

High Court lifts stay, clears release of 'The Kerala Story 2'

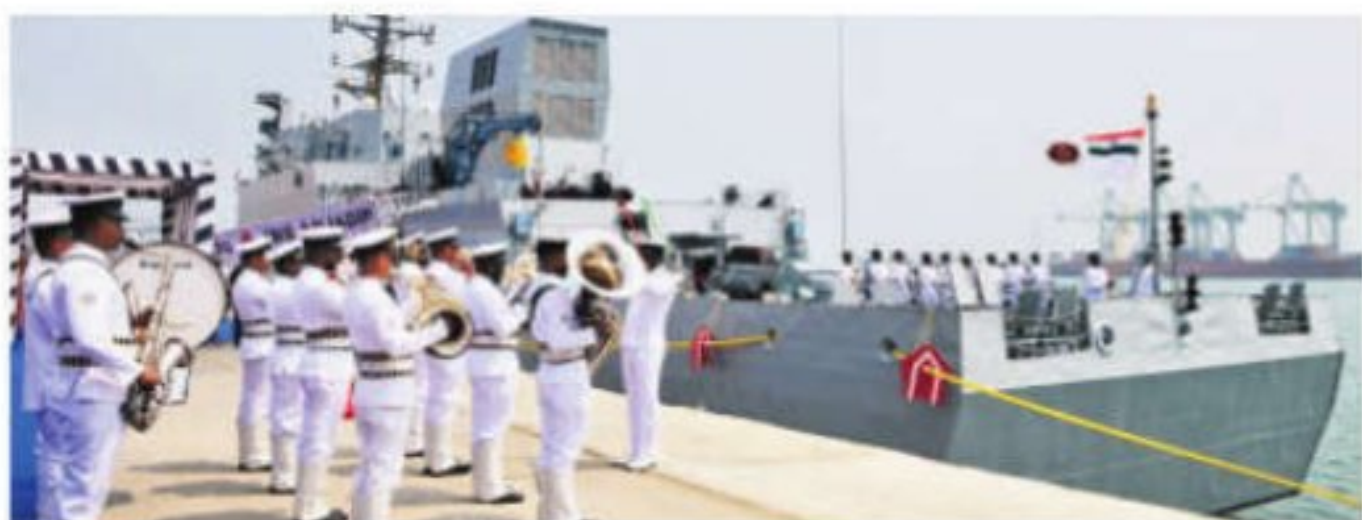

Film to be released in more than 1,800 theatres in India & 355 centres abroad

EXPRESS NEWS SERVICE @ Kochi

THE Kerala High Court on Friday granted permission for the release of 'The Kerala Story 2 Goes Beyond', staying a single judge's order halting the film's screening for 15 days. The order will pave the way for the release of the film in more than 1,800 theatres across the country and in 355 centres abroad. A division bench comprising Justice Sushrut Arvind Dharmadhikari and Justice PV Balakrishnan issued the order on an appeal filed by Vipul Amrutlal Shah, proprietor of Sunshine Pictures, Mumbai, seeking to quash the single judge's order. The division bench, which had reserved its order after an urgent hearing that lasted around two hours on

Thursday night, passed the interim order at 4pm on Friday. Earlier on Thursday, the single judge had stayed the release of the movie -- originally scheduled for Friday -- after verifying the contents of the teaser and finding that it had a "prima facie potential to disturb communal harmony". The judge had observed that there were prima facie materials indicating an absence of application of mind to the requirements of law by the censor board. The division bench, in its order, stated that once a certificate has been issued, there is, prima facie, a presumption that the authority con-

cerned has taken into account all the guidelines, including public order. "...if any issue of public order arises due to the release of the movie, it is the duty of the State to maintain it," the order said. "Merely on the basis of a few clippings and without viewing the movie, the finding of the single judge that the guidelines for certification had not been borne in mind by the Central Board of Film Certification (CBFC) while granting certification cannot be countenanced," it said. The court also noted that the insertions, excisions, and modifications carried out by the makers of the film as per the directions of the CBFC further reinforcement.

Indian Navy accelerates ship inductions for self-reliance

EXPRESS NEWS SERVICE @ Chennai

INDIAN Navy plans to induct about 15 warships in 2026, setting an unprecedented benchmark of fleet expansion in the service's history, according to Chief of Naval Staff Admiral Dinesh K Tripathi. Speaking in Chennai after commissioning INS Anjadip, a new shallow-water anti-submarine warfare (ASW) platform, on Friday, Chief of Naval Staff Dinesh K Tripathi said the Navy had commissioned 12 warships and one submarine in 2025 alone, signalling a sustained acceleration in force induction. The Navy is on course to become a 200-plus ship force by 2035, Tripathi said, adding that all 50 vessels currently on order are being built in Indian shipyards. "Moving beyond platforms, our aim is to take atmanirbharta to the component level and build a fully self-reliant force by 2047," the admiral said, while stressing that indigenous capability would need to be matched with partnerships and in-

teroperability to remain effective in a contested maritime environment. He said the Navy is placing renewed emphasis on undersea and anti-submarine warfare - a capability gap that has drawn growing scrutiny as strategic competition intensifies across the Indo-Pacific. Anjadip is the fourth of 16 shallow-water ASW craft planned for induction and is intended primarily for operations along India's eastern seaboard. Equipped with shallow-water sonars, lightweight torpedoes, anti-submarine rockets and an indigenous combat management system, the vessel is designed for coastal and littoral operations. Admiral Tripathi said the class reflects a broader shift towards improving maritime domain awareness and sea-denial capabilities close to shore, even as larger surface combatants and submarines expand India's blue-water reach. The accelerated build-up comes against what Tripathi described as a "complex and sensitive" maritime security environment.

Class X Urdu student forced to write HSC exam in Odia

ARABINDA PANDA @ Cuttack

IN a bizarre incident, a Class X student was allegedly prevented from appearing for his General Science test in Urdu, which he had opted for, and compelled to write the paper in Odia, prompting his father to submit a petition to the Board of Secondary Education (BSE) in Cuttack. Embarrassed, the BSE has ordered a probe into the incident, which took place during the ongoing annual High School Certificate (HSC) examination on Wednesday. The examinee, a student of Brahmanjarilo Nodal High School under Cuttack Sadar block, is presently appearing for the HSC examination at Laksheswar Nodal High School in Phulnakhera. The student's father, Mohammed Shamim, in his petition said his son had officially opted to write the three non-language subjects - General Science, Mathematics and Social Science - in Urdu medium. "However, during the General Science examination, after submitting the optical mark recognition (OMR) answer sheet, when he began writing the subjective answers in Urdu script, the invigilator forcibly stopped him. He directed him to cut the answers already written in Urdu and compelled him to write the paper in Odia instead," Shamim stated in his petition.

CM lauds ex-Maoists for joining mainstream

EXPRESS NEWS SERVICE @ Hyderabad

RECENTLY surrendered leaders of the banned CPI (Maoist) met Chief Minister A Revanth Reddy at the Secretariat on Friday, following a request from them, according to a DGP office release.

During a face-to-face interaction, Revanth congratulated the former Maoists for choosing the democratic path. "Violence cannot provide a permanent solution to any problem and people's aspirations can be fulfilled only through democratic means," Revanth said.

The delegation sought enhancement of relief and rehabilitation packages for surrendered cadres on par with neighbouring States. The chief minister assured adequate security and rehabilitation benefits, and support for their reintegration.
