'3,000 late posts removed in Manipur post-violence'

Manipur DGP Rajiv Singh has stated that around 3,000 hate posts have been taken down from social media.

Press Trust Of India

IMPHAL: The Director General of Police (DGP) of Manipur, Rajiv Singh, on Monday stated that extensive action has been taken to curb misinformation and maintain public order in the state following the ethnic violence that erupted in May 2023. He informed that since June 1, 2023, a total of 5,406 sensitive, violent, and communal posts on social media have been identified, out of which around 3,200 posts have been removed in coordination with the state IT Department and the Ministry of Electronics and Information Technology (MeitY). In addition, 187 pages and accounts have been blocked for spreading content that could disturb peace and communal harmony.

The DGP made these remarks during a programme at the 1st Manipur Rifles Ground in Imphal, where Chief Minister Y. J. Khemchand Singh flagged off 477 newly inducted police vehicles, including armoured cars and two-wheelers. He said that the police have strengthened their social media outreach to counter fake news and

misinformation, with the official Facebook page reaching around 79,000 followers and X (formerly Twitter) reaching 27,000 followers. Speaking about the challenges faced since assuming charge in June 2023, Rajiv Singh said the state was going through one of its most difficult phases due to ethnic clashes between communities in the hills and valley. He noted that a comprehensive modernization plan for the police force was prepared and later approved, with the

Union Ministry of Home Affairs sanctioning 196.61 crore in October 2025 for strengthening security infrastructure, mobility, forensics, communication systems, and smart policing initiatives.

He added that the newly inducted vehicles would enhance mobility, response time, and

operational efficiency across both hill and valley districts. As part of distribution, 54% of the vehicles will be deployed in hill districts, while the rest will support valley regions and technical units. Highlighting capacity-building measures, he said the Manipur Police signed an MoU with the National Security Guard in June 2025 for special training.

Cyber fraud scam

THANE: A 70-year-old resident of Thane has allegedly been cheated of Rs 40.5 lakh by cyber fraudsters who posed as police officials and threatened him with arrest in a fabricated terror funding case. The victim, a former businessman from the Majiwada area, was targeted between April 9 and April 28, 2025.

According to police, three accused—Ram Rakhani Gaikwad, Prem Kumar Gautam, and Rakesh Agarwal—contacted the victim and introduced themselves as law enforcement officers. They allegedly instructed him to download a messaging application called "Signal" and communicated with him through video calls.

The fraudsters falsely claimed that the Anti-Terrorism Squad in Lucknow had registered a case against him and that suspicious money had been linked to his bank account. They further warned him of a pending arrest warrant and asked him to cooperate in a fake RBI verification process. Fearing

RUBIO'S VISIT TO TAJ MAHAL WITH WIFE

Marco Rubio and wife admire Taj Mahal

AGRA: Marco Rubio, along with his wife Jeanette Rubio, visited the Taj Mahal in Agra on a hot Monday morning during his four-day official visit to India. The US Secretary of State, accompanied by US Ambassador to India Sergio Gora, arrived at Kheria airport around 10 AM in a special aircraft and proceeded by road to a hotel near the eastern gate of the Taj Mahal before reaching the monument via golf cart under tight security arrangements. Rubio spent approximately one hour at the 17th-century marble mausoleum, a UNESCO World Heritage Site, admiring its architecture

and historical significance. He later signed the visitors' book, describing the Taj Mahal as "one of the love treasures of the world." The US Ambassador also joined him for photographs at the monument complex. Security was significantly heightened during the visit due to the high-profile nature of the delegation. Tourists already present inside the Taj Mahal were temporarily asked to exit the premises as part of security protocols, officials said. The visit proceeded smoothly under close coordination between local administration and security agencies.

House fire

HISAR: A fire broke out at the residence of former Haryana minister Kamal Gupta on Balamand Road, Hisar, on Sunday afternoon, officials said on Monday. The blaze reportedly originated in the drawing room on the first floor of the house, with a short circuit suspected to be the cause, though an investigation is underway. At the time of the incident, Gupta, his wife, and his mother were inside the house but in another room. He stated that they noticed smoke and flames around 4 PM, after which they immediately evacuated the premises. In a swift response, Gupta managed to safely escort his wife and mother out of the house via a neighbor's rooftop, ensuring everyone's safety. Two fire tenders were rushed to the spot and brought the blaze under control after nearly 30 minutes of effort. While no casualties were reported, the fire caused significant damage to furniture and other belongings in the drawing room.
