

INDUSTRIAL UNREST IN BATHINDA

130 workers picked up from homes as wage protests hit Sportking unit

Raakhi Jagga
Ludhiana, April 27

PUNJAB POLICE early Monday detained over 130 protesting employees of Sportking India Limited. The employees were protesting since April 19 demanding higher wages and better working conditions.

However, later in the day, all detained workers and union leaders were released.

The agitation began on April 19 when employees protested outside the factory, alleging low wages and poor increments. The management then sought a week's time to address the concerns, following which the protest was temporarily withdrawn. However, after a meeting between workers, management, and district administration failed to yield a resolution on Sunday, tensions resurfaced and employees sat on a dharna outside the unit in

During the protest by workers and farm union leaders. EXPRESS

the afternoon.

The situation escalated when more than 130 workers, including members of Naujawan Bharat Sabha and Bharatiya Kisan Union (Ugrahan), were picked up from their homes and detained at three different police stations early on Monday. This triggered fresh protests, with remaining workers assembling on the

Bathinda-Amritsar highway and demanding their release. Shingara Singh Mann, president of the BKU (Ugrahan) Bathinda unit, said the protesters lifted their dharna on Sunday afternoon after receiving an assurance of administrative intervention.

Adding to the protests, Lachhman Singh Sewewala, general secretary of Punjab Khet

Mazdoor Union, said, "Workers also staged a dharna outside the Nandgarh, Killi Nihal Singh Wala, and Naiyanwala police stations, where the detained workers are being held." Workers are demanding a minimum monthly salary of Rs 26,000, alleging that many are paid on a per-piece basis and receive minimal annual increments despite years of service.

Sources indicated that the factory is not operating at full capacity, with only a limited number of workers reporting for duty.

Responding to the allegations, company chairman Munish Awasthi said, "We are already paying salaries higher than what workers receive elsewhere in the state. Around 2,500 employees work here, and labour department officials have verified our records. Most employees have no issues; a few outsiders, like farmer

unions, are instigating unrest. We are in talks with workers and have already offered a wage increase."

Awasthi added that the administration was assisting in resolving the issue, and expressed hope for an early settlement.

Factory sources, meanwhile, said that some workers willing to resume duty were being prevented from entering the premises by protesters—a charge denied by unions backing the agitation.

Sportking India Limited, which set up its Bathinda unit in Jeeda village in 2010, operates multiple manufacturing facilities across Punjab, Haryana, and Himachal Pradesh and has over 1,000 retail outlets nationwide with a group turnover exceeding Rs 1,500 crore, according to its website. The unit had not witnessed any major labour unrest in the past.

Man strangled to death over Rs 30 dispute

Express News Service
Kapurthala, April 27

A 22-YEAR-OLD labourer was allegedly strangled to death in Nadala town of Kapurthala district late Sunday night, with police suspecting that the murder stemmed from a minor dispute of Rs 30.

The deceased has been identified as Suraj Kumar, son of Ramchandra Mandal. Police said that a case of murder has been registered at Subhanpur

police station, and investigations are underway.

The victim's father, Ramchandra Mandal, said that around 10.30 pm Sunday, Suraj was working in a green market and had an argument with some acquaintances in the market over Rs 30. "I intervened and brought him back to his quarters," he said. However, when he returned the next morning to check on him, he found Suraj lying dead near the gate.

Police officers, including SHO SI Harjinder Singh and Nadala post in-charge Baljinder Singh, rushed to the spot after receiving information. SP (D) Harinder Singh Gill confirmed that a murder case has been registered based on the father's statement.

"Those involved in the dispute are being questioned, and CCTV footage from the area is being examined to establish the sequence of events," the officer said.

Gurgaon initiates Rs 609-cr tender process for waste collection, to deploy fleet of 831 vehicles

Abhimanyu Hazarika
Gurgaon, April 27

IN A bid to overhaul the city's waste management infrastructure, the Municipal Corporation of Gurugram (MCG) has initiated a Rs 609-crore tender process to deploy 831 vehicles for door-to-door garbage collection, with a pre-bid meeting for prospective agencies scheduled for April 29.

The civic body has divided the city into two clusters for the purpose, issuing separate tenders for each to ensure a permanent and streamlined arrangement.

According to the MCG, the comprehensive plan involves a fleet comprising 653 light commercial vehicles and 178 e-rickshaws. The total tender has been issued at a cost of around Rs 609 crore, with the agencies to work for a five-year period.

"The scope of the project includes the coverage of over 4.46 lakh properties across Gurugram, with a capacity for daily collection and management of over 1,200 metric tonnes of municipal solid waste," an MCG spokesperson said.

"The tender was officially published on April 22. Following the upcoming April 29 pre-bid meeting, the final deadline for bid submissions is set for May 13, and the bids will be open in the afternoon on the same day, the spokesperson added. Mayor Rajrani Malhotra stated that the plan is a significant step toward strengthening the city's sanitation system. "Work is being done at a rapid pace to implement a permanent solution and a better waste management system. This will not only ensure regular lifting of garbage, but also provide relief from irregular dumping," Malhotra said.

Appealing to citizens to hand over their waste at designated times, the Mayor said that the MCG's priority is to execute the entire waste management process scientifically and transparently to maintain long-term cleanliness in the city.
