

Two yrs on, ₹13-cr fish & meat market reeks of neglect

P THIRUSELVAM @ Tiruchy

THE city corporation built a modern fish-cum-meat market complex at ₹13.49 crore on East Boulevard Road under the Smart Cities Mission in 2024. Two years on, cracks have appeared at several places on the walls, and drains are clogged causing wastewater to overflow.

Spread across 25,000 sq ft, the two-storey facility has 148 stalls and parking space for around 200 two-wheelers. While all 74 ground-floor shops are occupied, most of the shops on first-floor remain vacant allegedly because the rent is high.

Waste water from the fish, poultry and meat shops stagnates on the floor inside the complex and parking area. Besides emanating foul smell, it has turned the area slippery. Vendors occupy the walkways by placing vessels, cages and ice boxes, leaving little space for customers. Though three barrels have been provided for waste collection, vendors allegedly dump fish and meat waste on the floor.

Residents said the foul smell, dirty surroundings and wet floors have discouraged some people from visiting. The toilet in the market is not properly maintained. Vendors said it is often locked or unusable. They also alleged that some workers consume alcohol inside the market after business hours and leave empty bottles behind.

A member of meat sellers association, who did not wish to be named, told *TNIE*, “Several people consume liquor and even smoke ganja here every day, and leave behind empty bottles. Due to the lack of a proper toilet, we have to use private toilets near

the vegetable market.” He added, “If we hammer a nail into the wall, the plaster falls off. The problems have continued despite repeated complaints. The authorities do not inspect the market. They clean the place only when politicians or higher officers visit.”

Rajeswari Mukundhan, a resident of Mahalakshmi Nagar, said, “We have to walk through wastewater. The foul smell is unbearable, and the poor parking arrangements have made the market extremely inconvenient.”

“There is hardly any space to walk. Sometimes, many people, including me, leave without buying after being pushed and squeezed in the crowded space,” said Kumar, another visitor.

A senior Tiruchy Corporation official said, “We are aware that waste is being dumped on the premises despite the provision of barrels. We will inspect the market and take action.”

Govt disrespecting us, not implementing new projects: Councillors

EXPRESS NEWS SERVICE @ Tiruchy

MAYOR Mu Anbalagan and councillors of the DMK on Tuesday charged the state government with disrespecting representatives of local bodies and not carrying out development work.

Speaking at the monthly meeting of the Corporation Council, DMK councillors, who had come in black attire, said officials did not pay heed to their requests to carry out repair works or take up new projects in their wards. Councillor of Ward 57 T Muthuselvam (DMK) raised the issue and was supported by his party colleagues. As the Mayor con-

tinued with the poceedings, they walked out.

MMK councillor (Ward 28) Faise Ahmed said frequent transfer of officials delayed works in his ward, and walked

out of the meeting. AIADMK councillors demanded that the meeting be postponed as several members had walked out. As the Mayor turned down their request, they also walked

State-owned sugar mill records loss of ₹28-cr in 2025-26

THANJAVUR: The state-owned

Arignar Anna Sugar Mills recorded a loss of ₹28.13 crore during 2025-26 against a loss of ₹37.87 crore in 2024-25. The crushing of sugarcane below the installed capacity with reduced reduction in recovery rate led to the loss. During 2025-26 crushing season, 1.29 lakh tonnes were crushed in the mill and with a recovery rate of 8%, this was disclosed at the 51st annual general body meeting of Tamil Nadu Sugar corporation Ltd held at the Thanjavur collectorate on Tuesday.

Continuous efforts are being taken to improve the position and also to control the administrative and production costs. Besides, efforts are being made to restructure loans to improve the financial position of the mill, the meeting added. The 2026-27 crushing season will begin on December 11. Farmers, who are shareholders of the mill, demanded ₹709/tonne special incentive.

EXPRESS NEWS SERVICE @ Karur

THE city corporation council on Tuesday unanimously refused to approve a resolution tabled by Mayor Kavitha Ganesan to clear ₹46 lakh expenses incurred to douse a blaze that broke out in a garbage dump in July, alleging irregularities.

Objecting to the resolution, councillor M Thandapani of CPI (ward 41) said “The cost of a tanker-load of water is mentioned as ₹2,700. Even if 200 tankers were used, the expenditure would have been only ₹5.4 lakh. How did the expenditure come to ₹46 lakh? The resolution should be passed only after placing the proper accounts before all the council,” he

said.

Following his opposition, Mayor Kavitha announced that the resolution would be deferred.

Later, Kavitha said it took 10 days to put out the massive fire and the efforts warranted such an expenditure.

Speaking to *TNIE*, she said “The fire broke out on July 15 midnight, requiring 15 teams from the Fire and Rescue Services departments in Karur, Tiruchy and Salem. Apart from 10 water tankers from local players, we mobilised seven earth movers to assist the personnel of the Fire and Rescue Services department. Earthmover operators

charge around ₹2,500/hour. Besides this, sanitation workers, police personnel and volunteers were also actively involved in bringing the fire under control. We needed to provide food, water and refreshments to the personnel from all the departments. We have all the records of the expenses incurred during the operation,” she elaborated.

During the meeting, councillors raised concerns about the wage paid to sanitation workers. They said that contract sanitation workers were currently being paid ₹550/day. However, they should be paid ₹650, as stated by officials dur-

ing their recent protest. Proper safety equipment was not being provided to sanitation workers, they said, and urged the corporation to provide them with the required protective equipment as per government norms.

Commissioner Birathiviraj assured that the issue would be examined and steps would be taken to provide the necessary equipment.

Subsequently, 13 resolutions were deferred at the meeting, including one related to allegations of no one was coming forward to rent shops at the old bus stand commercial complex after the shops were auctioned online at high rents. A total of 76 resolutions were passed at the meeting.
