

NCD 4.0 screens 2.8 cr people in AP; coverage up at 66.05%

11.79 lakh new hypertension and 10.72 lakh diabetes cases have been detected

S GURU SRIKANTH @ Vijayawada

UNDER the ongoing Non-Communicable Diseases (NCD) 4.0 drive in Andhra Pradesh, medical teams have successfully conducted health screenings for 2,82,38,795 individuals aged 18 and above, covering 66.05% of the state's total target population.

Releasing the latest progress report as of August 31, 2026, Health Minister Y Satya Kumar Yadav stated that Health Commissioner KVN Chakradhar Babu submitted the detailed survey findings to him on Tuesday.

The survey, which commenced on September 17, 2025, achieved population mapping for 3.71 crore citizens (86.97% of the total target population), though actual screenings stood at 66.05% due to temporary absence, migration, or unavailability of residents during the fielding process.

The comprehensive screening programme identified a cumulative total of 59.29 lakh hypertension cases and 48.15 lakh diabetes cases across the State. Significantly, the NCD 4.0 drive uncovered 11.79 lakh new hypertension cases and 10.72 lakh new diabetes cases that were previously

undiagnosed, while the remaining cases were recorded during earlier survey phases.

Following clinical evaluations, doctors confirmed 2,026 cases of oral cancer out of 22,110 suspected cases, 3,571 cases of breast cancer out of 14,822 suspected cases, and 2,076 cases of the state's total target population.

Study benefits of tribal lifestyle: Health Minister
Health Minister Satya Kumar Yadav attributed the low incidence of hypertension and diabetes in tribal regions to traditional lifestyles, natural foods and regular physical labour. He called for a scientific study on these health benefits. Satya Kumar Yadav urged citizens to cooperate with health staff and undergo screening

es of cervical cancer out of 18,837 suspected cases, with the Health Minister confirming that all diagnosed patients have been put on immediate treatment protocols. District-wise prevalence figures highlight significant regional variations in lifestyle diseases across the

State. In hypertension cases, Bapatla district leads the State with a 19.65% prevalence rate, followed closely by Konaseema at 19.45%, West Godavari at 19.05%, Krishna at 17.97%, and East Godavari at 17.77%. Conversely, ASR district recorded the lowest hypertension prevalence at 5.63%, followed by Sri Satya Sai at 8.47%, Annamaya at 9.83%, Chittoor at 10.10%, and Kurnool at 10.28%. A similar trend was observed in diabetes prevalence, with Bapatla again topped the list with a 16.89% positivity rate.

On the lower end, ASR district recorded a remarkably low diabetes incidence of just 1.51%, followed by Polavaram at 5.88%, Sri Satya Sai at 6.56%, and Paravahapuram Manam at 7.14%.

Satya Kumar Yadav attributed the low incidence of hypertension and diabetes in tribal regions to traditional lifestyles, natural foods and regular physical labour.

He called for a scientific study on these health benefits and assured continued monitoring and awareness drives. As NCD 4.0 nears completion, he urged citizens to cooperate with health staff and undergo screening.

Anand Sai's son held over hit-and-run death

CHITHALURI REWANTH @ Hyderabad

RAIDURG police have detained Sandeep Anand, son of TTD board member and art director Anand Sai, in connection with an alleged hit-and-run that killed 31-year-old Nanda Kishor Kumar Ray near Khajaguda village early Monday. Ray, a native of Bihar, was a helper at Shah Ghouse hotel in Raidurg.

Anand Sai was the principal architect of the Yadagirigutta Sri Lakshmi Narasimha Swamy temple. Police said Sandeep was taken into custody on Tuesday and is likely to be produced before a local court.

Anand Sai has worked on films in Telugu and Tamil and has a close association with AP Deputy Chief Minister Pawan Kalyan and is married to film actress Vasuki.

Reboring Inspector Thota Bhupathi said the accident occurred at around 4.15 am on Monday (August 31) on the main road from the ORR Rotary towards Khajaguda village, opposite Ankura Hospital.

According to police, Ray was crossing the road towards Ankura Hospital when he was hit by an Innova Crysta allegedly being driven rashly and negligently from the Nanakramguda ORR Rotary towards Khajaguda.

The Innova was driven by Zayd-shah Qadri, 21. Qadri stopped and got down to help Ray. A cab driver, Syed Amer Hussain, who was travelling on the same road, also stopped by the roadside and joined Qadri in trying to move the injured man to hospital.

While they were doing so, two more cars travelling at high speed from Khajaguda towards the Nanakramguda ORR Rotary passed through the area. Police said a Mahindra XUV EV allegedly hit Ray and Qadri before fleeing the spot.

Reboring Inspector Thota Bhupathi said the accident occurred at around 4.15 am on Monday (August 31) on the main road from the ORR Rotary towards Khajaguda village, opposite Ankura Hospital.

BJP urges people to strive for PM's Viksit Bharat

EXPRESS NEWS SERVICE @ Vijayawada

BJP State president PVM Madhav has called upon every section of society to become active partners in the mission to build a Viksit Bharat (Developed India). Speaking after inaugurating a State-level workshop at the Ramarao Convention Centre in Vijayawada on Tuesday, Madhav announced that a month-long 'Seva Sankalp Utsav' will be organised nationwide to mark Prime Minister Narendra Modi's extended tenure in public service.

Highlighting Prime Minister Modi's dedication, Madhav stated that the country's global stature and leadership role in the world are being strengthened by the National Flag have risen significantly under his leadership. He noted that during the COVID-19 pandemic, the Union Government not only developed indigenous vaccines for its own citizens but also supplied them to other nations. He further emphasised the administration's foresight in maintaining six months of strategic crude oil reserves to buffer the country against geopolitical crises.
