US Supreme Court strikes down Trump global tariffs, says they are unlawful

Washington, Feb 20 (IANS): In a major setback to President Donald Trump's economic agenda, the US Supreme Court on Friday struck down most of his sweeping tariffs, ruling that he lacked authority under a 1977 emergency law to impose broad import levies on America's trading partners across the world, including India.

The ruling marks a rare instance of the conservative-led court reining in Trump's use of executive power. According to Politico, the court in a 6-3 decision struck down the tariffs, calling it "a major repudiation of a core piece of Trump's economic programme."

Chief Justice John Roberts, writing for the majority, said: "The President asserts the extraordinary power to unilaterally impose tariffs of unlimited amount, duration, and scope. In light of the breadth, history, and constitutional context of that asserted authority, he must identify clear congressional authorization to exercise it."

Roberts added that the 1977 law Trump relied on "falls short" of the Congressional approval required.

The Washington Post reported that the justices ruled the president did not have the authority under a 1977 emergency economic powers law to impose a vast array of import levies on goods from nearly all of the nation's trading partners.

Seven of a family killed as car collides with truck in Gujarat's Valsad

Valsad (Gujarat), Feb 20 (IANS): Seven members of a family were killed after a car collided with a truck near Kumbhghat on the Kaparada-Nanapondha highway in Gujarat's Valsad district, police said on Friday.

The victims were residents of Amba Jungle village in Kaparada taluka. According to police, there were seven people in the car — five men and two women — at the time of the accident.

The collision took place at a sharp bend on the Kumbhghat stretch, which officials described as accident-prone.

The impact left the car severely mangled, trapping the occupants inside.

Local residents rushed to the spot after hearing the crash and assisted emergency responders in pulling the victims out of the wreckage.

Ambulances were deployed to shift the injured to the hospital.

Five occupants died at the spot, while two critically injured men were taken to a nearby hospital, where they later succumbed to their injuries, taking the death toll to seven.

Inspector Surajsinh Vasava told IANS, "There were seven people in the car at the time of the accident — five men and two women.

Five people died at the scene. Two men were shifted to a nearby hospital but later succumbed to injuries. The people who died are residents of Kaprada. The route where the accident occurred has seen such incidents in the past as well. Mostly, trucks are involved in the accident."

The truck driver sustained injuries in the crash and is currently undergoing treatment. "The truck driver also suffered injuries in the accident, and we are yet to record a statement.
