Four-year-old girl dies after cobra bite

EXPRESS NEWS SERVICE
@Kasaragod

A four-year-old girl from Thotti Unnathi in West Eleri panchayat died at a hospital on Thursday afternoon, four days after being bitten by a cobra. Despite intensive treatment, her life could not be saved.

Doctors said the severity of the envenomation, combined with her body size, led to complications, including neurological injury. Rithu Chandra, daughter of daily wage workers Sarath Chandran, was playing in the courtyard, when the incident occurred.

ECI nod to Kavitha's T Rakshana Sena

We submitted five name choices, and EC officially granted our 3rd choice, says KCR daughter

MANDA RAVINDER REDDY
@ Hyderabad

THE Election Commission of India (ECI) has granted approval to former MLC Kalvakuntla Kavitha to register her political party by the name "Telangana Rakshana Sena" (TRS).

Curiously, at a public meeting in Muneerabad on April 25, Kavitha had declared that her party would be called Telangana Rashtra Sena. However, that name did not feature among the options she formally submitted to the ECI. The ECI has now issued a letter granting approval for registration of "Telangana Rakshana Sena" as a political party. As part of the registration process, the ECI has directed Kavitha to publish notices of the proposed party name in two national and two local newspapers, inviting objections within 30 days.

The poll panel stated that final approval will depend on the outcome of any objections raised by existing parties or others.

Kavitha, daughter of former chief minister K Chandrasekhar Rao, had initially applied under the name "Telangana Praja Jagruthi" and submitted five alternatives: Telangana Praja Jagruthi, Telangana Jagruthi, Telangana Rakshana Sena, Telangana Rashtra Jagruthi and Telangana Praja Shakti. The poll panel approved the third option.

Sources close to Kavitha said an informal communication from the ECI indicating "Telangana Rakshana Sena" was received on the evening of April 24. As per norms, the name could not be made public until formal approval was issued.

They said the April 25 announcement of "Telangana Rashtra Sena" was made to retain a similar formulation.

Reacting on X, Kavitha said: "Telangana Rakshana Sena (TRS), it is! We will relentlessly work to serve and protect the people of Telangana, as we have done in the last two decades as Telangana Jagruthi."

She added: "In January 2026, following standard EC protocol, we submitted five name choices, and the Election Commission has officially granted our third choice the only one with the acronym TRS. Destiny, it seems, has a sense of irony."

HC suspends clause barring colleges from collecting fees

TG NAIDU @ Hyderabad

IN a setback to the State's Direct Benefit Transfer (DBT)-based academic fee policy, the Telangana High Court has suspended a clause in a Government Order (GO) that barred higher educational institutions from collecting tuition fees until scholarship amounts were credited into students' bank accounts.

Justice Juvvadi Sridevi passed the interim order while hearing a batch of writ petitions challenging a GO issued by the SC Development department introducing a DBT mechanism for Post Matric Scholarships from the academic year 2026–27.

Under the revised scheme, scholarship funds were to be transferred directly into Aadhaar-linked bank accounts of eligible students, who would then pay their institutions.

The order had also directed colleges not to collect fees at the time of admission and to do so only after the credited amounts were received by students.

The court noted that in earlier proceedings it had already recorded substantial pending dues to institutions, leading to financial strain.

As interim relief, institutions had been permitted to collect tuition fees directly from students belonging to SC, ST, EBC, BC, minority and other categories for 2026–27, subject to the outcome of the cases. Senior counsel for the petitioners argued that the order did not specify any timeline for disbursing funds into students' accounts, despite large sums being due.

It was contended that the absence of a clear schedule created uncertainty over payments to institutions.

Senior counsel Avinash Desai submitted that the restriction affected fee collection, particularly as many students depend on the scholarship scheme.

He argued that the clause diluted the earlier interim relief without ensuring financial viability for institutions.

Taking note of these submissions, the court suspended the clause restraining institutions from collecting fees.

The High Court posted the matter for further hearing on Monday.

Tamil Nadu tops marine fish landings in 2025

S V KRISHNA CHAITANYA @ Chennai

TAMIL Nadu has emerged as the country's leading State in marine fish landings in 2025, overtaking Gujarat to claim the top spot, according to the latest assessment released on Thursday by the ICAR–Central Marine Fisheries Research Institute (CMFRI).

The State recorded an estimated 6.85 lakh tonnes of marine fish landings, registering a marginal 1% increase over 2024. At the national level, India's marine fish landings stood at 3.57 million tonnes in 2025, up 3% from 3.47 million tonnes recorded the previous year, indicating overall resilience in the sector.

Fish landing refers to the total quantity of fish brought ashore and unloaded from fishing vessels at a port or beach, marking the first point of sale.

Officials attributed Tamil Nadu's rise primarily to a sharp 15% decline in Gujarat, which slipped to second place with 6.43 lakh tonnes. The fall in Gujarat's output was linked to multiple disruptions, including adverse weather conditions, an extended fishing ban between June and mid-August, and cyclonic disturbances such as Cyclone Shakti.

Despite securing the top rank, Tamil Nadu's fisheries sector was not without challenges. Cyclone Montha in late October and Cyclone Ditwah during November-December temporarily affected fishing operations along the coast.

However, steady landings across districts helped the State retain its lead. Within the State, Kanniyakumari district the highest share of landings at 23%, followed by Thoothukudi 16% and Pudukkottai (14%).
