

Anti-riot drill by Kaushambi cops ahead of fests

TIMES NEWS NETWORK

Prayagraj: The Kaushambi police on Friday conducted an anti-riot drill at the reserve police lines to strengthen preparedness and ensure law and order ahead of upcoming festivals.

During the exercise, policemen ranging from constables to deputy SPs practised the use of riot control equipment such as tear gas guns, anti-riot guns, chilli bombs, rubber bullets and stun hand grenades.

All officers and personnel practised a sequential legal process to disperse unruly

crowds and maintain peace. This included forming 10 teams and practising intelligence gathering by the LIU, attempts to pacify the crowd, warnings, use of water cannons by the fire brigade, use of tear gas, and use of minimal force by the lathi party to disperse the crowd.

Subsequently, if the rioters continued to use force and violence, the armed policemen may be required to open fire in self-defence. In view of this, the armed policemen also practised firing.

Actions to be taken by the first aid team/ambulance were also practised. The

reserve police team also practised ensuring security by setting up pickets.

At the end of the drill, the process of submitting a comprehensive report to the superintendent of police by the officer who gave the command to disperse the crowd was also practised.

Kaushambi superintendent of police, Rajesh Kumar, supervised the drill and pointed out errors, provided guidance for necessary corrections, and commended the police personnel for their efforts.

Monitoring was also done through a drone camera.
