NIA, ATS raid 6 places in Bihar as part of arms racket probe

Farrukh Nadim | TNN

Biharsharif: A 100-member strong team of NIA and Bihar ATS Monday searched six locations in Nalanda district as part of an ongoing probe into an interstate arms trafficking.

The raids follow the arrest of alleged arms smuggler Perwez Alam, a resident of Biharsharif, and four others on Dec 4, 2025.

A key target of the searches was P K Gun House & Sons in Biharsharif, where sleuths spent more than seven hours, scrutinising documents related to licensed firearms and ammunition.

The proprietor of the shop, Ram Pravesh Kumar, said some documents were seized and a seizure list was provided to him. He said the gun shop has been operating since 1995.

No FIR has been lodged in connection with the raids.

On Dec 4, Perwez, Saurabh Kumar Jha of Munger, and Jiyar Jai, Mohammad Mehboob alias Tinku and Zahid Hussain, all from Jamshedpur, were arrested from a rented flat that investigators said was being used as a base for illegal arms trade.

Bhojshala is a temple of Saraswati, Hindu side tells MP HC

Indore: The disputed Bhojshala-Kamal Maula Mosque complex in Dhar district is essentially a temple dedicated to Goddess Saraswati, and this historical monument cannot be a mosque, the Hindu side told the Madhya Pradesh High Court on Monday.

The Hindu petitioners submitted before the HC's Indore bench that historical records and the report of the Archaeological Survey of India (ASI)'s scientific survey of the disputed complex, carried out on the court's 2024 order, clearly support its claim.

The Hindu community considers Bhojshala a temple dedicated to Goddess Saraswati, while the Muslim side claims the 11th-century monument, protected by the ASI, is the Kamal Maula Mosque.

The HC's Indore bench began regular hearings on Monday on four petitions and one writ appeal filed over the dispute regarding the religious nature of the complex.

Advocate Vishnu Shankar Jain, representing the Hindu Front for Justice, one of the petitioners, told the HC that historical records, the ASI's scientific survey report, and the material presented with the petition prove the disputed structure was originally a temple dedicated to Goddess Saraswati. Jain stated that the monument was part of a Hindu structure built by King Bhoj of the Parmar dynasty of Dhar in 1034 AD. PTI

Modi: Discussions under way on 'One Nation, One Election'

'Our Mission' Ongoing With Issues Like UCC, PM Tells Party

New Delhi: Prime Minister Narendra Modi on Monday said the "mission is still ongoing" for implementing the BJP's two key agendas, the Uniform Civil Code (UCC) and 'One Nation, One Election', with serious discussions underway and positive progress made.

Virtually addressing an event marking the BJP's 47th Foundation Day, Modi also said it was the saffron party that first raised the issue of women's reservation in 1994. He added that the current BJP-led central government is fully committed to ensuring that the Women's Reservation Act -- which would provide 33 per cent reservation for women in the Lok Sabha and state assemblies -- is implemented in the 2029 general elections.

Targeting the Congress, he said BJP workers endured many hardships -- such as the Emergency and oppression -- under the grand old party's rule. Many BJP workers even sacrificed their lives, he said, citing states such as West Bengal and Kerala "where violence has been turned into a political culture".

PM Modi delivers his message via video conference on Monday

"Our mission is still ongoing. On Uniform Civil Code, 'One Nation, One Election' and other issues, serious discussions are taking place in the country, and we have achieved tremendous progress on those fronts," Modi said.

He said the BJP aims to make the country developed and self-reliant, and will continue to march in that direction.

Under the 'One Nation, One Election' system, the Modi government proposes to conduct simultaneous elections to the Lok Sabha and state assemblies. The UCC seeks to create the same set of laws for everyone across the country, irrespective of religion, especially with regard to marriage and adoption. Modi said the BJP is sincerely striving to face every challenge.

"There are countless works that were the result of the BJP's honest efforts, such as the repeal of hundreds of black laws from the British era, the construction of a new Parliament building, 10 per cent reservation for the poor in the general category, triple talaq ban, the Citizenship Amendment Act, the construction of the Ayodhya Ram temple," he said.

The prime minister said the BJP had first proposed women's reservation in 1994 in Vadodara.

"We had also decided that we would encourage women in our party organisation as far as possible. When we came to power, we fulfilled that promise. Now we are fully dedicated to ensuring that the Nari Vandan Adhiniyam (Women's Reservation Act) is implemented in the 2029 general elections," he said.

Referring to the ongoing West Asia conflict, Modi said the BJP believes in the idea of 'Vasudhaiva Kutumbakam' (the world is one family) even in times of war.

He said there was a time when India took pride in maintaining equal distance from every country, but now it is moving ahead by keeping close relations with each country.

Highlighting that the BJP-led National Democratic Alliance (NDA) has completed 25 years of existence, Modi said it is the only coalition that has been working in the country's interest and for public welfare.

"The BJP has set an example in coalition politics. The consistent expansion of the NDA is proof that it is an all-inclusive coalition. It works by prioritising regional aspirations," he said. PTI

Security scare at Delhi assembly as SUV breaks through iron gate

The car entered the Assembly premises after breaking through Gate No. 2 at around 2 pm

New Delhi: In a major security breach at the Delhi Assembly on Monday afternoon, a masked man drove an SUV through one of the boundary gates and placed a flower bouquet in the Speaker's vehicle parked on the porch before fleeing, triggering a high alert. Police later detained three people, including the driver, and seized the vehicle from north Delhi.

Nothing suspicious was found in the premises after multiple police teams, along with a bomb disposal squad, conducted a thorough sweep of the area to rule out any threat. Forensic experts also examined the bouquet.

The police said that the detainees were being questioned. "It is too early to comment on the motive behind the entire incident. Our teams are questioning him. Motive is not clear. But we are investigating the entire matter from every possible angle," a police officer, who requested anonymity, said and mentioned the recent bomb threats sent to the Assembly.

"The entire incident happened very quickly, in just five to seven minutes," the officer said.

The car, bearing an Uttar Pradesh registration number of Pilibhit area, entered the Assembly premises after breaking through Gate No. 2 at around 2 pm, officials said.

Official sources said the car was being driven in a highly reckless manner and approached from the Delhi University side. The driver took a sharp left turn, rammed the vehicle into the main gate, broke through the boom barriers and entered the Assembly premises, they said.

The accused, before escaping, placed a bouquet and a garland inside the official vehicle of the Speaker that was parked in the porch of his office in the Assembly premises, sources said. PTI
