

# Just focus on vote bank politics: PM to BJP members

## Big push for cheaper anti-cancer generics

### 'Draw Inspiration From Mahatma Gandhi On Social Reforms'

Times News Network

New Delhi: Prime Minister Narendra Modi on Friday asked BJP members to draw inspiration from Mahatma Gandhi to blend social reforms with their political work instead of focusing on vote bank politics.

"When we look at Mahatma Gandhi's life, we see he fought against the British and led the freedom movement. But he was also a great social reformer. He always worked against social evils. We as political workers too should not merely focus on vote bank politics and other things to continue as they are. We must continue working for social reforms," Prime Minister Narendra Modi said.

He was interacting virtually

PM Modi interacts with Bihar voters undertaking a bike yatra via a video conference on Friday

PM Modi interacts with Bihar voters undertaking a bike yatra via a video conference on Friday

ally with participants of 'Seva Yatra', a motorcycle rally from Varanasi to Vadnagar organised by BJP to mark his 70th birthday and his continuous stint of 26 years as head of government.

The Prime Minister Narendra Modi drew from his own experience as a frequent traveller across the length and breadth of India, and said it has deeply enriched his life and values.

"The message of service should be spread not merely by our words but action," he

### PM Modi joins 'Bhajan clubbing' trend

Mixing modern trend with tradition, PM Narendra Modi Friday evening attended a 'bhajan clubbing' at a park named after BJP ideologue Deen Dayal Upadhyay to pay him tributes on his 116th birth anniversary.

Attended by a young cohort, whose embrace of bhajan clubbing has made it a big trend, especially among the urban youth, across the country, the event drew praise from Modi.

"Bhajan Clubbing in Delhi. Spectacular," he said of the event which saw live performance by a band. Bhajan clubbing has a concert-like feel and hosts devotional songs, with its popularity shining a light on the growing traction of religiosity in the younger demographic who has chosen to shape it in its own style. Modi's participation marks his continuous engagement with the Gen Z crowd at a time when his political opponents are trying hard to woo them as well.

said, highlighting the felicitation of sanitation workers and other service-oriented programmes to make his point. Serving people is serving the country," the Prime Minister said, adding that BJP ideologue Deen Dayal Upadhyay, whose birth anniversary fell on Friday, paid serving people at the core of his ideology.

The Prime Minister praised those who carried out the cleanliness work in Prayagraj, noting that their efforts made the 'Kumbh Mela' famous worldwide for sanitation and elevated India's honour.

"So, I felt compelled to wash the feet of those who have enhanced India's honour and brought their blessings," he said.

Prime Minister Narendra Modi also said the gap between cities and villages in India has significantly narrowed and infrastructure in villages has improved to a great extent. He said self-reliance among villages has also increased in the country.

### Despite India Sales Accounting For Just 0.5% Of Meds' Global Revenue

Reena Nagarajan  
@timesofindia.com

Data on two life-saving breast cancer drugs in India shows that the revenue earned is less than 0.5% of the total global sales revenue from these drugs. Yet, Novartis and Lilly, which hold the patents, have opposed patentation in India. The government is seeking intervention to lower the price of these drugs, which are inaccessible to lakhs of women.

Novartis has made about \$12.7 billion from the global sale of ribociclib between 2020 and 2025. Sales in India in the same period came to \$5.7 million or 0.4% of this amount. From 2020 to 2025, the total sale of Lilly's abemaciclib in India was \$15.5 million or about 0.6% of the \$2.6 billion global sales in the same period.

India sales data was sourced from IPSSOs, a market research firm, while global sales data was sourced from the companies' reports.

The companies' counter-arguments argued that they spent vast amounts to develop the two drugs without disclosing the specific cost involved.

Tufts Center for the Study of Drug Development, which is substantially funded by the pharmaceutical industry and which bases its study on data provided by drug companies, had estimated that it takes \$2.6 billion to bring a single prescription drug to the market. The study has been criticised for exaggerating to help pharmaceutical companies justify high prices.

According to the study, a large portion of drug development cost is spent on clinical trials. However, an affidavit filed in the case by Jamie Love, the executive director of Knowledge Ecology International, a US-based organisation,

Generic production in India has been bringing down drug prices by up to 97%

that works on access to life-saving medicines, estimated Novartis spent \$49.5 million on ribociclib clinical trials and Lilly spent over \$49 million on abemaciclib trials.

The clinical cost calculation, submitted by two of the respondents, including advocate Majumdar MA, who is undergoing treatment for breast cancer, used a more recent cost per trial participant estimation. This calculation showed the cost of clinical trials for ribociclib was approximately \$667.5 million and that for abemaciclib was over \$65 million. This per trial participant cost

was estimated by the authors of a paper titled 'Costs of Drug Development and Research and Development Intensity in the US, 2000-2018', published in JAMA Network Open journal in 2024.

The court was also informed that the cost of manufacturing ribociclib, as calculated by a drug costing expert at Yale University Dr Melissa Barber, is \$0.05 (Rs 63) if API is produced in-house and roughly \$2.29 (Rs 123) if API is imported for a 200mg tablet. The treatment regimen is three tablets per day for 21 days, \$29.58 would work out to Rs 5,300 to Rs 7,750 a month, compared to Rs 78,400 being charged by Novartis in India.

