

DMK govt. failed to strengthen power infrastructure, says Sengottaiyan

The Hindu Bureau
COIMBATORE

Revenue and Disaster Management Minister K.A. Sengottaiyan on Friday alleged that the previous DMK government had failed to create adequate power infrastructure despite the steady increase in electricity demand across Tamil Nadu.

Speaking to reporters at Coimbatore airport, Mr. Sengottaiyan said electricity

consumption in the State had been rising continuously, but the infrastructure required to meet the demand had not been developed.

Though it had been claimed that more than ₹7,000 crore was spent on the power sector, only ₹627 crore had been allocated for infrastructure works, he alleged.

He said Chennai had infrastructure to handle only 3,500 MW of power, while

the city was currently consuming around 5,000 MW. The previous DMK government had relied on infrastructure created during the AIADMK regime and had not undertaken additional works to expand capacity, he claimed.

Mekedatu dam issue

On the Mekedatu dam issue, Mr. Sengottaiyan said that Chief Minister C. Joseph Vijay had clearly opposed the project and had

been consistently conveying Tamil Nadu's position to the Prime Minister through letters. He added that the Chief Minister had also urged Karnataka to release the Cauvery water due to the State.

Referring to the opening of Mettur dam, he said engineers had informed the government that the reservoir could be opened only after adequate water was available, as inflow remained low.

Private school teacher held for sending explicit contents to students

The Hindu Bureau
COIMBATORE

The police on Friday arrested a teacher attached to a private school here for allegedly sending explicit videos to students.

The arrested has been identified as V. Babu (34) of Dindigul. The police said that he was employed in a school at Kalapatti.

The parents of a student approached the All Women Police Station, Coimbatore East, with a complaint, accusing Babu of having shared explicit contents through a messaging platform. The police registered a case against Babu under different Sections of the Protection of Children from Sexual Offences Act and arrested him. Investigators found that he had sent similar contents to a few other students as well.

He was produced before a court and sent to judicial remand.

Awareness programme held

The Hindu Bureau
COIMBATORE

The Bureau of Indian Standards (BIS), Coimbatore Branch Office, organised a Manak Manthan programme on Friday on the draft Indian Standard on school shoes for boys and girls.

It was held to get inputs from manufacturers, industry representatives,

testing labs, educational institutions, and consumer organisations. Ramesh K., director and head, BIS Coimbatore, spoke on the significance of Quality Control Orders pertaining to footwear products and stressed the need for a dedicated Indian Standard for footwear to ensure quality, safety, and performance for products used by school children.
