CITES ONGOING PROCEEDINGS IN OTHER CRIMINAL CASES

HC junks Abhishek plea to travel abroad for treatment

HC dismisses plea after Banerjee refuses to seek opinion from a medical board at SSKM hospital over his eye treatment

Atri Mitra
Kolkata, August 5

THE CALCUTTA High Court on Wednesday dismissed TMC leader Abhishek Banerjee's plea to travel abroad for eye treatment, citing the ongoing proceedings in the criminal cases against him.

The observation comes a week after the single-judge bench of Justice Saugata Bhattacharya had asked Banerjee to seek opinion from the medical board at SSKM Hospital on whether the overseas travel was unavoidable. However, as the TMC leader submitted that he was not ready to do so, the court dismissed his plea to go abroad.

The matter was taken up after the Supreme Court directed the High Court to dispose of Banerjee's application within a week.

Appearing for Banerjee, Senior Advocate Rebecca John argued that the criminal cases against him carried a maximum punishment of three years, with most being bailable offences. She also cited previous instances where Banerjee was allowed to travel abroad for treatment in cases initiated by the Enforcement Directorate (ED).

"He went as many as 12 times between 2023 and 2025... Every time he has gone abroad, he has returned to the country on schedule. There is no fear that he will abscond. His wife and two children are in Kolkata. They will remain here. Abhishek is a Member of Parliament and holds a diplomatic passport. As a result, the government can easily keep track of every detail of his travels abroad. Therefore, allowing him to go abroad will not cause any harm or inconvenience to the investigation or to the other party in the case. He has always cooperated with the investigation and has participated in the investigative process," his counsel submitted.

The HC bench, in response, said that there are other cases pending against the TMC national general secretary and his travel would affect the proceedings.

"Several other cases against you are also pending, and hearings in those cases are ongoing. If you go abroad, what will happen to the hearings in those cases? This is not the only criminal case. There are several other cases against you," Justice Bhattacharya said.

"It is certainly necessary for Abhishek Banerjee to receive medical treatment. But if that treatment is possible in Kolkata or anywhere else in India, then there is no need to go abroad. Appropriate treatment should be provided within the country. Whether the treatment will be abroad is not the main issue. The real issue is ensuring that he receives proper treatment," the court said.

Abhishek Banerjee

The court opined that appearing before doctors at SSKM was necessary to assess Banerjee's medical condition and furnish an opinion before the bench whether it was necessary for him to go abroad or if the treatment can be administered in India.

Justice Bhattacharya also said that he was not satisfied with the credibility of the medical documents related to Abhishek's treatment.

When the court repeatedly sought clarification on whether Banerjee was willing to appear before the SSKM medical board, Advocate John stated that he wished to travel abroad and would not submit to examination by the board. She also submitted that it was the right of the applicant to choose his doctor and medical institute for treatment, especially when it involves continuity of medical care.

"Where he chooses to receive treatment is a matter of his personal preference. He should not be restricted to the question of which country or which hospital he will go to. He has the right to receive treatment from a doctor or institution of his choice," she said.

Recording this position, the Court observed that there were around 15 criminal cases pending against Banerjee, with proceedings continuing in several of them, making it necessary for the Court to satisfy itself that overseas travel was medically unavoidable.

"In view of such submission, this Court finds the issue agitated in the application ought not to be kept pending further. Hence, the application is dismissed," the court held

"If this treatment can be administered in India, there is no need to go abroad. I will direct the Department of Ophthalmology in SSKM, a three-member medical board can check Banerjee and give a report. If treatment is very urgent, it can be administered in our country as well. India is not lagging in medical science; we are also making advancements. Even Supreme Court judges are getting treated in our country," Justice Bhattacharya added.

Heavy rain, thunderstorms to lash parts of state till Aug 8

Sweety Kumari
Kolkata, August 5

ENHANCED MONSOON activity is set to keep West Bengal under widespread rain till August 8, with the India Meteorological Department (IMD) forecasting very heavy rainfall in parts of north Bengal and thunderstorms accompanied by heavy rain across several south districts, including Kolkata.

IMD said the active spell has been triggered by strong moisture incursion from the Bay of Bengal, lower-level wind patterns and an upper-air cyclonic circulation over northeast Bihar and adjoining Sub-Himalayan West Bengal and Sikkim.

North Bengal is expected to bear the brunt of the current spell. Jalpaiguri, Alipurduar and Cooch Behar districts are under an orange alert on Wednesday for heavy to very heavy rainfall (7-20 cm). The hill districts of Darjeeling and Kalimpong are likely to receive heavy rain with thunderstorms. While rainfall intensity is expected to ease slightly from Thursday, heavy showers may continue till August 8.

Loudspeakers removed from mosques as cops urge compliance with noise rules

Ravik Bhattacharya
Kolkata, August 5

MOSQUES IN several parts of the state have begun removing high-decibel loudspeakers mounted atop their structures after police asked management committees to comply with existing noise pollution norms, officials and mosque representatives said on Wednesday.

The move follows a decision by the newly elected BJP government in its first cabinet meeting to enforce existing noise pollution rules in religious institutions. The police was asked to ensure compliance with the West Bengal Pollution Control Board's prescribed noise limits: 55 decibels during the day and 45 decibels during the night in residential areas. Police held meetings with mosque committees in several districts and committees were asked to replace loudspeakers with sound boxes.

Urban Development Minister Agnimitra Paul said,"It is not only for mosques. The cabinet decided to enforce noise restriction guidelines in religious places. Not only mosques, but temples and other religious places will also have to abide by the restrictions," he said. Industry Minister Tapas Roy appealed to all religious institutions to comply with the rules.

BJP Bengal president Samik Bhattacharya told the reporters, "There is something called noise pollution. It is better that one carries on his or her religion at home. Go to mosque and offer Namaz, go to temple and chant hymns. What is the need of putting up mikes?"

However, some Muslim organisations questioned the manner of implementation. Nijamuddin Biswas, general secretary of All Bengal Imam and Muezzin Association, said that mosque committees were complying with police requests but argued that enforcement should be based on measured noise levels. "The police approached mosques and asked them to remove the loudspeakers. But there should be a proper system to measure decibel levels at both mosques and temples. If the sound exceeds the limit, it should be reduced. The law prescribes noise limits; it does not say loudspeakers must be removed altogether," he said. Siddiqullah Chowdhury, president of the Bengal unit of Jamiat Ulema-e –Hind's opposed the move stating, "Courts have put sound limits, no where it is written that mosques will have to remove mikes. We will oppose this move."

Murshidabad MP Abu Taher Khan, who recently joined the NCPI, said any restrictions should be applied uniformly. "There will be no mikes in mosques but other communities can play loudspeakers... This is not acceptable. For years, mikes have played in mosques keeping in mind the noise pollution levels. I have said that any action against the Muslim, I will fight for it," he said.

ISF MLA Naushad Siddiqui said, "I got so many calls that the police are asking mosque committees to remove the loudspeakers. The police don't have any written order. I will shortly move Calcutta High Court over this," the Bhangar MLA said.
