Rupee rises
63 paise to close at
95.73 vs USD

MUMBAI, May 22 (PTI)

THE rupee rose for the second consecutive session on Friday to close at 95.73 (provisional) against the US dollar on softening of crude oil prices and supposed intervention by the Reserve Bank. Forex traders said markets found some comfort after comments from US Secretary of State Marco Rubio hinted that diplomatic talks linked to the Iran situation were moving in a constructive direction.

Gold drops to
Rs 1.64 lakh/10g

NEW DELHI, May 22 (PTI)

GOLD prices retreated by Rs 600 to Rs 1.64 lakh per 10 grams in the national capital on Friday as tentative progress in US-Iran negotiations reduced precious metals buying, though unresolved tensions around the Strait of Hormuz kept traders cautious. Snapping a three-day winning streak, the yellow metal of 99.9 per cent purity depreciated by Rs 600 to Rs 1,64,900 per 10 grams (inclusive of all taxes).

Goyal meets officials, industry representatives
to discuss ways to boost manufacturing

NEW DELHI, May 22 (PTI)

AN INTER-MINISTERIAL meeting was held with industry associations to discuss ways to boost the country's manufacturing, Commerce and Industry Minister Piyush Goyal said on Friday.

He said that the Government is committed to working closely with the industry to expand manufacturing capacities, enhance quality standards and strengthen competitiveness.

A comprehensive meeting with officials from key ministries and leading industry associations was held to strategise on boosting domestic manufacturing, he said in a social media post.

The meeting comes at a time when the Government is working

ing with the industry to identify about 100 products -- including those from the auto, chemicals, plastics and petrochemicals sectors -- that are either not produced or manufactured inadequately in India, as part of efforts to boost domestic production.

The exercise is aimed at reducing the import bill of the country, as outflows of foreign exchange are impacting the value

of the domestic currency against the US dollar. The Indian rupee, on Friday, closed at 95.73 against the greenback.

The country's imports stood at USD 775 billion in 2025-26 as against USD 721.2 billion in 2023-24. India mainly imports crude oil, gold, silver, machinery, fertiliser, vegetable oil, chemicals, plastic materials, metals, transport equipment, and electronic

goods. The West Asia crisis has led to an increase in input costs for certain sectors like plastics.

India's industrial production growth decelerated to a five-month low of 4.1 per cent in March on account of subdued manufacturing growth and almost flat expansion in the power sector amid the West Asia crisis. Meanwhile, Goyal also co-chaired a meeting with minister of Ports, Shipping and Waterway Sarbanand Sonwal, on issues related to exporters, importers and port authorities.

"We are committed to ensuring coordinated, time-bound measures to address concerns and create opportunities to make Indian traders more competitive globally," he said in a separate post.

SBI advises customers to use
alternative mediums to transact

MUMBAI, May 22 (PTI)

THE country's largest lender SBI on Friday advised customers to use alternative mediums for transactions after a strike call by staff for early next week.

SBI has requested its over 52 crore customers to use automated teller machines, customer service points, and prefer online banking services like YONO and UPI by the lender.

The bank, which holds about a fifth of the share in the country's overall banking activities, said efforts are on to provide "essential services" in over 23,200 branches, as per a post on its handle on the micro-blogging platform 'X'.

It said the All India State Bank of India Staff Federation has given a notice for a two-day strike starting May 25. "We sincerely regret any inconvenience caused," the post from SBI said.

The staff has threatened the

strike to press for various demands, including the recruitment of adequate employees. If the strike materialises, it will affect SBI's banking operations nationwide for five days, as the fourth Saturday and Sunday fall before the strike date.

Besides, there will be a holiday in many states on account of Eid al-Adha on May 27, a day after the proposed strike ends.

The staff demands also include recruitment of messengers and armed guards, a change of pension fund management option to NPS Employees, as per an AISBISF statement. The body also demanded that the bank stop outsourcing permanent jobs, as it creates a direct risk of data leaks, misuse, fraud, and identity theft, endangering customer trust and exposing the bank to severe reputational and legal consequences.

Another demand concerns the appointment of the women's employee director on the board.
