Mamata, Abhishek meet TMC counting agents

Ahead Of Bengal Poll Results

CM, who asserted "TMC will at least win 200-plus seats if not more", also asked counting agents not to give importance to the "propaganda and campaign by BJP and allies" about number of seats they would secure

Kolkata: West Bengal Chief Minister Mamata Banerjee and Trinamool Congress national general secretary Abhishek Banerjee on Saturday told counting agents of the party during a meeting that it will secure over 200 of the 294 assembly seats two days ahead of the counting of votes polled.

The two leaders, who held a virtual meeting with counting agents of 294 assembly seats, also told them that they should regularly update the leadership about the prevailing situation at counting centres and must remain there till the end of the exercise.

The Amit Shah-led Bharatiya Janata Party and Gorkha Prajatantrik Morcha (BGPM) contested the remaining three seats in the Darjeeling hills.

The two-phase assembly polls were held on Apr 23 and Apr 29, with counting of votes scheduled for May 4.

The CM, who asserted that the "TMC will at least win 200-plus seats if not more", also asked counting agents not to give importance to the "propaganda and campaign by the BJP and its allies" about the number of seats they would secure.

She said that the TMC will stand beside counting agents who had allegedly assaulted by central forces during voting on campaign.

"Do not give importance to the numerous exit polls released on TV channels and the social media," she told the agents, according to a senior TMC leader.

Such exit polls have no value. The 2021 and 2026 exit polls were way off the mark. I think most such polls are meant to influence the share market," the TMC supremo said.

She also said that in case of any TMC candidate losing a seat by "a margin of 200-300 votes", the counting agents must insist on recounting.

"No one should leave the counting centres till the process is over," the chief minister said.

Abhishek Banerjee, who also interacted with the counting agents virtually, asked them to insist on recounting, particularly for postal ballots, in case of defeat of TMC nominees by a narrow margin.

"All unusual activities inside counting centres, like the sudden power outage at the Nandigram counting centre in 2021 must be immediately reported to the party stalwarts," he said.

The virtual meeting, which began at 4 pm, lasted for nearly two hours.

Virtual interactions had been a regular feature during the revision of electoral rolls with Abhishek Banerjee holding multiple meetings with booth level agents between Nov and Feb.

However, such meetings were not held by either Abhishek Banerjee or Mamata Banerjee after the announcement of the assembly polls in Mar, but by leaders like Mahua Moitra.

The Saturday briefing also covered key aspects of the counting process, including the number of rounds and protocols to be followed once the short-term voting machines (EVMs) are brought out of strong rooms and unsealed.

Despite expressing her confidence of a "landslide victory", Mamata Banerjee has repeatedly alleged harassment and possible malpractice at the strong rooms housing sealed EVMs of the assembly polls, which concluded on Apr 29.

Objectionable WA status, cop suspended

Kolkata: Kalighat police station officer in charge Gautam Das has been suspended over a controversial WhatsApp status, a senior Kolkata Police officer said on Saturday.

Das has been replaced by Chandi Mukhopadhyay, he said. The development comes two days ahead of the counting of votes in the West Bengal Assembly elections.

The action followed a complaint lodged with the Election Commission by the TMC alleging that Das had posted an objectionable image on social media in violation of service rules.

The ruling party had sought the EC's intervention after its state vice-president, Joyprakash Majumdar, shared on X a photograph of the officer holding a firearm while being in uniform.

The image reportedly carried the caption, "ready for new responsibility."

Calling the post inappropriate, Majumdar said, "This image is not only uncomfortable but also objectionable in the eyes of the law. It clearly shows him posing inside a market firearm at someone. Majumdar further alleged that the post violated Kolkata Police's social media guidelines as well as central government directives on

Additional counting observers

New Delhi: Ahead of the counting of votes in West Bengal scheduled for May 4, the Election Commission on Saturday deployed an additional 166 counting observers and 17 police observers in the state.

While the additional counting observers will assist the 294 such observers already deployed per constituency, the additional police observers will strengthen security and oversee law and order arrangements outside the counting centres the poll body said.

Officials said that while police observers are generally not deployed during vote counting, in this case, they will not be allowed to enter the counting centres, and will manage law and order outside only.

The additional counting observers and police observers have been deployed to ensure that the counting process is conducted in a secure, peaceful, intimidation free and transparent environment," the Election Commission (EC) said.

The EC asserted that it appointed the additional observers in exercise of its constitutional powers under Article 324 of the Constitution and provisions of the Representation of the People Act.

The observers will function under the poll body's supervision and control, the EC noted.

The additional counting observers will assist the existing counting observers for 166 Assembly constituencies having more than one counting hall.

The police observers will oversee the security and law and order arrangements around the counting centres as assigned to them and ensure that the arrangements follow the EC's instructions.

No person, except the counting observer and the returning officer, is permitted to carry a mobile phone inside the counting hall, the EC said.

The additional deployment followed after the Supreme Court on

'Bihar govt working under Nitish guidance'

Bihar chief minister Samrat Chaudhary meets former Chief Minister Nitish Kumar at his residence in Patna on Saturday. Bihar Deputy Chief Minister Vijay Kumar Chaudhary also seen

Patna: Bihar deputy chief minister Vijay Kumar Chaudhary on Saturday said Samrat Chaudhary and he are working under the guidance of Nitish Kumar.

