. We are focussing on rescue operations right now and after that we will investigate the case and fix responsibility," the minister said.

On the ground, rescue operations continued late into the night under difficult conditions. Police personnel and State Disaster Emergency Response Force (SDERF) teams were seen moving through the dark waters in motorboats, sweeping the area with torches as they searched for survivors. In some instances, rescuers formed human chains near the banks, while others scanned the surface for any signs of movement or floating debris.

Bodies recovered from the water were brought ashore in inflatable boats, with teams working methodically despite low visibility and choppy currents. Survivors, many in shock, were wrapped in blankets and shifted to safer areas as officials coordinated efforts along the shoreline.

Senior district officials, including the collector and police officers, remained at the site overseeing the operation, which authorities said was being conducted on a war footing. Preliminary inputs point to the sudden storm as the immediate trigger, though officials indicated that a detailed inquiry would examine whether safety protocols, including passenger limits and life-saving equipment, were followed.

PPCB raids MP Gupta's factory, triggers a row

Raakhi Jagga
Ludhiana, April 30

THE PUNJAB Pollution Control Board (PPCB) on Thursday conducted searches at the Trident Group's Dhaula unit in Barnala, sparking a sharp reaction from the BJP, which termed it an act of "political vendetta by misusing government agencies".

The factory is owned by Rajya Sabha MP Rajinder Gupta who is also its managing director. Gupta along with six other Upper House members of the Aam Aadmi Party, crossed over to the BJP on April 24.

A team comprising at least 10 PPCB officials arrived at the Dhaula factory in the evening to carry out the searches.

While there was no official word on the raid by the PPCB, the Triden Group's Dhaula unit had come under scrutiny in the past as well. In July 2022, farmers affiliated with BKU (Ugrahan) had staged protests alleging water pollution and foul smell emanating from the factory.

The Trident had denied the allegations, and no action was taken by the state government then. The Dhaula unit of the factory produces chemicals and has a 310 metric tonne per day capacity sulphuric acid plant.

CHESTER HILLS PROJECT

Himachal DGP orders action against Solan SDM

Saurabh Parashar
Shimla, April 30

IN A dramatic turn of events surrounding the controversial housing project Chester Hills in Solan, Himachal DGP Ashok Tewari instructed DC Solan to initiate disciplinary and vigilance action against Solan SDM Poonam Bansal, following allegations of misconduct, conflict of interest, and suspected benami transactions Thursday.

SDM Bansal is the same officer who, in her earlier capacity, had established violations of Section 118 of the Himachal Pradesh Tenancy and Land Reforms Act, 1972, along with suspected benami transactions by the promoters of the Chester Hills project. When asked, SDM Bansal said, "Let them carry out the investigation."

According to information, the development comes following a complaint against SDM Bansal and her husband Sunil Kumar Bansal, who is a BSNL employee, moved by a Chandigarh-based Advocate Sanjeev Kumar Birla. In his complaint, Birla alleged that the couple were indirectly involved in the purchase of two properties in Solan registered on the names of Aarti Nirmohi and Raksha Manta. Birla alleged that Sunil transferred around Rs 40 lakh in Nirmohi account when the land deals were being executed.
