CORPORATE BRIEFS

Nalanda University Holds Third Convocation, 219 Students Awarded Degrees

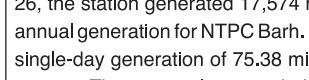

Nalanda University celebrated its Third Convocation ceremony at the newly inaugurated 2000-seater Visvamitaralay Auditorium on the university campus, marking another milestone in its journey as a global centre of learning and civilizational dialogue. Dr. P.K. Mishra, Principal Secretary to the Prime Minister of India, attended the event as the Chief Guest, while Bihar Governor Lt. Gen. Syed Ata Hasnain graced the ceremony with his presence. Shri Rudrendra Tandon, Secretary (East), Ministry of External Affairs, attended as the Guest of Honour. A total of 219 students from the 2024–26 batch representing 14 nationalities received their degrees during the ceremony. Students from countries including Vietnam, Bangladesh, Bhutan and Myanmar reflected the university's growing international character. Eight students received Gold Medals for academic excellence, including seven female scholars. During the ceremony, the Kautilya Centre for Capacity Building was also inaugurated. Addressing the gathering, Dr. Mishra described Nalanda as "a civilizational symbol" and stressed the importance of ethical and responsible knowledge in the modern world. Governor Hasnain highlighted Nalanda's historic role in connecting Asia through ideas and learning. Vice Chancellor Sachin Chaturvedi announced the launch of new academic programmes in Artificial Intelligence, Data Analytics and Policy Studies from the upcoming academic session.

NTPC Nabinagar Accelerates Expansion, Strengthens Rural Development Initiatives

NTPC Limited's Nabinagar project on Tuesday highlighted its strong operational performance and rapid progress under the Stage-II expansion during a media interaction held at the plant site. Senior officials briefed journalists on the station's achievements, future roadmap, and contribution to regional development. Head of Project Shri L.K. Behera said the 1980 MW Nabinagar Super Thermal Power Project has emerged as a major contributor to Bihar's energy needs as well as socio-economic development in nearby rural areas. During FY 2025–26, the station generated more than 12,932 Million Units (MU) of electricity and recorded a Plant Load Factor (PLF) of 78.28 percent, reflecting strong operational efficiency. The company is currently expanding the project under Stage-II with the construction of three 800 MW units. Once completed, the total installed capacity will rise to 4380 MW, providing Bihar with an additional 1500 MW of power. Officials informed that Unit-04 is expected to begin generation by March 2029. The new units will use Air Cooled Condenser and Ultra Super Critical technologies to improve efficiency and reduce water consumption. NTPC Nabinagar also announced the launch of its Girl Empowerment Mission from June 2 for 60 girl students from government schools in Barun and Nabinagar blocks.

NTPC Barh Holds Interaction Programme with Media Representatives

NTPC Limited's NTPC Barh Super Thermal Power Station organised an interaction programme with media representatives on May 18, 2026. Journalists from various media organisations participated in the event, where senior officials highlighted the plant's operational achievements, sustainable development initiatives and community welfare activities. Addressing the gathering, Mr. C. Satya Ramakrishna, Project Head of NTPC Barh, said that the power station has a total installed capacity of 3,300 MW (5x660 MW). Following the commercial operation of Stage-I Unit 3, the station has become NTPC's second-largest power plant. He informed that during the financial year 2025-26, the station generated 17,574 million units of electricity, marking the highest-ever annual generation for NTPC Barh. On December 30, 2025, the plant achieved a record single-day generation of 75.38 million units with a Plant Load Factor (PLF) of 95.18 percent. The station also recorded its highest-ever monthly generation of 2,045 million units in March 2026. Highlighting the station's green initiatives, he said that solar power projects with a total capacity of 3,150 kW are being developed at the plant, of which 2,450 kW capacity has already been completed. Under community development programmes, NTPC Barh is actively implementing initiatives such as the Girl Empowerment Mission, Utkarsh Merit Scholarship and Mobile Medical Van services in nearby areas. He also informed that work is underway on a 400 MWh Battery Energy Storage System (BESS) project, aimed at strengthening future energy management and grid stability. Senior officials from operations, maintenance, technical services, medical and human resources departments were also present during the programme.

Central Bank of India organized a Mega MSME Outreach Campaign

Central Bank of India organized a Mega MSME Outreach Campaign in the presence of Regional Head Mr. Nikhil Tripathi, Lead District Manager Mr. Vikas Kumar, Chief Manager Mr. Amit Kumar, Mr. Pankaj Kumar Choudhary, BIADA Manager Mr. Brijesh Chandra and DIC GM Ms. Suruchi. During the programme, MSME entrepreneurs and businessmen were informed about various banking schemes, financial facilities and advisory services offered by the Bank. On this occasion, loans worth approximately ₹15 crore were sanctioned and distributed among 45 beneficiaries, which will encourage local entrepreneurs and small businesses. The officials stated that the MSME sector is the backbone of the country's economy and plays a vital role in employment generation and economic development. Central Bank of India is continuously working to provide financial support and better banking services to MSME entrepreneurs. A large number of entrepreneurs, customers and bank officials were present during the programme.
