State cabinet gives nod for 30-acre land for HC complex

Labour Reforms, Livestock Subsidy Among Key Decisions

Kautilya.Singh
@timesofindia.com

Dehradun: Uttarakhand cabinet which met on Friday approved a 30-acre land in Gaulapar area of Haldwani for the high court (HC) complex. Notably, the HC complex has to be shifted from Nainital following Supreme Court's nod to the move last month. The cabinet also approved a proposal to bring the general category (GC) livestock rearers under the ambit of the animal husbandry department is the Gau Palan Yojana. GC will now be benefited, subsidies will be provided for buffaloes along with cows, and the unit cost of cow/buffalo will be increased from Rs 40,000 to Rs 60,000.

Under the scheme, for SC/ST, the state govt's subsidy share will remain 90% (Rs 54,000) as before and the beneficiary share will be 10% (Rs 6,000). For livestock rearers of the GC, the state's subsidy share will be 60% (Rs 36,000) and the beneficiary share will be 40% (Rs 24,000). In the first year, about 2,128 (SC/ST and general) livestock rearers will be benefited and the estimated expenditure burden will be about Rs 9.7 crore.

Cabinet clears path for Ganga expressway extension to Haridwar

Kautilya.Singh
@timesofindia.com

Dehradun: Uttarakhand cabinet on Friday officially cleared the way for the Ganga Expressway's extension from Meerut to Haridwar. The state govt has given its nod for an MoU regarding this with neighbouring UP for the key project.

Terming it as an "important decision which will vastly benefit pilgrims, particularly from UP and Uttarakhand", CM Pushkar Singh Dhami said, "People visit Haridwar in large numbers, and from here (Uttarakhand) they go to Prayagraj and other places of pilgrimage. Extension of the Ganga Expressway will reduce their travel time."

Dhami further said that "it will benefit industrial investment, trade and employment generation."

The distance between Meerut and Haridwar is about 153-km and it takes roughly three hours to cover the distance. Once complete, the travel time is expected to be around 90 minutes.

The 594-km long expressway currently connects Meerut with Prayagraj and helps reduce the travel time from 12 hours to about six. The Rs 36,320 crore worth six-lane greenfield project also connects a number of UP districts. The ambitious project was inaugurated by PM Narendra Modi on April 29, this year.

Director general (information) Bansidhar Tiwari told **TOI**: "This project will significantly reduce travel time and transportation costs. It will also make freight and passenger transport more convenient, safe and efficient."

The cabinet further decided to promulgate the Uttarakhand Wage Code Rules, 2026 for the welfare of workers and simplification of labour laws. The new Rules will protect economic and social interests of lakhs of workers in the organised and unorganised sectors of the state. The new rules provide for minimum wages, wages for overtime to be payable at two times the rate, mandatory payment of wages by the 7th date of each month, payment of wages via digital means, provision for an accessible mechanism for disposal of claims and ensuring equal wages for equal work for men and women by ending wage arrangements based on gender inequality.

For ensuring an increase in eco tourism activities and other related works, the composition of the high power committee (HPC) headed by chief secretary has been revised by the cabinet. The committee will now also include senior forest officials as members. It also gave nod for the creation of 122 posts for the smooth functioning of Uttarakhand State Sports University, Gaulapar Haldwani.

Moreover, the cabinet gave permission to amend the "Dineshpur Tatha Shaktifarm (Udham Singh Nagar)..." to provide financial help to economically weaker students belonging to SC of Bengali origin residing in Dineshpur and Shaktifarm of Udham Singh Nagar district.

The cabinet also approved amendments to Uttarakhand Forest Development Corporation Service (Amendment) Regulations, 2026, under which now a written examination of 100 marks will be conducted for the post of Scaler, in which 50 marks have been prescribed for General Science and 50 marks for General Mathematics.

NGT seeks reply on 'sewage discharge' into Bhagirathi

Pankul.Sharma
@timesofindia.com

Dehradun: National Green Tribunal on Friday directed Devprayag municipal council to submit a detailed report addressing allegations of untreated sewage and septage being discharged into Bhagirathi river in Tehri Garhwal district.

A bench headed by NGT chairperson Justice Prakash Shrivastava observed that the plea raised a substantial question relating to compliance with environmental norms and listed the matter for hearing on Oct 16.

The application, filed by Priyank Karnatak, a tirth purohit at Badrinath Dham, alleged that untreated sewage from public toilets and nearby drains was polluting the river near the Devprayag Sangam, where Bhagirathi and Alaknanda meet to form Ganga.

The plea submitted that public toilets constructed near Okaranand Public School for pilgrims were discharging untreated sewage and septage directly into Bhagirathi. Photographs of the site were also submitted to support the allegations.

NGT impleaded Tehri Garhwal DM, member secretary of Uttarakhand Pollution Control Board, state environment secretary and Devprayag municipal council through its chief executive officer and issued notices seeking their responses.

