After K'taka flags issue, Keralam govt orders ethanol checks in fuel

Will collect samples from various locations in T'Puram, Ernakulam, Kozhikode and Kannur

EXPRESS NEWS SERVICE @T'Puram

WITH Congress-ruled Karnataka accusing oil marketing companies (OMCs) of excessive ethanol blending in petrol, the party-led UDF government in Keralam has ordered inspections to examine whether petrol sold in the state contains ethanol beyond the prescribed 20% limit.

The civil supplies and consumer affairs department will collect samples from various locations in Thiruvananthapuram, Ernakulam, Kozhikode and Kannur districts for testing. "Minister Anoop Jacob directed the commissioner of civil supplies and consumer affairs to conduct the inspections after holding discussions with Chief Minister V D Satheesan," a release from the minister's office said.

It added that no instance of excessive ethanol blending in petrol had so far come to the government's notice.

Minister Anoop Jacob directed the commissioner of civil supplies and consumer affairs to conduct the inspections after holding discussions with Chief Minister V D Satheesan — A release from minister Anoop Jacob's office

THE E20 DEBATE

- E20 rollout began in April 2023 in a phased manner
- E20 petrol is a fuel blend containing 20% ethanol and 80% conventional petrol
- The programme aims to cut oil imports and emissions
- Critics cite compatibility concerns in older vehicles
- Critics have questioned consumer impact and fuel quality

Per regulations, officials ranging from the department commissioner to taluk supply officers are authorised to conduct inspections and initiate legal action. Stringent action would be taken if adulteration was detected, the note added.

The move comes amid a controversy in Karnataka, where the government has alleged that petrol sold by major OMCs contained ethanol well above the prescribed 20% limit. State Food, Civil Supplies and Consumer Affairs Minister Rizwan Arshad said laboratory tests were conducted on 14 selected samples, drawn from 63 samples collected from across seven districts, of which ethanol content was found to exceed the prescribed limit in 11, with the highest reading at 31.2%.

The findings have been disputed by state-owned oil firms, which questioned the sampling and testing procedures. The companies said their tests on 56 samples from Karnataka found ethanol content between 19% and 20%. The Union petroleum ministry has also disputed the state's findings, citing test results showing compliance with prescribed standards.

The controversy has also played out nationally, with the Leader of Opposition in the Lok Sabha, Rahul Gandhi, repeatedly questioning the Centre's E20 policy and its implications for vehicle owners. He demanded transparency on the actual ethanol content in petrol supplied across the country and accountability from OMCs.

Referring to Karnataka's findings, Rahul questioned the Centre over the alleged discrepancy between the prescribed blending limit and the test results.

K'taka family murder: 2 more bodies recovered

EXPRESS NEWS SERVICE @Bengaluru

THE North division police with the help of neighbouring Tamil Nadu police recovered two more bodies from a dense forest in the Salem ghat section of Tamil Nadu, in the murder of seven members of a family.

With the latest recovery, the bodies of three of the seven victims have been recovered. They have been identified as Sunitha, 40, wife of prime accused Indushekhar, 52, and his mother-in-law Rupavathi, 65. Both bodies were found in a decomposed state. Meanwhile, the last rites of seven-year-old Puneeth, the youngest of all the victims, were performed by his family members at Harishchandra Ghat in Rajajinagar on Friday night. His body had been recovered from Nandi foothills.

The police officers learnt that the accused picked blood-stained jewellery from the bodies of his victims after bludgeoning them to death using a grindstone. He then washed the jewellery before selling some and pledging others. He reportedly used the money to purchase diesel for his car to transport and dispose of the bodies at different locations. He allegedly kept the remaining jewellery in his pocket and also gave some to his minor daughter, who is suspected to have helped him in disposing of the bodies.

The family members of the victims have been taken to Salem to identify the bodies and other legal procedures. The bodies will be handed over to the relatives after the postmortem. As the mortal remains are completely decomposed, the family is considering whether to perform the last rites in Salem or to bring them to Bengaluru. The accused too has been taken to Salem for the spot mazhar.

"A final decision will be taken after reaching Salem. The police informed us that the highly decomposed bodies of Sunitha and Rupavathi were found," Manjula, Rupavathi's sister, told the media.

CM challenges Pinarayi to produce proof of power offer

EXPRESS NEWS SERVICE @T'Puram

CHIEF Minister V D Satheesan on Saturday challenged Leader of the Opposition Pinarayi Vijayan to produce documents to substantiate his claim that Himachal Pradesh had offered to supply electricity to Keralam at ₹12.50 per unit, reiterating that no such offer had been made.

In a statement issued by his office, Satheesan said Pinarayi was repeating the same allegations despite the clarification given by the government on Friday. He added Pinarayi had not responded to his question about the documents supporting the alleged offer. Satheesan said Rajasthan had decided on October 18 to purchase power from Himachal Pradesh, with the proposed agreement placed before the Rajasthan Regulatory Commission on October 28. The file containing the KSEB recommendation for a final decision reached him only on October 30, he said.

MESSI VISIT FIASCO: ANTO MOVES KERALA HC SEEKING TO QUASH FIR

EXPRESS NEWS SERVICE
@ Kochi

REPORTER TV managing director Anto Augustine has approached the Kerala High Court, seeking to quash an FIR registered against him in connection with the probe into the failed visit of Lionel Messi-led Argentina team to Kochi.

The FIR alleged that Anto made false representations in agreements with the Argentina and Australian Football Associations, claiming that the Keralam government would organise friendly matches and bear the hospitality expenses. It is further alleged that these representations enabled the company to gain possession of the GCDA Stadium and secure a waiver of the ₹5 crore security deposit.

The petitioner contended that the FIR amounts to an abuse of the process of law, as it fails to disclose the essential ingredients of the offences of cheating and criminal conspiracy. He argues that the alleged false representations were made to foreign football associations and not to the government. Further, the government was aware of the actual position and had issued an order clarifying that it would not bear the expenses. Therefore, the government could not have been deceived. The petitioner also argued that the benefits allegedly obtained, including possession of the stadium and the waiver of the security deposit, were not the result of any alleged deception.

The charge of criminal conspiracy is also legally unsustainable, the petition states.

LIQUOR POLICY

Sudheeran, Mons turn up heat on UDF govt

EXPRESS NEWS SERVICE
@Kochi

THE UDF government is facing pressure from within over its liquor policy, with senior Congress leader V M Sudheeran and Irrigation Minister Mons Joseph demanding immediate steps to honour the promises made in the front's election manifesto.

The two leaders, speaking at the two-day state study camp organised by the KCBC Temperance Commission at the Pastoral Orientation Centre (POC), Palarivattom, called for urgent consultations within the UDF and warned against continuing the liquor policy pursued by the previous LDF government.

Kerala Congress leader Mons Joseph, who inaugurated the valedictory session on Saturday, said the UDF had so far held only preliminary discussions on the liquor policy and that serious deliberations were overdue.

Sudheeran, who inaugurated the camp on Friday, went a step further, reminding the government of its commitment to a liquor-free Keralam.
