

Day before NEET re-test, 19-year-olds die by suicide in Hyderabad

Nikhil Henry
Hyderabad, June 21

A DAY before the NEET re-examination, a 19-year-old medical aspirant died in an apartment in Hyderabad on Saturday, in what police said was a case of suicide.

According to police, a note was found at the spot, in which 19-year-old Sheikh Sana wrote, "No one is responsible for my death. I am taking my life".

Sana's parents live in Kuwait, and she was living in an apartment in Hyderabad's Miyapur with her two younger siblings.

Their aunt (mother) said Sana, who lives close by, would take care of the children, Inspector P Shiva Prasad told *The Indian Express*.

According to officials, on Saturday, the three girls ordered breakfast through an online app and ate it. Then, Sana went into her room and locked it to study for the exam, her

younger siblings, who are in classes 10 and 6, told police. "In the afternoon, the siblings knocked on Sana's door to call her for lunch. She did not open," Inspector Prasad said. The NEET re-test, which Sana was scheduled to appear for, is being held on Sunday, June 21, after the original exam held on May 3 was cancelled following allegations of a question paper leak.

Police say they believe Sana was under "academic pressure". She is believed to have died at around 1.30 pm. "We were informed of the suicide by evening," said Prasad. "She was preparing for NEET for a year. We think that the academic pressure brought a lot of mental trouble for the young woman," the inspector said.

There has been a string of suicides associated with NEET across the country, but Sana's is believed to be the first one in Telangana.

Jharkhand reposes trust in Nitish Kumar, calls Nishant its future

Press Trust of India
Patna, June 21

THE JD(U) on Sunday lauded its national president Nitish Kumar for "setting an example of smooth power transition" in Bihar and announced that it now saw its "future" in the former chief minister's son Nishant.

This was stated at a press conference addressed by JD(U) national spokesman Rajiv Kumar. Prasad said the meeting of the party's national council, which followed the state council meeting held earlier in the day.

Prasad said that the national council had ratified the election of Kumar as national president, in organisational polls held earlier this year, and also "authorised" him to set up a trust for managing "movable and immovable assets of the party".

The party was unanimous in its praise for Nitish Kumar, who has set an example of

smooth power transition in Bihar. His relinquishing the post of CM was an instance of political prudence and credibility," said the JD(U) spokesman.

Notably, Kumar, who had been Bihar's longest-serving chief minister, announced his decision to step down in March, days after celebrating his 75th birthday, and gave up the post a month later, after getting elected to the Rajya Sabha.

The JD(U) supremo, whose move was initially viewed with consternation by party colleagues, received a rousing welcome upon arrival for the meeting, in what was seen as a renewed hope among the cadres, who were excited at Nishant's entry into active politics.

The party's resolution, copies of which were shared with the media, likened the septuagenarian to "Rajnarayan Janak", the ancient king of Mithila whose saintly disposition had earned him the sobri-

quet "Vidha" (one who has ceased to identify with one's body).

Prasad also quoted a statement given by Sanjay Kumar Jha, the JD(U)'s working president, who said that it was "old but apparent" that "our future for the next three to four decades".

Earlier, senior party leader and Bihar minister Sunil Kumar had told reporters that the state council had passed a resolution that sought a "bigger role in the party for Nishant", who holds the Health portfolio in the Samrat Choudhary government.

Bihar minister defends 'Saraswati Gyan Niketan' schools amid Opp fire

Santosh Singh
Patna, June 21

AS THE Bihar government's proposed "Saraswati Gyan Niketan" model schools draw opposition charges of saffronisation of education, Education Minister Mitlesh Tiwari has hit back, saying the Congress and the RJD "cannot look beyond the RSS".

The government's decision to name its proposed model schools 'Saraswati Gyan Niketan' has drawn opposition backlash. Under the state's 'Unnat Shiksha-Ujjwal Bhavishya' programme, one such school will be developed in each of Bihar's 534 blocks. The

row centres on the name, which resembles Saraswati Vidya Mandir and Saraswati Shishu Mandir schools run by the Rashtriya Swayamsevak Sangh's education wing.

Speaking to *The Indian Express*, Tiwari said the initiative aimed not only at creating high-quality infrastructure but also at restoring the Indian knowledge system and promoting cultural nationalism, while attracting meritorious students back to government schools. "Our idea behind opening model high schools is to bring good students back to government schools. While we offer them regular school syllabus, we will prepare them sim-

ultaneously for competitive examinations with the best of teachers and in extra shifts if needed."

Asked whether the model schools would follow a distinct syllabus, the education minister said, "It would be in complete sync with the New Education Policy. Our idea is to restore and strengthen the Indian knowledge system and take pride in cultural nationalism." He also dismissed the Opposition's allegations that the government was following an RSS model. "The RJD and other Opposition parties can not look beyond the RSS angle to anything being done in the name of education reforms."
