Boost to India-S Korea defence cooperation as Rajnath visits Seoul

Amrita Nayak Dutta

New Delhi, May 20

DEFENCE MINISTER Rajnath Singh on Wednesday met his South Korean counterpart Ahn Gyu Back in Seoul, where both sides reviewed the entire spectrum of defence cooperation and discussed ways to further expand collaboration in areas such as industry, production, maritime security, emerging technologies, military exchanges, logistics and regional security.

Singh also met South Korean Minister for Defense Acquisition Program Administration Lee Yong-chul and both agreed to harness the symbiotic efforts to create avenues for joint development, production and exports.

A roadmap to unlock the potential of the India-Korea Defence Innovation Accelerator Ecosystem (KIND-X) to synergise the innovation ecosystems of the two countries was discussed.

In a statement, the Ministry of Defence said both sides acknowledged the growing convergence between India's Act East Policy and the Republic of Korea's (RoK) regional strategic vision, "reiterating their commitment to strengthening defence ties in line with the shared objectives of maintaining a free, open, inclusive and rule-based Indo-Pacific".

Defence Minister Rajnath Singh with his South Korean counterpart Ahn Gyu-back in Seoul on Wednesday. ANI

The ministry said MoUs were inked in key areas of defence cooperation, reflecting the expanding scope and depth of the bilateral partnership.

Agreements were exchanged on promoting cooperation in the field of defence cyberspace; training between India's National Defence College and Korea National Defence University; and UN Peace-keeping Cooperation, making the partnership stronger and multidimensional.

In a post on X, Singh said the meeting was highly productive. Talking about the various agreements exchanged, he said this makes the India-South Korea partnership stronger and multidimensional.

Singh is currently on an official visit to South Korea and Vietnam. Earlier in the day, he laid a wreath at the National Cemetery of Korea and paid homage to the soldiers who made the supreme sacrifice in the service of their nation. He later chaired the India-RoK Defence Industry Business Round-Table, which brought together senior government officials and leading defence industry representatives from both countries.

"The interaction provided an important platform for exploring new opportunities in defence manufacturing, co-development, co-production and supply chain partnerships," the Ministry statement noted, adding that Singh invited Korean defence companies to strengthen engagement with Indian industry and contribute towards long-term mutually beneficial collaboration.

He also highlighted that defence manufacturing is no longer confined only to conventional platforms and equipment, as modern defence ecosystems are powered by advanced electronics, artificial intelligence, autonomous systems, cyber technologies, sensors, semiconductors, quantum technologies, advanced materials and space-based capabilities.

Relief from heat for cops

Kolkata Police Commissioner Ajay Kumar Nand distributes umbrellas, coconut water and other essentials to police personnel and civic volunteers deployed in traffic management duties, in Kolkata on Wednesday. The West Bengal capital recorded a humid morning on Wednesday with the Met department predicting hot weather in the west and heavy rain in the northern parts of the state. Heavy rain is expected over the sub-Himalayan districts of Darjeeling, Kalimpong, Jalpaiguri, Alipurduar and Cooch Behar from May 21 to 25, the weather department said. EXPRESS

Over 100 properties: Odisha engineer held in assets case

Sujit Bisoyi

Bhubaneswar, May 20

WHEN HE was 20, Bhubaneswar Sabar joined the Odisha government as a junior engineer on a modest salary of Rs 6,000.

When sleuths of the Odisha Vigilance department came knocking this week, they were astonished at how much it had grown: Sabar now allegedly owned five multi-storeyed buildings, 83 acres of land spread across 97 plots, two farmhouses spanning 17 acres, and a market complex.

This week, the state vigilance department conducted raids at six locations allegedly linked to Sabar, now an executive engineer, in connection with a disproportionate assets (DA) case.

A case against Sabar has been registered under the Prevention of Corruption Act, 2018, with the anti-corruption wing also seizing deposits worth Rs 10.72 lakh, one four-wheeler, cash, and household articles worth around Rs 20 lakh.

In an official statement, the department said its technical wing was carrying out a val-

uation of his properties. "The official was examined to ascertain the source of the assets. As he couldn't make a satisfactory explanation about amassing such huge properties, he was placed under arrest," a vigilance official told *The Indian Express*.

According to officials, when he first joined in 1999, Sabar was posted to the roads and buildings division at Sunabeda in Odisha's Koraput district. He was promoted to assistant engineer in 2013 and executive engineer in March 2024.

A native of Kalahandi district, Sabar has not been transferred outside his home district since 2007 despite getting two promotions, officials said.

Most of Sabar's properties are either in Kalahandi or Nabarangpur district, where he was previously posted, officials said, adding that the probe is continuing.

This is part of the Odisha government's crackdown on corruption. In 2025, Odisha Vigilance registered 205 cases against 339 persons, including 53 Class-I officers and 39 Class-II officers. The 205 cases included 49 cases of amassing DA and 98 trap cases.

Father, 2 uncles among 4 held for teenager's suicide in UP

Press Trust of India

Ballia, May 20

POLICE HERE on Wednesday arrested the father of a 19-year-old woman and her two uncles in connection with her alleged suicide due to harassment over her wish to marry her lover, an officer said. Besides the three, the police also arrested another man for allegedly lending his car to transport the woman's body.

According to the police, a body was found on Sunday morning along the bank of the Saryu River near Karimpur. The deceased was identified as Nisha, a resident of Nawada village under Bhimpura Police Station limits.

A case was registered late Tuesday night at Ubaahon Police Station against Nisha's father Visheshwar, her uncles Parshuram and Shripati Prasad, and Indal Kumar of Barwa Rati Patti village, who owned a Mahindra Bolero used in the alleged crime.

Sub-inspector Devi Prasad Mishra, in his complaint, alleged that Nisha was in a relationship with a man and wanted to marry him. She had earlier eloped with him, while her family wanted her to marry someone else.

The complaint stated that Nisha, distressed by the continued harassment, hanged herself from a hook in a room of her house on May 16.

The police alleged that after her death, the family, fearing police action, transported the body in the Bolero and dumped it in the river near Karimpur. Rasra Circle Officer Alok Gupta said all four accused were arrested on Wednesday morning.

Woman sets house on fire to 'frame relatives', dies of burns

Press Trust of India

Bahraich, May 20

POLICE HAVE arrested the husband of a 41-year-old woman who died in a house fire she allegedly started to implicate a few relatives she had a property dispute with, police said on Wednesday. Besides the husband, the police on Tuesday also arrested her brother and her nephew in connection with the incident which took place in Nooruddin Chak village, an officer said.

According to Superintendent of Police Vishwajeet Srivastava, on May 16, a police team responded to a call of fire and found a house engulfed in flames. The fire was doused, and a woman, identified as Chanda, alias Mahboobi, was rushed to the hospital and from there to Lucknow, where she died.

Initially, based on a complaint from her husband, a case was registered against Chanda's stepbrother and two nephews.

However, during the probe, police found that Chanda was involved in a property dispute with her stepbrothers and had allegedly planned to frame them in a criminal case. Police said Chanda had been living at her parental home and, allegedly motivated by a property dispute, conspired with her husband, Rajeev, a resident of Jaipur, to set the house on fire.
