

TN Assembly adopts resolution urging Centre to make Tamil the official language in Madras HC

UNITED NEWS OF INDIA
Chennai, 3 September

The Tamil Nadu Assembly on Thursday adopted an unanimous resolution urging the union government to recognise Tamil as the official language of the Madras High Court.

Moving the resolution, Chief Minister C. Joseph Vijay said in the present context, where Artificial Intelligence (AI) technologies have advanced to the extent that speech in Tamil could be simultaneously rendered and heard in English, this House feels that this matter needs to be reconsidered in keeping with the current technological developments and unanimously urged the

union Government to recognise Tamil as the principal language of the Madras High Court (HC). After a lengthy debate, Speaker JCD, Prabhakar said: "The Constitution of India, while upholding the federal principle and recognising the multilingual and multicultural character of India, provides various legal avenues for the States to use their respective official languages. Under Section 2 of the TN Official Language Act, 1956, Tamil has been declared as

the official language of the State of Tamil Nadu. Hoped out that Sections 4-A and 4-B of the TN Official Language Act, legal recognition has been provided for recording evidence in Tamil and for issuing judgments, decrees and orders in Tamil in the civil and criminal courts, tribunals, rent courts and revenue courts functioning under the HC. It said Article 348(2) of the Constitution of India provides a constitutional mechanism whereby the Government of a State, with the previous consent of the President of India, may authorise the use of the official language of the State in the proceedings of the HC.

Further, Section 7 of the Official Languages Act, 1963, provides for the use of the official language of a State, in addition to English in judgments, decrees and orders of the High Court, subject to the satisfaction of the Governor of the State with the previous consent of the President of India. Tamil, one of the world's ancient languages, possessing a grammatical and literary heritage spanning several millennia and continuing to be spoken by approximately 9 crore people worldwide and about 8 crore people in India, Vijay said moving the resolution.

'Vijay's 2029 PM pitch is MLAs' wish':
Chennai: Amid reports of growing tensions between the ruling TVK and its ally - Congress, over Vijay as PM face narratives, TN Food and Civil Supplier Minister and TVK Treasurer P. Venkataratnam on Thursday sought to downplay it saying, it was the wish of some party MLAs and that it was not the official stand of the party.
