had directed the state pollution control board to ensure that all targeted units registered on the CPCB web portal submitted purchase orders for retrofitting or upgrading of the air pollution control devices.

The CPCB on October 30 issued a direction to the HSPCB to initiate immediate action against non-compliant units. On November 13, the CPCB reviewed the status of the APCD portal and found that a total of 191 industries, including 131 from Haryana, had failed to comply with the directions.

'Appropriate time given'

The CPCB directed the state pollution control board to immediately close and seal industries for non-compliance with the directions.

Ajay Singh, Regional Officer, said appropriate time had been given to the industrial units to upload the orders.

"Now, following the directions of the CPCB, action for closure and revocation of the consent to operate (CTO) has been initiated against 22 industrial units in the district," he said.

"Of the 22 industrial units, seven have been sealed so far," he added.
