AR/T-236/02/29-April-26

rate in the Higher Secondary (HS) Examination 2026. This remarkable feat marks the institution's 14th consecutive year of flawless results, reinforcing its reputation as a centre of sustained academic excellence in the region. Established in 2010, the school has built a strong legacy of delivering consistent results across streams. This year, both the Arts and Commerce streams recorded outstanding performances, reflecting the institution's commitment to quality edu-

cation and disciplined learning. In the Arts stream, a total of 47 students secured First Division, while 18 passed in Second Division. Notably, 8 students achieved Distinction and 17 earned Star Marks, indicating a high level of academic achievement among the candidates. The results underline the students' dedication and the effective academic guidance provided by the faculty. The Commerce stream also reported a perfect pass percentage, with all students successfully clearing the

examination. Among them, 8 secured First Division, including 2 students who achieved Distinction and 6 who earned Star Marks. The performance highlights balanced excellence across both streams. Following the announcement of results, the school campus turned vibrant with celebrations. Students, teachers, and parents came together to mark the achievement, creating an atmosphere that resembled a festive occasion. The sense of pride and accom-

plishment was evident as the institution celebrated yet another milestone in its academic journey. Principal Pinku Kalita expressed immense satisfaction over the results, attributing the success to the dedication, discipline, and determination of the students. He highlighted that Anushka Bailing topped the Arts stream with 90.6 per cent, while Nayanjyoti Deori emerged as the top performer in the Commerce stream with 86 per cent. He further noted that the consistent record of high pass percentages, along with multiple distinctions and star marks, reflects the institution's strong academic environment. According to him, focused effort, proper guidance, and sustained hard work remain the driving forces behind the school's continued excellence. With this achievement, Axom Senior Secondary School continues to set a benchmark for educational institutions in Assam, inspiring future batches to uphold its proud tradition of success.

Demand Grows to Upgrade Kakopathar Police Station, Talap Outpost Amid Rising Pressure

Assam Rising, Kakopathari, April 28: Rising concerns over deteriorating infrastructure and increasing law and order challenges have intensified demands for the immediate upgradation of police facilities in Kakopathar and Talap. Residents and local sources have highlighted that the existing policing setup is no longer sufficient to manage the growing population and escalating security concerns in the region. According to sources, the Kakopathar Police Station is currently operating from a rented, ageing Assam-type structure that is in a dilapidated condition. The building reportedly suffers from water leakage, inadequate space,

and lacks basic facilities necessary for efficient functioning. One of the major concerns raised by officials is the absence of proper lock-up arrangements, which creates significant challenges in detaining accused persons and maintaining standard policing procedures. Authorities also pointed out that the police station has faced security threats in the past, including incidents of attack and firing, exposing serious vulnerabilities in its infrastructure and preparedness. Such issues have raised alarm among both officials and residents, who fear that the situation could worsen without immediate intervention. Adding to the concern, locals noted that

incidents of mob aggression and gherao at the police station are not uncommon. These situations often arise due to local disputes or public demands for swift police action. The combination of volatile crowd behaviour and inadequate facilities has heightened concerns over the safety of police personnel as well as detainees. The situation at the Talap Outpost is equally troubling. Operating from a small and poorly equipped building, the outpost lacks the capacity to handle high-pressure situations. Recently, it witnessed a tense gherao by locals demanding the release of an ac-

cused individual, highlighting its limited ability to manage crowd control or detain suspects effectively. With the area experiencing rapid population growth and an expanding jurisdiction, residents and officials have strongly called for the upgradation of the Talap Outpost into a full-fledged police station. They believe such a move would not only strengthen law enforcement but also ease the burden on the nearby Doomdooma Police Station. Security experts and civil society members have stressed the urgent need for modern infrastructure, including proper buildings, lock-ups, surveillance systems, and increased manpower. As pressure mounts, all eyes are now on the state government to take timely action to address what many consider a long-overdue necessity for the region's safety and stability.

Lakshminath Bezbaroa Academy Records 100% Science Pass, Dhekiajuli Emerges as Education Hub

Assam Rising, Udalguri-Sonitpur, April 28: Lakshminath Bezbaroa Academy in Dhekiajuli has achieved a perfect pass rate in the Science stream of the Higher Secondary (HS) examinations this year, marking a significant academic milestone for the institution and the region.

Out of 37 students who appeared from the Science stream, all cleared the examination. Among them, four students secured distinctions, eight achieved star marks, 17 passed in first division and eight in second division. Notable performers included Banshree Sen with 90 per cent, Samiksha Sapkota with 87 per cent, Konika Saha with 86.2 per cent and Swagata Sarkar with 85.4 per cent.

