

MARATHA RESERVATION | Special camps planned from Sept 10 to 17 to help citizens access Kunbi records and certificates

3.16L Kunbi certificates issued in Marathwada

FPJ News Service

CHHATRAPATI SAMBAHAJINAGAR

The government is taking continuous steps to expedite the process of issuing Kunbi, Maratha-Kunbi and Kunbi-Maratha certificates in Marathwada. Of the 3,17,569 applications received so far, Kunbi certificates have been distributed to 3,16,977 citizens.

Furthermore, of the 21,051 applications received for caste verification, certificates have been issued in 16,110 cases. Speaking to journalists at the Smart City office on Wednesday, Uday Samant, Minister for Marathi Language and Industries, said the government's process was transparent and that it maintained a positive stance on providing legal and sustainable reservation for the

Maratha community. MLA Prasad Lad was also present.

Providing details of the action taken in Marathwada following the establishment of the Shinde Committee, Samant said the process of issuing Kunbi certificates had been expedited across the eight districts of Chhatrapati Sambhajanagar, Jalna, Parbhani, Hingoli, Nanded, Beed, Latur and Dharashiv. A total of 3,17,569 applications were received, of which

3,16,977 certificates have been distributed. He added that 2,95,305 certificates had been issued in connection with the 10% reservation.

Regarding caste verification, Samant said 21,051 applications had been received from Marathwada. Of these, 16,110 cases had been resolved and certificates issued. Only 64 cases were rejected, accounting for around 0.3% of the total applications. Action on the remaining cases is

underway as per the rules, and the administration has been instructed to assist citizens in completing the necessary formalities.

The government has made old records available to facilitate the process. So far, 57 lakh records have been made accessible for public viewing. Special camps will be organised from September 10 to 17 to take this information to the gram panchayat level and ensure citizens can easily access the required records.

Samant said information on the administrative action, available records, certificate distribution and caste verification was being conveyed to the concerned stakeholders. He added that measures were being continuously implemented to make the processes more efficient, transparent and citizen-centric.

Gold jewellery stolen from teacher's house

FPJ News Service

CHHATRAPATI SAMBAHAJINAGAR

Two thieves allegedly broke into a teacher's house in broad daylight and escaped with gold jewellery weighing around three to three-and-a-half tolas. The incident occurred on Wednesday afternoon at Sara Green Society in CIDCO Waluj Mahanagar-1. The burglary took place within 15 minutes, while the suspects were captured on CCTV cameras fleeing the society on a two-wheeler.

Avinash Suradkar lives with his wife and daughter at Flat No. 10, Wing 2, Sara Green Society. He is an art teacher, while his wife works at a company. Suradkar left for school around 7.30am on Wednesday, as usual. His wife locked the house and left for work at around 9.30am. Their daughter had gone to her grandmother's house, leaving the house unoccupied.

Taking advantage of the situation, two thieves arrived at the society on a two-wheeler at around 2.50pm. They allegedly broke the door lock using a cutter and entered the house. According to Suradkar, the thieves ransacked the house and stole gold jewellery kept in a cupboard. The suspects allegedly completed the theft within 15 minutes and fled on their two-wheeler. After receiving information about the burglary, MIDC Waluj police rushed to the spot and inspected the premises. Police examined CCTV footage from the society, which captured the suspects arriving and leaving on their two-wheeler.

Gram Rozgar Sevaks protest assault, excessive liabilities

FPJ News Service

BEED

Protesting an alleged physical assault on an on-duty colleague and the imposition of disproportionate administrative liabilities, Gram Rozgar Sevaks from across Beed district took out a march to the Collectorate on Wednesday to press for their demands.

Submitting a memorandum to the authorities, the Viksit Bharat - Rozgar and Aajeevika Mission (Gramin) Hama Gram Rozgar Sahayak Sanghatana (Beed district) demanded swift criminal action against the assailants, administrative safeguards and a clear demarcation of their official duties.

The association demanded that police immediately register an FIR under relevant provisions of the Bharatiya Nyaya Sanhita (BNS) and other applicable laws against those who allegedly assaulted a Gram Rozgar Sahayak and obstructed a public servant

from discharging official duties.

The memorandum highlighted growing discontent among field workers over being held accountable for technical and clerical discrepancies beyond their remit. The association said a Rozgar Sahayak's duties are limited to marking muster attendance for unskilled labourers and handling basic village-level employment guarantee work.

It said technical responsibilities, including measuring skilled works, recording Measurement Book (MB) entries, preparing estimates and bills, and conducting quality inspections or granting technical sanctions, fall under the purview of technical and administrative officers.

The association also demanded rectification of software issues in the National Mobile Monitoring System (NMMS), an end to its integration with third-party applications and an end to penalising Rozgar Sahayaks for server or

app downtime.

Other demands included the appointment of independent technical supervisors for skilled construction works, termination of irregular appointments of additional Rozgar Sevaks, reinstatement of Sevaks whose services were paused or discontinued despite completing mandatory E-KYC, and speedy disposal of pending departmental appeals.

The association also demanded that supervising engineers and administrative officers be held equally accountable in cases of project irregularities instead of singling out Gram Rozgar Sahayaks.

The association warned that if its demands were not addressed after an impartial inquiry, it would intensify the agitation through district-wide protests and indefinite dharnas. It held the district administration responsible for any disruption to rural employment schemes resulting from the agitation.
