

Tripura Launches NE's First MEMU Train Service Between Agartala and Karimganj

Mizoram CEO Rejects Allegations of Foreign Nationals in Electoral Rolls

Agartala, July 4: Tripura achieved a major milestone in railway connectivity on Saturday, July 4, as Chief Minister Manik Saha inaugurated the Northeast's first Mainline Electric Multiple Unit (MEMU) train service connecting Agartala with Karimganj.

The newly introduced MEMU train has a seating capacity of 3,600 passengers and is equipped with CCTV surveillance and GPS-based tracking systems to improve passenger safety and enhance travel convenience. Flagging off the service in Agartala, Saha expressed gratitude to Prime

Minister Narendra Modi and Union Railways Minister Ashwini Vaishnaw for their continued support in strengthening railway infrastructure across Tripura. He described the launch as a landmark development that would significantly improve connectivity between Tripura and neighbouring regions.

Highlighting the progress of the state's railway network, the Chief Minister noted that rail connectivity has already been extended to Sabroom, Tripura's southernmost subdivision. He said Sabroom is poised to become an important gateway

According to Saha, the proposed double-line corridor will facilitate the operation of additional train services to and from Agartala. The state has also submitted proposals for introducing direct train services from Agartala to Jammu, Gaya and Puri.

Transport Minister Sushanta Chowdhury said Tripura currently has 18 train services, comprising 13 express trains and five Diesel Electric Multiple Unit (DEMU) services. He reiterated the government's commitment to expanding transport infrastructure and improving connectivity as part of its broader development agenda.

Saha also said the Agartala-Akhaura rail link is expected to be commissioned soon, paving the way for smoother rail connectivity between India and Bangladesh.

The Chief Minister further revealed that the state government has proposed the construction of a double railway line between Chandranathpur and Sabroom. He said the final location survey for the 263-kilometre project has been completed, while the detailed project report is in its final stage.

Addressing the media after the conclusion of the Special Intensive Revision (SIR) of electoral rolls, Gupta said the exercise commenced on May 20 and concluded on June 28, during which all enumeration forms were successfully digitised.

She said the verification process led to the deletion of more than 46,000 names from the electoral rolls following detailed scrutiny.

Ishwar Sri Sri Hati Satra Organises Summer Workshop on Khol and Borgeet

Sualkuchi, July 4: The Cultural Cell of Ishwar Sri Sri Hati Satra in Sualkuchi has organised a 12-day summer workshop on Khol and Borgeet for students during the summer vacation with the aim of promoting Assam's traditional cultural heritage.

According to the organisers, training in Khol will be conducted from July 5 to July 11, while Borgeet classes will be held from July 12 to July 15. Both sessions will take place daily from 10 am to 12 noon.

The workshop will be led by Burha Satriya of Ishwar Sri Sri Hati Satra, Rajib Lochan Santa, along with noted Satriya exponent and Sangeet Natak Akademi Award recipient Gunin Oja of Barpeta. Other resource persons include Himangshu Kalita, Rupam Das and Anurag Das, all from Sualkuchi.

The Cultural Cell also announced that training in Yugal Prasanga will commence from the first day of the Assamese month of Bhado. The sessions will be held every night from 8 pm under the guidance of Burha Satriya Rajib Lochan Santa.

Organisers have invited interested participants to enrol in the programme and seek further information through the contact numbers released by the Cultural Cell.

Science-Based Mushroom Cultivation Training Held in Assam's Orang to Promote Women's Self-Reliance

Udalguri-Sonitpur, July 4: A two-day training workshop on scientific mushroom cultivation commenced at Orang in Udalguri district on July 4, with the aim of equipping women with practical skills to generate sustainable livelihoods through mushroom farming. The programme was jointly organised by the Udalguri District Agriculture Department and the Agricultural Technology Management Agency (ATMA) under the 47 No. Mazbat Legislative Assembly Constituency. Around 30 women from the Orang area took part in the workshop.

The training focused on scientific techniques of mushroom cultivation, covering production methods, disease and pest management, preservation and marketing. The initiative is intended to encourage women to become economically self-reliant by creating additional income opportunities through scientific mushroom farming.

The inaugural session was attended by Block Technology Manager Ziaul Ahmed, Assistant Technology Manager Lohit Rabha, resource person Chakan Chandra Bora and progressive farmer

Namita Chahariya. The speakers conducted detailed technical sessions on different aspects of mushroom cultivation and shared practical knowledge with the participants. Members of the Bodd Industrial Cooperative Society actively participated in the workshop, contributing to the successful conduct of the training programme.

The organisers expressed hope that the knowledge gained during the sessions would encourage more women to adopt mushroom cultivation as a viable income-generating activity.

The clarification came after the Mizo Zirlai Pawl (MZP), a prominent student organisation, raised concerns over an alleged 121 per cent increase in the number of voters in Chakma-majority areas, particularly in southern Mizoram. Gupta rejected the allegations, maintaining that the revision had been conducted strictly in accordance with the prescribed procedures and that the electoral rolls had undergone comprehensive verification.

She added that the Election Commission had not found any irregularities in the revised electoral rolls after the completion of the verification exercise.