Principal Kajal Bora congratulated the students, teachers and parents for the achievement and described Dhekiajuli as an emerging "educational hub". He highlighted the town's consistent academic progress in recent years. Referring to earlier successes, Bora noted that Hridam Thakuriya from Sankardev Shishu Vidya Niketan had topped the HSLC examination in

Assam in 2023. He also

pointed out that

Antarikhya Adhikari of

Lakshminath Bezbaroa

Academy secured the top

rank in the state in the 2025

Higher Secondary

examinations with 97.4 per

cent. The Principal

observed that students

from Dhekiajuli previously

had to move outside the

town for higher education,

but the trend has shifted in

recent years. Educational

institutions in the area are

now attracting students

from remote regions,

reflecting growing

confidence in local

academic standards.

Emphasising the need

to sustain this progress,

Bora called for further

initiatives to strengthen

Dhekiajuli's position as a

prominent centre for

education in Assam.

Garchiga Tribal HS School 100% pass

Assam Rising, North Lakhimpur, April 28: Like the past two years, Garchiga Tribal H.S. School of Lakhimpur district again brought laurels, this year too, to the greater Garchiga area along with the district by hundred percent pass in the H.S. Final Examination. As per results of the H.S. Final Examination -2026 declared today, all the 120 students appeared

from the school in the examination have been passed. Among these, fifty-three students have passed in the first division while sixty-seven have passed in the second division. The pass percentage is one hundred percent. Two students Bikash Doley and Sunmoni Mili got distinction marks and two girl students Aklima Khatun and Mitali Mili got star marks. On the other

hand, 14 students in Assamese subject, 4 students in Political Science subject, 17 in History and 7 in Logic and Philosophy obtained letter marks. People of the area expressed happiness for acquiring rare achievement by hundred percent passing continuously for three years by Garchiga Tribal HS School in the H. S. Final Examination.

Career Talk on Logistics Sector Opens New Career Pathways for Students and Parents

Assam Rising, Guwahati, 28 April 2026: The Department of Applied Management, Assam Skill University, successfully organized a career awareness programme titled "Career Talk" on the theme "Career Prospects in the Logistics Sector of India" at the S. M. Das Lecture Gallery, B. Borooah College. The event brought together students from various schools and colleges across Guwahati, creating an informative platform to explore emerging opportunities in the logistics industry.

The inaugural session was chaired by Shri Subhash Chandra Das, IAS (Retd.), Vice Chancellor, Assam Skill University, and graced by Dr. Satyendra Nath Barman, Principal, B. Borooah College, as Chief Guest. The event also featured Mr. Parag

Kashyap, General Manager (North East Head), Ekart Logistics (Instakart Services Pvt. Ltd.), as Guest of Honour, and Dr. Abhigyan Prasad, Associate Professor, Department of English, B. Borooah College, as Special Guest.

The event also marked the official release of the second annual report of the Department of Applied Management, a comprehensive overview of last year's departmental activities, student successes, and faculty accolades.

In his technical session, Mr. Parag Kashyap delivered an engaging presentation on "Careers in Logistics and Supply Chain: Industry Insights on Skills and Opportunities," highlighting the growth of the logistics sector and the range of career options

available to young aspirants. He emphasized the importance of industry-relevant skills, adaptability, and practical knowledge for building successful careers in the sector. He also shared his testimony about his life journey from a small village in Assam to being the General Manager of Ekart logistics.

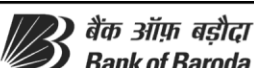

The second technical session, delivered online by Prof. S. Ganesan, Head, Education Initiatives, Logistic Sector Skill Council, focused on "From Learning to Earning: Opportunities and Skill Development through Industry-Aligned Courses." The session underlined the value of skill-based learning and industry-aligned education in helping students transition smoothly from academics to employment. He emphasized on the need for skilled human resource in the field of Logistics Management. He also highlighted on the need for specialized courses like BBA (Logistics) introduced by the Department of Applied Management, Assam Skill University.

During her concluding remarks, Prof. Juthika Konwar, Head of

Department, Department of Applied Management, Assam Skill University, highlighted the department's newly introduced programmes - BBA in Logistics Management and MBA specialization in Logistics and Supply Chain Management. She explained that these courses are designed to bridge the gap between industry requirements and academic learning through a structured one-year apprenticeship in the BBA programme and a one-semester apprenticeship in the MBA programme. She also informed the participants that both the above-mentioned courses are open for admission now.

The programme concluded with an interactive Q&A session titled "Ask the Experts: Open Interaction on Careers in Logistics," where participants actively engaged with the speakers and sought guidance on career pathways, skill requirements, and future opportunities in logistics.

The Career Talk was well received by the participants, and it served as a meaningful initiative to inspire the next generation of learners in North East India to consider promising career opportunities in one of India's fastest-growing sectors.
