ROYAL STARS

BY GEORGIA NICOLS

ARIES (MAR 21 - APR 20): Today you want to talk to someone, but you want a real conversation. You want to talk about something that matters. The key is to find someone who will genuinely listen. Tonight: Conversations.

TAURUS (APR 21 - MAY 21): Today you might hesitate to lend something to someone. Or you might be upset if something that you own is damaged or lost. You also might find yourself backed into a corner defending something that isn't that important. Tonight: Check your belongings.

GEMINI (MAY 22 - JUNE 21): Today the Moon is in your sign, which will make you more emotional than usual. Today is the day to ask the universe for a favour! Things will tend to go your way. Tonight: You're strong and in charge.

CANCER (JUNE 22 - JULY 23): Today you will be tempted to keep your feelings secret from others. You're not being unfriendly; you just prefer to be by yourself and enjoy some solitude. You might be interested in mystical or spiritual ideas that seem intriguing. Tonight: Seek privacy.

LEO (JULY 24 - AUG 23): Today your ties with a friend or perhaps a group are important to you. You might speak up and say how much this relationship means to you. This is also why you might feel more protective and supportive than usual to someone. Tonight: Be friendly.

VIRGO (AUG 24 - SEP 23): Today the Moon is sitting at the very top of your chart, which will call attention to you. In fact, some people will even know private things about your personal life. Well, this could be an argument in an elevator perhaps. (Wince.) Tonight: Be modest.

LIBRA (SEP 24 - OCT 23): Grab every opportunity to break free from your daily routine today. You want adventure and a chance to see new places, learn new things and talk to new people. Satisfy your cravings for excitement. Tonight: Learn and explore.

SCORPIO (OCT 24 - NOV 23): Today you might be thinking more about shared property, inheritances and how to divide responsibilities with someone. One thing is certain: Your emotional experiences will be more intense than usual today. Tonight: Check your finances.

SAGITTARIUS (NOV 24 - DEC 22): Today you will have to go more than halfway when dealing with others. This simply involves a little accommodation, a friendly attitude and cooperation. Resist the urge for knee-jerk reactions. Stay mellow. Tonight: Cooperate.

CAPRICORN (DEC 23 - JAN 20): Today you are best served if you can accomplish as much as possible. This will please you. You also might have to spend time doing a favour for someone, or working on behalf of someone else's best interests. Tonight: Get organised.

AQUARIUS (JAN 21 - FEB 19): Feelings of romance are strong today. You might even encounter a slight flirtation that surprises you. If you're attracted to someone it will be difficult to hide your feelings. You might feel more protective and nurturing toward children. Tonight: Relax.

PISCES (FEB 20 - MAR 20): This is the perfect day to hide at home and relax among familiar surroundings. You're not being antisocial. You just feel the need to take it easy in your own private way. Nothing wrong with that. Take a mental health day. Tonight: Cocoon.
