

Govt moots central body for each state to cut delay in green nod

New Delhi: To end unnecessary delay in assessing projects for environmental clearances (ECs), the environment ministry has proposed to set up a central body — Standing Committee on Environmental Impact Assessment (SCEIA) — for each state and UT, which will appraise projects when state-level panels are non-functional.

The idea behind the proposal is to ensure continuity in functioning of state-level panels by establishing a separate standing body as an "interim arrangement" for the purpose of ap-

praisal of projects and grant of regulatory environmental clearances. The standing body will function and take call on green issues only till the constitution of state-level bodies.

In many cases, state-level committees remain non-functional due to expiry of their term or on account of other circumstances. The ministry had on Mar 5 issued a draft notification that said if the application is not approved by the state-level committees within a period of 120 days, the application shall be forwarded to the SCEIA for consideration.

No depth waiver for underground coal gasification: Expert panel

New Delhi: The environment ministry's expert panel has declined an exemption to minimum operational depth limit for underground coal gasification (UCG) projects in view of environmental impacts. Coal gasification is a process that converts coal into synthesis gas, consisting of carbon monoxide and hydrogen. Govt through the process aims at harnessing the country's vast coal reserves efficiently and sustainably. The coal ministry had sought removal of the condition stipulating a minimum depth of 300 metres for R&D pilot projects, citing examples of other countries, specifically Uzbekistan that operates such projects at a depth of approximately 150-200 metres and has been producing synthesis gas. The ministry's panel, however, observed that critical parameters governing the environmental safety of UCG vary significantly across coalfields in India and cannot be directly compared with global projects. "Given the heterogeneity of Indian coalfields and variability in hydrogeological and geomechanical settings from region to region, international precedents cannot be treated as directly comparable benchmarks," said the panel.

PM speaks to Nepal's Rabi & Balendra, vows to work with them for mutual prosperity

New Delhi: PM Narendra Modi on Monday spoke to leaders of the Rastriya Swatantra Party (RSP) of Nepal Rabi Lamichhane and Balendra Shah and congratulated them for their election victory and conveyed India's commitment to work with them for mutual prosperity, progress and well-being of the two countries. In his telephonic conversations with the two leaders of Nepal, PM Modi said he was confident that with the joint endeavours, India-Nepal relations would scale new heights. "Had warm telephone conversations with Mr Rabi Lamichhane, Chairman of the Rastriya Swatantra Party (RSP) and Mr Balendra Shah, Senior Leader of the RSP," he said in a post on X.

PM Modi congratulated both leaders on their electoral victories and RSP's resounding success in the Nepal elections. "Conveyed my best wishes for their forthcoming general and local elections and India's commitment to work with them for mutual prosperity, progress and well-being of our two countries," Prime Minister said. The House of Representatives (HoR) in Nepal has a total of 275 seats. While 165 members are elected through the First Past The Post (FPTP) or direct voting system, 110 members are elected through proportional representation. Results of the elections are awaited.

CORRIGENDUM

This Corrigendum refers to the Public Notice published in this Newspaper on 03.03.2026 by Morena I SEZ Transmission Limited regarding the Transmission System. Transmission system for Evacuation of Power from RE Projects in Morena SEZ in Madhya Pradesh (2500MW). In the previously published notice, the Tahaal names for the 765 KV D/C Morena PS (South of Sabahgarh) - Kanara (near Dalia) were listed. However, the District name Shivpuri was inadvertently omitted for Narwar Tehsil. Accordingly, the following villages under Narwar Tehsil should be recognized as falling within the Shivpuri District and read as follows:

Sl. No.	Name of Villages	Tehsil	District	State
6	Baniyan (Baniyan), Mihawara, Dehrota Sani, Sunari, Andora, Raipahad (Raipahar), Jargawan Sani (Jargawan), Bhainsa, Dauri (Dori)	Narwar	Shivpuri	Madhya Pradesh

(To be read in addition to aforementioned public notice published in this Newspaper dated 03.03.2026)
Copy of the route alignment is available in the office of the undersigned. Notice is hereby given to the general public to make observation/representation on the proposed transmission system within two months from the date of publication of this notice to the office of undersigned in writing.
For further particulars and clarification please contact

Heated exchange between CEC, TMC

Kaushik Pradhan
@timesofindia.com
Kolkata: The Election Commission's meeting with political parties in poll-bound West Bengal on Monday saw a heated exchange between Trinamool Congress's Chandrima Bhattacharya, who is the state's finance minister, and chief election commissioner Gyanesh Kumar, who allegedly asked her "not to shout".
Barring Trinamool, which stuck to its demand that no genuine Bengali voter should be deprived of voting rights, BJP, Congress and CPM sought a shorter poll duration with no more than two phases. BJP had earlier advocated for multi-phase polls.
In a press note, EC said: "Political parties urged the commission to conduct the elections in two phases." After the meeting, Bhattacharya, flanked by Kolkata mayor Firhad Hakim and ex-DGP Rajeev Kumar, said: "I am a woman and I am telling you 'don't shout'. They actually have no respect for women. That is why women's names are also being deleted."
"Whenever we spoke about SIR, they said the matter is in Supreme Court. If you called us, you must listen to what we have to say to go to Supreme Court for our responsibility to protect the people," she said after the meeting.

20-year-old man arrested for minor's rape, bid to convert

Bhiwandi: A 20-year-old tailor from Bhiwandi was on Friday arrested on charges of raping a minor girl and blackmailing and attempting to force her into an inter-familial marriage when she turned 18 years old last month.
The arrest was made after activists from a Hindu group disrupted the planned 'nikah' after being alerted by the girl's relatives. Police said they had acted on the girl's complaint. The accused, a school dropout, has been booked by a police station in Dombivli under the PoCSO and IPC sections related to rape and criminal intimidation. IPC has been invoked due to the offence of rape is from 2024, before it was replaced by Bharatiya Nyaya Sanhita.
Police said the tailor and the girl connected via social media in 2024 when he was 18 and she was a minor; and they developed a relationship that allegedly turned abusive. In the case, the man exploited her minor status over two years to have a physical relationship with her and, when she turned 18 a month ago, put pressure on her to marry him. On March 6, the girl travelled to Bhiwandi for the 'nikah' police said. However, before the marriage ceremony could take place, the girl's relatives informed a Hindu group, whose activists stormed the venue, 'rescued' the girl and handed her over to the local police station, which registered an offence and handed the case over to another police station in whose jurisdiction the alleged crime had taken place. A joint investigation team of police Subas Hemad said the victim alleged repeated pressure and blackmail for marriage after the physical relationship began.
