SC Stays HC Ruling on Tax Reassessment

Reassessment proceedings to remain stayed till final disposal of case

New Delhi: The Supreme Court on Friday stayed the High Court's order in a tax reassessment case, stating that the reassessment proceedings should remain stayed till the final disposal of the case. The court's decision is a relief to taxpayers who had been facing uncertainty over the reassessment proceedings. The court also directed the revenue authorities to complete the reassessment proceedings within a specified time frame.

Fight Spam Calls with AI, Trail Tells Telcos

Our Bureau

New Delhi: The Telecom Regulatory Authority of India (TRAI) on Friday strengthened its framework to combat unsolicited commercial communications (UCC) by mandating telecom operators to use artificial intelligence (AI) and machine learning to detect suspected spam calls and introducing a termination charge on automated calls. The move is aimed at reducing the骚扰 caused by spam calls and protecting consumers from fraudulent activities.

FMCG Distributors Write to PM Seeking Zero-MDR on UPI, Cite Thin Margins

Our Bureau

New Delhi: The All India Consumer Products Distribution Federation, which claims to have around 430,000 FMCG distributors as members, on Friday wrote to Prime Minister Narendra Modi, expressing its opposition to the proposed merchant discount rate (MDR) on UPI transactions. The federation argued that the MDR would significantly reduce the already thin margins of small retailers and distributors, leading to a loss of livelihoods.

Association urged govt to address the implications of calculating the MDR on gross payments made to retailers

The association requested the government to address the implications of calculating the MDR on gross payments made to retailers. It argued that this method would be unfair to small retailers and distributors, as it would not take into account their actual costs and margins. The association also requested the government to consider alternative methods for calculating the MDR that would be more equitable for all stakeholders.