Addressing a press conference at the JDU headquarters in Patna, he said the opposition was trying to create a false alarm that committee was a rift under BJP-led NDA govt in the state.

"Chief Minister Chaudhary has time and again clarified that the present govt is being run under the guidance of Nitish Kumar and that there will be zero tolerance towards communalism," he said. "A fabricated problem has been created by opposition parties that the BJP ignites communalism. On the contrary, during their own rule in the state they propagated premeditated attacks on minorities while doing nothing for their uplift. for talmed."

Chaudhary, a JDU leader said over the past two decades the Nitish Kumar led govt worked for the education and financial uplifment of minorities.

"If all sections of society are educated, live peacefully and financially financial participating why would anyone attack others and where is the need for asserting notions for a particular community?" Nitish Kumar's work led to communal harmony in Bihar and Samrat Chaudhary is committed to maintain it in the future," he said. Chaudhary changed the opposition's position with patronizing the interests of minorities.

People belonging to minority communities have under-stood who their well-wisher is and who exploits them in an emotional basis. The opposition's strategies (and) will no longer work in the state," he said.

RS booked in Punjab, BJP accuses Kejriwal of vendetta

Chandigarh/New Delhi: Punjab Police has booked Rajya Sabha MP Sandeep Pathak, who recently switched from AAP to the BJP, with six others, sources said on Saturday. Two FIRs have been lodged against Pathak under non-bailable sections, they said.

Notably, details about the FIRs have been disclosed yet. Pathak was among the seven Rajya Sabha MPs who had quit the Aam Aadmi Party (AAP) and joined the BJP.

On April 24, the AAP suffered a jolt when seven of its Rajya Sabha MPs quit alleging that Arvind Kejriwal's party has strayed from its principles, values and core morals.

Of the seven MPs, who were Pathak, Raghav Chadha, Ashok Mittal, Harbhajan Singh, Rajendra Gupta, Vikramjit Sahney and Swati Maliwal, six were from Punjab.

Rajya Sabha Chairman C P Radhakrishnan later officially accepted their member with the BJP reducing AAP's strength in the Upper House to three.

Meanwhile, the BJP on Saturday has reacted to the FIRs on Pathak accusing AAP convenor Arvind Kejriwal of indulging in vendetta politics and misusing the Punjab Police. It also alleged that law and order in the state has deteriorated. BJP national spokesperson Sudhanshu Trivedi claimed that recent Supreme Court remarks on the police attitude reflects increased pressure on Punjab Police to act against the opposition and attempted to carry out a social media witch hunt. The law and order situation in the state is so poor that the police are unable to act against fake news, but are being used in this manner," he added.

Targeting Kejriwal and Punjab's Chief Minister Bhagwant Mann, Trivedi said, "Those who claim to represent a new kind of politics should explain how in their state, law and order has completely collapsed."

In retaliation to the opposition's allegation that Mann was under the influence of alcohol in the Punjab assembly on Friday, Trivedi said the AAP government has failed to maintain governance. "I want to clearly say to the AAP the Punjab government, and especially Kejriwal, that this is a Pagalte Lectate," he said.

BJP national spokesperson Shehzad Poonawalla claimed that Kejriwal is misusing the Punjab Police to settle political scores and Mann has become a puppet in

Bail to HP BJP MLA kin in illegal mining case

Hamirpur: The sessions court in Hamirpur, Himachal Pradesh, granted interim bail to the uncle and brother-in-law of BJP MLA Ashish Kumar Sharma in an illegal mining case, officials said on Saturday.

According to the MLA's brother Tarun Sharma and uncle Praveen Sharma, who had sought bail, they are spending 15 days in police custody.

The court granted bail to Praveen on April 15, after which the local court had remanded both to judicial custody.

The case dates back to May 18, 2025, when police raided the Mahadev Stone Crusher in Punjab Khad, under the Sharifpur Police station limits, in which they seized two vehicles, partly used illegally, and arrested three accused, machinery and other items, and registered a case of illegal mining.

Didi hails Ray on 105th anniv

Kolkata: West Bengal Chief Minister Mamata Banerjee on Saturday said the Bengalee people have a lot to learn from Satyajit Ray, who made Bengal's name known to the world through his cinema.

Hailing the people from across the state and beyond, she thanked the legendary filmmaker at Bishop Lefroy Road residence, now as his birth centenary, saying "Satyajit Ray and his family are a treasure to Bengal."

"The immortal works of Ray will reliably serve as a link with the treasure in myriad ways," she said in a post on X, now celebrating exactly his 105th birthday, "Satyajit Ray and his family are a treasure to Bengal."

"A question has been raised on Sandeshkhali, saying the media has to preserve the treasures and creative legacy through restoration and digitalisation of the large volume of works to already commissioned by the Society for the Preservation of Satyajit Ray's Films.

"The work is happening, everyone is at it, but I have felt it is extremely necessary to release phase wise, which is important," he said. He added that efforts are being made to bring together large collections of documents related to the legendary filmmaker's work. We are already working on plans to digitise the papers. There is a vast fault of materials. Some such have been with us. We are very busy handling all of it," he added.
