

Public Schools will be set up in every Assembly segment: CM

'We are strengthening govt schools based on TG Education Commission report'

EXPRESS NEWS SERVICE @Hyderabad

CHIEF Minister A Revanth Reddy on Wednesday announced that Telangana Public Schools (TPS) will be established in every Assembly constituency to provide quality education and nurture sporting talent, with the aim of producing future Olympians and leaders.

Inaugurating the Telangana Public School at Arutla in Rangareddy district, the chief minister said the initiative was aimed at reviving the public education system and bringing out talented students with immense potential. He also took a swipe at the opposition BRS, warning that it could lose its status as the principal opposition party in the next Assembly elections if it continued to level what he described as false allegations against the government.

Revanth urged political opponents to visit the Arutla campus and assess the government's efforts to strengthen public education. Addressing the gathering, he dedicated the school to students of government institutions

across Telangana and said the same spirit would benefit the 27 lakh students studying in government schools statewide.

"We are strengthening government schools based on the recommendations of the Telangana Education Commission. Already, 1,814 students have enrolled in the Arutla TPS. It is

a matter of pride that a government school has had to put up a 'No Admission' board because of overwhelming demand," he said. Revanth praised the school's teachers for competing with corporate educational institutions and said the TPS initiative reflected the government's commitment.

Centre approves Srisailem elevated corridor project

K MADHU SUDHAKAR @Kurnool

IN a major boost to infrastructure and pilgrimage tourism, the Central Government has granted in-principle approval for a four-lane elevated corridor connecting Dornala in Andhra Pradesh with Brahmanapalli in Telangana.

The ₹12,000-crore project will span 86.74 kilometres along National Highway 765, linking Peddaraveedu-Srisailem (41.39 km) in Andhra Pradesh and Brahmanapalli-Srisailem (45.35 km) in Telangana. Officials say the corridor will reduce travel time, ease pilgrim movement and minimise ecological disturbances in the Nallamala forest by limiting direct human interference in sensitive zones.

Endowments Minister Anam Ramanaiah Reddy, speaking at a programme in Markapuram, described the highway as a landmark initiative balancing development with conservation. He said detailed planning is underway.

Authorities believe the project will strengthen regional tourism, improve access to the Srisailem temple and spur economic growth in surrounding areas.
