Rupee falls 14 paise to close at 94.65 vs USD

MUMBAI, June 30 (PTI)

THE rupee depreciated by 14 paise to close at 94.65 (provisional) against the US dollar on Tuesday, as a strengthening greenback overseas and risk-averse investor sentiment weighed on the local unit.

Forex traders said the rupee slipped to 94.58 against the US dollar, driven by month-end corporate import demand and lingering risk-off sentiment. However, relatively stable global crude prices and anticipated central bank interventions supported the currency and restricted the slide. At the interbank foreign exchange market, the rupee opened at 94.60 against the American currency and finally closed for the day at 94.65 (provisional), registering a decline of 14 paise from its previous close.

Venkat Sitaram, Senior Director and Country Head, Infrastructure Solutions Group, India, Dell Technologies, said that while the locally manufactured products primarily serve the Indian market, the company will be open to exporting when the need arises. MSC to buy 49 pc in Adani's Vizhinjam port for \$1.4 billion

NEW DELHI, June 30 (PTI)

ADANI Ports and Special Economic Zone (APSEZ) on Tuesday said Switzerland-based MSC, the world's largest shipping transport and logistics conglomerate, will acquire 49 per cent stake in its Vizhinjam port in Keralam for about USD 1.4 billion.

Mediterranean Shipping Company (MSC) will make the acquisition through its arm Terminal Investment Limited (TiL). As per the deal, TiL will invest USD 1.397 billion, equivalent to its proportionate 49 per cent share of total deal value of USD 2.85 billion.

The strategic collaboration represents the single largest foreign private investment in Indian port infrastructure and cements Vizhinjam's emergence as a dominant transshipment gateway in

the Indian Ocean region, APSEZ said in a statement.

"APSEZ And MSC Group have entered into a definitive agreement under which MSC Group, via its container terminal operating and investing arm, TiL, will invest for 49 per cent interest in Adani Vizhinjam Port Private Limited (AVPPL), the concessionaire for Vizhinjam port," it said. The Vizhinjam port has a capacity of 1.6 million Twenty-foot Equivalent Unit (TEUs) and

is undergoing expansion that will increase its capacity 3.5 times to 5.7 million TEUs by December 2028.

The strategic collaboration will deliver significant advantages for APSEZ, including enhanced volume visibility and accelerated ramp-up ahead of plan, driven by additional cargo volume and higher share of Bangladesh cargo, largely dependent on competing Southeast Asian transshipment hubs.

This will strengthen Adani group's presence on East Africa trade routes and elevate relay cargo volumes.

Commissioned in December 2024, the Vizhinjam port is India's first deep-draft mega transshipment port with 1.6 million TEU capacity. It is strategically located just 10 nautical miles from the East-West shipping route connecting Europe, the Persian Gulf

and the Far East. The port features a natural draft of 18 to 20m, a 2.9 km breakwater, an 800m berth, and advanced infrastructure, including 8 quay cranes and 24 fully automated yard cranes.

During FY26, Vizhinjam port handled 1.3 million TEUs.

APSEZ also operates 4 international ports across Australia, Colombo, Israel and Tanzania.

APSEZ whole-time Director and CEO Ashwani Gupta said, "Vizhinjam port has emerged as a premier transshipment hub and ramped up at an unprecedented pace, becoming the first Indian port to earn the unique distinction of crossing 2 million TEUs within 18 months of operations."

TiL is one of the world's largest container terminal operators and part of the MSC Group comprising a portfolio of more than 100 container terminals.

Stock markets decline for 2nd day

MUMBAI, June 30 (PTI)

BENCHMARK stock indices Sensex and Nifty declined on Tuesday due to selling in IT, oil & gas and select banking shares amid uncertainty over the next round of US-Iran negotiations in Doha.

The 30-share BSE Sensex declined 249.70 points, or 0.33 per cent, to settle at 76,478.67, paring its opening gains. During the day, it fell by 398.98 points, or 0.51 per cent, to a low of 76,329.39. The 50-share NSE Nifty dropped 80.50 points, or 0.34 per cent, to end at 23,865.75.

The delayed onset and sluggish progress of the southwest monsoon, fresh foreign fund outflows and decline in blue-chip IT stocks weighed on market sentiment, analysts said. Among Sensex shares, Infosys, Tata Consultancy Services, HCL Tech, Tech Mahindra, ITC and Hindustan Unilever were the major laggards. Maruti, Titan, Bajaj Finance and Eternal were among the gainers.

Foreign Institutional Investors (FIIs) offloaded equities worth Rs 1,350.10 crore on Monday, according to exchange data.

Brent crude, the global oil benchmark, rose by 0.23 percent to USD 73.32 per barrel. "The domestic market remained in a consolidation phase, trading within a narrow range and exhibiting a mixed trend.

India's GDP likely to grow 7 pc, higher than earlier estimate

NEW DELHI, June 30 (IANS)

INDIA'S gross domestic product (GDP) growth in 2026 is expected to touch 7 per cent, up from an earlier estimate of 6.2 per cent in April, a report has said.

The report from Bank of America (BofA) Securities pegged India's growth in 2027 at 7 per cent. Moreover, it has projected international oil benchmark Brent crude will average \$72 a barrel in H2 2026 and \$65 per bbl in 2027, on the assumption that peace holds in West Asia.

Analysts at the global brokerage marginally upgraded their global growth outlook to 3.2 per cent for 2026 and 3.5 per cent for 2027, which is a 10-bps upward revision for both years compared to their April update.

"We also introduce our initial forecast for 2028 at 3.3 per

cent and mark down global inflation to 3 per cent this year, decelerating to 2.4 per cent in 2027 and 2.5 per cent in 2028," the report said. The global economy will likely be tested by tighter financial conditions emanating from the US going ahead, the report said, forecasting a 75 basis points (bps) of Fed hikes in 2026, starting in Sept. Due to the US-Iran peace deal, crude price correction and stronger-than-expected 1Q26 GDP prints overall, the firm expects "EM Asia (ex. China) growth to expand by 5.9 per cent in 2026 (versus April projection of 4.9 per cent), before expanding by 5.8 per cent in 2027".

The report mentioned the global economy being driven by US President Donald Trump's policies, the artificial intelligence (AI) boom, China's overcapacity, fiscal imbalances, and excess global liquidity.

Govt keeps interest rates on small savings schemes unchanged

NEW DELHI, June 30 (PTI)

THE Government on Tuesday left interest rates unchanged for various small savings schemes, including PPF and NSC, for the ninth straight quarter, beginning July 1, 2026.

"The rates of interest on various Small Savings Schemes for the second quarter of FY 2026-27, starting from July 1, 2026, and ending on September 30, 2026, shall remain unchanged from those notified for the first quarter (March 1, 2026, to June 30, 2026) of FY 2026-27," the Finance Ministry said in a notification.

As per the notification, deposits under the Sukanya Samridhi Scheme will attract an interest rate of 8.2 per cent, while the rate on a three-year term deposit remains at 7.1 per cent in the current quarter.

The interest rates for popular public provident fund (PPF) and post office savings deposit schemes have been retained at 7.1 per cent and 4 per cent, respectively.

The interest rate on the Kisan Vikas Patra will be 7.5 per cent, and the investments will mature in 115 months.

The interest rate on the National Savings Certificate (NSC) will stay at 7.7 per cent for the July-September quarter.