Man gets life term for dowry death of pregnant wife

Mohammad.Dilshad@timesofindia.com

Muzaffarnagar: A local court in Muzaffarnagar on Friday sentenced a 30-year-old man to life imprisonment for dowry death of his eight-month-pregnant wife (25) on April 20, 2024, holding that he subjected her to cruelty that led to deaths of both the woman and unborn child. The court, however, acquitted his parents after finding that the prosecution failed to establish the charges against them.

ADGC Kuldeep Kumar said, "The convict, Rashid Khan, was also fined Rs 45,000 by the additional district and sessions judge in the case involving his wife, Shabana, and his parents, Zahid and Jaibuni."

As per the prosecution, Shabana, a resident of Asara village in Baghpat district, married Rashid of Kaserwa village on May 28, 2020. Despite receiving a dowry according to the bride's family's means, Rashid allegedly continued to demand more and repeatedly subjected her to physical and mental harassment.

In April 2024, when Shabana was eight months pregnant, she was allegedly assaulted again.

Her uncle was scheduled to take her back to her parental home, but she died before he could do so.

Engr lecturer, bro, mom get life terms for killing wife's brother

Dehradun: The court of the additional sessions judge-I has sentenced Dehradun resident Mukesh Mohan Bahuguna along with his brother Akhilesh Mohan Bahuguna and mother Vimla Devi to rigorous life imprisonment for the murder of his wife's brother. A Rs 20,000 fine was also imposed on each of the convicts.

Archana had married Mukesh Mohan — an engineering college lecturer — in March 2017.

On the night of May 28, 2020, Archana called her sister to inform her that she was being thrashed. Then, her brothers Ajay, Vijay and sister Saraswati arrived at her in-laws' house, where the incident happened.

After hearing arguments, judge Kanwar Amninder Singh found the accused guilty and sentenced them to life imprisonment. **Pankul Sharma**

PWD executive engr suspended over Nanda ki Chowki road collapse

Tanmayee.Tyagi@timesofindia.com

Dehradun: Ten days after the approach road to the newly built Nanda ki Chowki bridge collapsed, the executive engineer of public works department's provincial division, Dehradun, has been suspended. Preliminary investigation report shows the design consultant failed to provide a design for the river diversion work.

"The design consultant should have provided measures for river training, considering the bed's cross-slope and the meandering nature of the river, which were not given. As a result, the river flow concentrated toward a single span, causing heavy scouring upstream of the abutment. This created a cavity in the approach road, leading to its damage," the report read.

Sukanta Mukherjee

Bridge, built at a cost of Rs 16 crore, was opened to public on July 12

An order issued by PWD secretary Pankaj Kumar Pandey stated that Rajesh Kumar, who was overseeing the project, failed to perform necessary technical supervision, maintain quality control, enforce contractual conditions, and properly discharge his duties. The order noted that this prima facie indicates gross negligence toward govt work, lax supervision and a serious lapse in official responsibilities.

"Since the matter is serious, a major penalty may be imposed on him. Under the provisions of Rule 4(1) of Uttarakhand Govt Servants (Discipline and Appeal) Rules, 2003, (as amended), Kumar is suspended with immediate effect," Pandey ordered.

Kumar has been attached to the PWD chief engineer office in Dehradun. Pandey had directed the chief engineer on July 28—when the bridge collapsed—to conduct an inspection and submit a findings report within three days. **TOI** reported earlier this week that even after eight days, no accountability had been fixed for the collapse, nor had action been taken against the contractor.

Body left hanging from 40ft power tower for 6 hours

Rahul.Singh1@timesofindia.com

Meerut: The body of a 40-year-old man remained hanging from a 40ft-high 400kV high-tension transmission tower in Badaun's Bisauli area for nearly six hours on Thursday as police and electricity department officials waited for a power shutdown before retrieving it, officials said on Friday.

Nanhe Yadav, a daily wage earner from Ranet village, was found hanging by a rope from the transmission tower in Firozpur forest around 3.30pm after villagers spotted him and then alerted police.

Bisauli SHO Kamlesh Mishra said continuous rain had left the fields waterlogged, while the live transmission line made any attempt to retrieve the body unsafe. "Neither police nor rescue personnel could climb the tower until the power supply was shut down," he said.

Investigators contacted the electricity departments in Badaun and Sambhal to obtain a shutdown. Once power was disconnected, department personnel climbed the tower and brought the body down, after which it was sent for postmortem. Yadav is survived by his wife and two children. "The family has alleged that Nanhe was murdered. We are investigating all angles, including suicide," Mishra said.

Executive engineer Roshan Lal said the tower is part of a 400kV line operated by the Sambhal transmission division and the body could be retrieved only after the mandatory shutdown was approved under safety norms. "The shutdown was delayed because of the technical procedures involved. It took more than five hours for the team to reach the spot, complete the process and disconnect the power supply," Lal said.
