Arrangements In Place For Bihar Polls

New Delhi: Elaborate arrangements are in place across all 243 constituencies of Bihar for counting of votes on Nov 14, the Election Commission said on Thursday. Counting will be conducted by 243 returning officers in presence of 243 counting observers and candidates or agents.

Security personnel keep vigil outside a strong room where the electronic voting machine have been kept, on the eve of counting of votes for the Bihar Assembly Election, in Patna, Thursday.

Ahead of counting, returning officer removed

Patna: The Election Commission has removed the returning officer of Chhenari assembly constituency in Bihar ahead of the counting of votes on Friday. In a statement, CEO Vinod Singh Gunjpal directed that Lalit Bhushan Ranjan, the returning officer, be immediately relieved from all election-related duties, including the counting process. However, why Ranjan who is the additional collector-cum-additional district magistrate of Rohtas was removed is not immediately known. The poll panel replaced him with Zafar Hasan, the district land acquisition officer of Rohtas.

or their counting agents by the RO or assistant RO. During EVM counting, control units are brought to the counting tables round

34L Aadhaar deactivation in WB irks TMC

Kolkata: The TMC on Thursday tore into the EC and the BJP after UIDAI disclosed that around 32-34 lakh Aadhaar numbers have been deactivated in West Bengal, and deactivation of the numbers point to a "silent invisible rigging" designed to erase living voters from the rolls ahead of the assembly election due next year.

The party claimed that the UIDAI's submission before the state's Chief Electoral Officer (CEO) Manoj Kumar Agarwal, was against the ongoing Special Intensive Revision (SIR), contradicted the agency's own stand that it does not maintain state-wise or year-wise Aadhaar deactivation data.

TMC spokesperson Arup Chakraborty said, "Today, it was informed in the office of the Chief Electoral Officer that 32-34 lakh Aadhaar numbers have been deactivated by UIDAI. But the same UIDAI told Parliament that it does not store Aadhaar deactivation data state-wise or year-wise. This is UIDAI giving data to the CEO and Election Commission."

Army, IAF multi-domain combat exercise in Arunachal

Itanagar: The army, in coordination with the air force, is conducting a major integrated multi-domain exercise in the high-altitude Himalayan terrain of Arunachal Pradesh, aimed at testing joint operational readiness and precision firepower across services, a defence official said on Thursday.

The exercise would culminate on Nov 15, he said. Once detected, these targets are being neutralised through synchronised joint firepower involving long-range rocket systems, medium artillery guns, armed helicopters, swarm drones, loitering munitions and kamikaze drones operating in an electronically contested environment, Guwahati-based Defence Spokesperson Lt Col Mahendra Rawat said.

The ongoing drill builds on previous multi-domain exercises, Poorvi Prahar held in the Eastern Command of the Indian Army, along with the Indian Air Force, carried out an integrated multi-domain exercise in the rugged high-altitude terrain of the Himalayas in Arunachal Pradesh, on Thursday

November last year and Prachar Prhar held in March this year, which focused on the integrated use of aviation assets.

Exercise Poorvi Prachar Prhar is designed to validate joint planning, command and control mechanisms, and the unified employment of surveillance and firepower platforms across the army,

air force and other services, covering the full spectrum of conflict, the spokesperson said. The exercise highlights the armed forces' commitment to jointness, precision operations and technological dominance, reaffirming India's capability to deter and defeat any hostile threats along its strategic frontiers, he added.

Search op in six border areas in J&K

Mendhar/Jammu: Security forces on Thursday launched a search operation in six border areas of Poonch district as part of beef-up security measures in Jammu and Kashmir, officials said.

Three of the accused, identified as Kuldeep Singh, Shekhar Singh and Ajay Singh alias Ajay, are residents of Sri Muktsar Sahib, District Gurdaspur, Punjab. The fourth, identified as Gaurav Yadav said. While Amrik Singh, Parminder alias Chir, Vijay Sukhjit Singh alias Sukh Brar, Sukhwinder Singh, Karanveer Singh alias Vicky and Sajan Kumar alias Sanju have been brought on production warrant from different jails for their roles as couriers and facilitators, he said.

Police teams recovered a Chinese hand grenade. Preliminary investigation revealed that the accused were in contact with Pakistan-based handlers through three operatives based in Malaysia to coordinate the attack and the delivery of the hand grenade.

The task was assigned by the handlers to carry out a grenade attack in a populated area to create unrest in the state, DGP Yadav said. He said further investigations

HC disqualifies MLA Mukul Roy

Kolkata: The Calcutta High Court on Thursday disqualified senior leader Mukul Roy as a member of the West Bengal Assembly under the anti-defection law for switching over to the ruling TMC, after having been elected on a BJP ticket in the 2021 elections.

The court termed as "perverse" the decision of the Speaker, who had found in favour of a plea for Roy's disqualification as an MLA under the anti-defection law held that he was a BJP MLA.

since his membership of the House suffered disqualification with effect from Jun 11, 2021. A division bench presided by Justice Debangsu Basak said that it has no hesitation in setting aside Assembly Speaker Biman Banerjee's order of Jun 8, 2022, by which he had junked a petition by Leader of Opposition Suvedu Adhikari seeking Roy's disqualification.

The court allowed another plea by BJP MLA Ambika Roy, which was heard analogously with Adhikari's plea, on an order of the Supreme Court, for disqualification of Mukul Roy.

"Mukul Roy is declared to have become disqualified in terms of the Tenth Schedule of the Constitution of India and the Rules of 1966 with effect from Jun 11, 2021," the bench, also comprising Justice Md Shabbir Rashidi, said.

The court observed that given the gamut of the evidence laid before the Speaker by Ambika Roy in the adjudication proceedings, the only plausible conclusion is that the decision of the Speaker in Roy's case is "perverse".

Statistical instt slams graffiti on Kol campus

Kolkata: Graffiti containing a hateful message against a religious community appeared inside the prestigious Indian Statistical Institute (ISI) in Kolkata, prompting the authorities to issue an internal notice on Thursday to denounce the act.

Two such graffiti near the ISI men's hostels were found a day after the blast near the Red Fort in Delhi, in which 13 people were killed.

An already existing note, "Dogs shouldn't enter the premises" on one side of a door was prefixed with two words naming a particular community. A similar message solely targeting the community was also found on an adjacent wall.

Students and researchers demanded stern action against those who wrote those hate messages.

Condemning the act, ISI Director Sanghamitra Bandyopadhyay said the institute had always stood for pluralistic traditions and protected academic and research excellence against any gender-based, religious and linguistic discrimination among its stakeholders.
