

Crusher machine collapses in UP's Mirzapur; 4 dead

According to preliminary information, plant owner and other employees were not present when the accident occurred

TIMES NEWS NETWORK

Lucknow: Four workers were killed after a heavy part of a machine at a crusher plant collapsed and buried them under debris in Mirzapur's Ahraura area Saturday. The accident occurred around 3pm, triggering rescue and relief operations by the police and district administration.

The deceased were identified as Bal Bahadur, Ashok, Rakesh and Duryodhan, all residents of Bargawan area under Chunar police station.

Mirzapur superintendent of police Aparna Rajak Kaushik said that the officials are also examining the circumstances under which the machine component collapsed.

Senior officials, including SP Operations Raj Kumar Meena and circle officer Mohamad Faheem, inspected the accident spot. According to preliminary information, the plant owner and other employees were not present at the site when the accident occurred. Police are questioning people to ascertain what happened and whether adequate safety measures were in place.

UP chief minister Yogi Adityanath took cognisance of the accident and expressed condolences to the bereaved families. He also directed the senior officials to expedite relief and rescue operations. He also instructed officials to communicate with the bereaved families and ensure that all possible assistance, including appropriate compensation, is provided to them.

na and circle officer Mohamad Faheem, inspected the accident spot. According to preliminary information, the plant owner and other employees were not present at the site when the accident occurred. Police are questioning people to ascertain what happened and whether adequate safety measures were in place.

UP chief minister Yogi Adityanath took cognisance of the accident and expressed condolences to the bereaved families. He also directed the senior officials to expedite relief and rescue operations. He also instructed officials to communicate with the bereaved families and ensure that all possible assistance, including appropriate compensation, is provided to them.

India's GDP growth reflects its economic strength: Modi

Continued from P 1

India's 7.8% GDP growth amid global uncertainty reflects its economic strength, Modi said, adding those responsible for pushing India into the 'Fragile 5' are now unable to digest it.

"The PM noted that people have revisited his 2013 address and even today the impact of that address remains intact."

"I would urge the youth to look at what the situation was back then, in 2013, and look at the headlines of that time. Newspaper headlines were filled with Indian soldiers killed along the LoC, World Bank lowers India's growth forecast, current account deficit at an all-time high, inflation rate at 10%," "I am sure the youth is not aware of what the situation was like then."

PM Narendra Modi interacts with children during a metro ride to attend the centenary celebrations of SRCC in New Delhi on Saturday

ence. When an institution completes 100 years, it becomes an ocean of achievements. SRCC has shaped generations and connected them to a brighter future.

"In its 100-year journey, Shri Ram College of Commerce has shaped generations, connecting them to a bright future. Those who came, studied, those who left, they left sculpted. SRCC alumni have been very special. In your language, they are OGs," he said.

Prime Minister Narendra Modi also released a commemorative Rs 100 coin to mark the SRCC's centenary celebration.
