Madigas block NH, demand recruitment as

DHARWAD, DHNS: Members of the district unit of the State Federation of Madiga Organisations staged a highway blockade on Friday, demanding that the Department of Personnel and Administrative Reforms (DPAR) withdraw its order issued on February 27 regarding internal reservation and initiate the recruitment process for 56,000 posts by identifying revised roster points.

The protesters blocked the National Highway near Narandura village circle (near Sai Aranya Hotel) while pressing for their demands. The protesters urged the government to implement the internal reservation in all sectors. They also demanded that internal reservation be extended to promotions, with appropriate roster points fixed accordingly.

Further, they called for providing internal reservation benefits to the Scheduled Castes in all educational institutions based on the classification ratio. They also demanded that the government frame special rules for filling backlog vacancies.

The protesters insisted that the internal reservation distribution should be implemented based on the report of the Justice Nagamohan Commission. They also urged the government to take steps to fulfil their 11-point charter of demands.