Generic production in India has been bringing down prices by up to 97%. For instance, Bayer's patented kidney and liver cancer drug Nexavar cost \$5,300 per month while Nexavar generic version cost just \$75. The sofosbuvir and dactavir combination used to treat hepatitis C, which cost almost \$30,000 in US, became almost \$300 in India with generic production in India.

### Plea in SC challenges decisions taken by EC

Amritanshu Choudhary  
@timesofindia.com

New Delhi: As questions are being raised against CEC Gyanesh Kumar for allegedly unilaterally taking many decisions pertaining to the SIR drive, judicial proceedings have also been delayed against him, with an apex court lawyer filing a petition in the court, seeking his criminal prosecution, and another application for a writ of habeas corpus.

The petition filed in SC said section needs to be taken against the CEC for his "unilateral, unauthorised, and illegal decisions" taken and executed in the name of Election Commission. It referred to Section 18 of Chief Election Commissioner and Other Election Commissioners Act, 2020, and the law laid down by a Constitution Bench in the TNSeshan case in 1966 to say EC's decisions have to be mandatorily taken by majority EC has maintained that all the decisions regarding SIR were taken unanimously by Kumar and his two colleagues, election commissioners S S Sandhu and Vivek Joshi.

The proceedings are sure to turn out to be a test of the veracity of the claim as well as allegations made by the opposition and others. The petition

filed by advocate Shaileendra Mani Tripathi, citing challenges made in a news report, sought quashing of unauthorised modifications made to Form 6 on ECNET, EROSNET portals requiring ancestry, last SIR declarations, and also sought immediate restoration of statutory Form 6 as prescribed by Registration of Electors Rules to permit all eligible adults to register as voters on the basis of original statutory requirements.

Mentioning the alleged illegal acts of CEC, the petition said, "During a mandatory ancestral condition (last SIR linkage) for first-time young voters without legislative authority or amendment of Registration of Electors Rules, 1960, explicitly mandated as unauthorised and illegal by a majority of the commission."

The petition said depriving de-centralised EROs of their statutory authority under Section 10(2), 22, and 23 of Representation of the People (RP) Act, 1950, and centralising electoral roll management under director general of IT (DG-IT) in Delhi was another unauthorised act.

Tampering with the electoral roll constitutes a cognisable offence under Section 32 of RP Act, 1950, as well as provisions of BNS concerning falsification of records and public servants disobeying directions in law. In such a scenario, divested of any statutory or constitutional immunity CEC remains directly accountable under law to be investigated, interrogated, and regular trial proceedings as an ordinary accused," the petition said.

ONLINE MONITORING & CAMC OF ELECTRICAL ASSETS

E-TENDER NOTICE No. 09-CEP-PS-MC-MC-HQ-26-27, dated: 23-09-2026. E-tenders are invited by the undersigned for the following work:

Tender No: 09-CEP-PS-MC-MC-HQ-TR-26-27. Name of work: (i) Part A: Provision of Online monitoring & control of electrical assets over Maligaon area of Maligaon (HQ) Unit. (ii) Part B: Comprehensive Annual maintenance Contract (CAMC) of IT devices for monitoring electrical assets for a period of 06 (Eight) years in IR-NYANTRAC. Advertised Value: ₹ 1,89,55,382/-, Earnest Money: ₹ 39,10,00/-

E-tender will be closed at 15:00 hrs on 14-10-2026. For details please visit: [www.mpsa.gov.in](https://www.mpsa.gov.in)

### Remove morphed photo of woman with PM: HC to Meta

Abhinav Gang  
@timesofindia.com

New Delhi: Noting that the issue also involves the Prime Minister, Delhi High Court Friday ordered Meta platforms to immediately remove a woman's morphed photograph with PM Modi from social media.

It also sent a notice to Courthouse, Janita Party (CJP) members Saurav Datta Abhijit Dikpe, Ashutosh Ranka and Ratna Singh on a plea by the woman alleging that they had circulated her morphed and explicit photo with the PM.

"In such matters, I would not have entertained because you have alternative remedies. However, still it is not just a matter of the lady but also the Prime Minister of the country. If they are not sensitive, I will ensure they are. I believe action will be taken," Justice Girish Kathpalia said.

While listing the matter for further hearing on Oct 14, HC directed the woman to give complete police protection after she submitted that she had been receiving threats to her life.

Her lawyer said though an FIR was registered in this regard, no concrete steps had been taken to apprehend those responsible or to secure the immediate takedown or blocking of the viral deep-fake links. At the outset, Justice Kathpalia said the issue relating to the takedown of the objectionable content had to go to a civil court.

### Scheme requires the applicant to be the eldest female member of family

Continued from P 1

The scheme's official portal lists a Delhi voter ID card among the mandatory documents, along with Aadhaar, a photograph and an endorsement letter from the MP or MLA of the constituency where the voter lives.

The scheme also requires the applicant to be the eldest woman member of the family not have more than three children, with an annual family income not exceeding Rs 2.5 lakh, among other criteria. The Mukhyamantri Tirth Yatra Yojana, under which senior citizens are provided free pilgrimage travel, also requires self-certified copies of the Delhi voter ID of the applicant/spouse.

The pilgrimage scheme was started by the AAP govt in 2018.
