Firing at Dosanjh’s manager’s house sparks AAP-BJP war of words

Sukhbir Siwach
Chandigarh, May 13

SHOTS WERE allegedly fired outside the residence of Punjabi actor-singer Diljit Dosanjh's manager in Karnal, with social media post claiming that that it was done at the behest of gangster Lawrence Bishnoi, sparking a war of words between AAP and the BJP.

The police, however, said it has not received any complaint from the manager, Gurpartap Singh Kang, or his family. "There is no information from the family side," Karnal Superintendent of Police Narendra Bijarniya said.

A police team visited Kang's village, Gonder, in Karnal, and carried out a preliminary investigation. At the site, the police found no evidence of gunfire beyond one or two empty shells. "We are still looking for some more clues. We are working on it. We are examining all aspects, including the cameras," said an officer, adding they were examining all aspects, including CCTV footage, to verify what had happened.

In a social media post, Bishnoi's aides, Tyson Bishnoi, Arzoo Bishnoi and Hari Boxer, purportedly claimed responsibility for the alleged firing incident.

The incident quickly spiralled into a political flash-point, with the AAP framing it as intimidation and the BJP dismissing the charges as desperate electioneering.

Punjab Chief Minister Bhagwant alleged that Dosanjh's manager was targeted as the singer had declined to join the BJP.

"It is unfortunate that after ace singer Diljit Dosanjh declined to enter politics, the BJP has resorted to intimidation tactics against him. After actor Vijay's success in Tamil Nadu's political landscape, the BJP had realised that artistes enjoy greater public acceptance and had therefore attempted to bring Diljit Dosanjh into politics," he claimed.

"Since Diljit declined the BJP's offer, politics of intimidation has begun against him, which is unfair. Attacking his manager's house reflects this politics of threat," he told reporters in Delhi.

AAP convenor and former Delhi Chief Minister Arvind Kejriwal asked: "Who got the firing done outside the house of Daljit Dosanjh's manager?"

Reacting to the controversy, Punjab BJP media chief Vineet Joshi said: "The statements made by AAP leaders are baseless and absurd. They have a history of levelling false allegations whenever they fail to maintain law and order in Punjab. These latest claims are nothing more than a desperate attempt to mislead the public and garner votes. Such political tactics will not succeed."

Punjab BJP chief Sunil Jakhar said that those who withdrew singer Moosewala's security and publicised it are today speaking about Dosanjh. The party alleged that the law and order has collapsed under the Mann government.

AAP leaders, however, continued to press their accusations. "The timeline is crystal clear for everyone to witness. BJP tells Dosanjh to join them which he publicly refuses. Days later, the Bishnoi gang attacks

his manager's house to send a 'message,'" Punjab Finance Minister Harpal Singh Cheema said.

"And what does the BJP government do? It blocks every serious attempt to interrogate Lawrence Bishnoi, keeps him protected in Gujarat and treats him like a state asset instead of a criminal. This is not law and order. This is the weaponization of gangsters to intimidate Punjabis who refuse to bend before the BJP. A cowardly, vindictive and deeply Anti-Punjab mindset is on full display. Punjab will not be bullied into silence," he added.

Punjab PWD minister Harbhajan Singh alleged, "This anti-Punjab BJP is basically running a protection racket from Gujarat. The moment Diljit Dosanjh made it clear he wants nothing to do with the BJP, his manager was targeted by the Lawrence Bishnoi gang."

Echoing similar sentiments, AAP leader Baltej Pannu said, "This is not just a coincidence, but rather the BJP's anti-Punjab mentality. The BJP wants to scare Punjabis in order to rule over them". A few days ago, Dosanjh had made it clear that he would never enter politics, saying he was happy in the field of entertainment.

"Kade vi nahi"; Mera kam entertainment karna. Am very happy in my field. Thank You So Much," Dosanjh had said in a post on X while reacting to a news report. Jago Punjab Manch -- a group of civil society activists, including retired Army personnel and IAS officers, had appealed to Dosanjh to assume the leadership of Punjab.

Punjab overhauls PR dept amid tender allotment for publicising govt schemes

Puneet Goyal will look after both posts

Kanchan Vasdev
Chandigarh, May 13

PUNJAB GOVERNMENT on Wednesday overhauled the Information and Public Relations department by transferring out the Secretary as well as the Director and replacing both with Puneet Goyal.

Public Relations Secretary Ramvir and Information and Public Relations Director Akshita Gupta were among four officers shifted by the Bhagwant Mann-led AAP government. Goyal has now been given the full fledged charge of the Public Relations Department and will function as administrative secretary and director till the government finds a Secretary for the department.

Sources told The Indian Express that the duo was shifted

amid the government inviting Information, Education and Communication (IEC) tenders, focussed on Punjab government-led awareness campaigns for over 10 flagships schemes including Yudh Nashayan Virudh, Maawan Dheeyan Satkar Yojna, Mukhtar Mantri Sehat Yojna and others. The companies chosen were to be responsible for production of posters, flyers, brochures, and leaflets. These also had to run mass media & campaigns including radio spots, TV advertisements, and community radio. They were also to be responsible for outdoor activities including billboards, street plays, and exhibitions. The agencies also were to be tasked for monitoring & evaluation to study the reach and impact of IEC

campaigns.

It is learnt that an aide of a top AAP leader was overseeing the tender allotment. However, these two officials are learnt to have blocked the allotment to the companies, having worked in Delhi also on similar campaigns.

A few days ago, a Letter of Intent (LOI) issued by Information and Public Relation Department of the government, to a Mumbai based company, White Rivers Media Solutions Private Limited, allocating tender worth Rs 6.32 crore, had invited the Opposition ire in Punjab. Congress MLA Sukhpal Khaira had written on X, "Chief Minister Bhagwant Mann and AAP government are squandering people's money for publicity and self glorification". Khaira alleged that contract worth Rs 6.32 crore was being awarded to the Mumbai-based company to advertise the Rs 1000 promised

to women. Khaira had attached the document with his X, in which the company was asked to convey its acceptance for the contract.

The transfers also come amid mounting media scrutiny following the Enforcement Directorate raids on Rajya Sabha MP Sanjeev Arora and the recent CBI searches at the Vigilance Bureau headquarters.

This is the first time since 2022 that both the secretary and director of the Public Relations Department have been replaced simultaneously. Following the murder of Sidhu Moosewala, the then Secretary, Public Relations, Malvinder Singh Jaggi, had been replaced by Gurkirat Kirpal Singh, while Director, Information and Public Relations, Sumit Jarangal, was replaced by Sonali Giri, amid widespread criticism over the government's handling of the fallout.

The latest reshuffle has also cut short the tenure of Akshita Gupta, a 2021-batch IAS officer who was appointed Director, Information and Public Relations, Punjab, on January 8 this year. She was then described as the youngest officer to head the department in its history.

Gupta had joined Patiala as Assistant Commissioner (Under Training) in August 2022 and later served as SDM, Shaheed Bhagat Singh Nagar, till March 2025. She was serving as Commissioner, Municipal Corporation, Phagwara, when she was appointed DIPR Punjab. She has now been posted as ADC (General), Rupnagar.

Puneet Goyal was earlier removed as Director Food last year and was without posting for several months. During former SAD-BJP government, he was embroiled in a controversy in alleged revaluation scam in department of technical education.
