Supreme Court allows forensic audit in Fortis case

New Delhi, Agency : The Supreme Court on Tuesday upheld a Delhi HC order directing forensic audit of dissipation of shares of Fortis Healthcare Ltd (FHL) and Fortis Healthcare Holdings Pvt Ltd (FHHPL) through 17 banks and financial institutions allegedly to frustrate execution of a decade-old Rs 5,300 crore foreign decree by Daichi Sankyo against brothers Malvinder and Shivinder Singh.

Brushing aside a challenge to the forensic audit order of the HC by senior advocate Shyam Divan, appearing on behalf of Yes Bank and Axis Bank, a bench of CJI Surya Kant and Justices Joymalya Bagchi and V Mohana clarified the forensic audit would not be a roving inquiry against the banks or FIIs but will focus on the transaction of shares of FHL and FHHPL.

The bench also chided Daichi for giving up its plea for forensic audit of the dissipation of shares in the two companies, which was a major window for the banks to argue that HC could not have passed the order for forensic audit when decree holder had given up that plea.

Daichi counsel Arvind Datar told the court that the foreign decree, upheld by SC, had not been implemented for a decade and the plea giving up forensic audit was made due to frustration over the long lapse of time in executing the decree in India.

Clarify if you trust results of polls which you won: BJP to Cong

New Delhi, Agency: BJP on Tuesday accused Congress of duplicity for selectively targeting the Election Commission over unfavourable electoral results and trying to undermine India's electoral system after failing to win public support within the current democratic framework.

BJP's Smriti Irani said Congress should clarify whether it also distrusted EC results in Kerala, Karnataka, Telangana and Himachal Pradesh, where they are in office, and Jharkhand, where JMM-Congress is in government.

As Congress continued attacking CEC Gyanesh Kumar over the SIR and demanded its suspension, Irani asked why it wanted deceased people and duplicate names retained on poll rolls. She said the EC had rebutted every allegation, but Congress "continues spreading falsehood".

BJP spokesperson Siddharth Yadav accused Congress of a U-turn, saying it had earlier raised concerns about duplicate and deceased voters in Andhra, Rajasthan and Kerala. "Now that those names have been deleted, they are doing politics of convenience for its own political benefits."

NIA arrests 13 in JMB-linked terror conspiracy case after searches across 3 states

New Delhi, Agency : The National Investigation Agency (NIA) on Tuesday arrested 13 persons in the wake of searches conducted at 16 locations across Assam, West Bengal and Kerala in the case relating to terror conspiracy by an offshoot of the proscribed terror outfit Jamaat ul Mujahideen Bangladesh (JMB). While 8 arrests were made from Assam, four were in West Bengal and one in Kerala. Digital devices including mobile phones, pen drives and memory cards were seized

from possession of the arrested accused.

The case originates from the arrest of 11 accused persons by Assam Police on December 28, 2025, from

various districts of Assam, West Bengal and Tripura. The case, initially registered on Dec 30, 2025 against 35 accused, relates to an online radicalisation

module operated through the "Purva Akash" Telegram group by Bangladesh-based handlers of IMK. These 11 accused were chargesheeted on June 25 this year and are currently in judicial custody.

NIA, after taking over the case, filed a chargesheet against these 11 accused persons under various sections of the BNS, 2023, and the UA (P) Act, before the NIA Special Court in Guwahati, Assam.

NIA's investigation has revealed active involvement of the accused in the

conspiracy of Imam Mahmud Kafil (IMK), a manifestation of JMB, to expand the terror outfit's ideology in West Bengal and the north-eastern states of India. The conspiracy involved promotion of the terrorist organisation's extremist agenda, radicalisation of vulnerable youth, and expansion of the outfit's network in India.

Investigations by the anti-terror agency showed that JMB's senior member Imam Mahmud Habibullah had established IMK to promote the banned outfit's

agenda on Indian soil.

It further revealed that the accused had conspired to scale up the presence of IMK/JMB in India through clandestine meetings, religious indoctrination programmes, circulation of extremist literature, and use of digital platforms for anti-India propaganda. They were promoting allegiance to the leadership of IMK/JMB, NIA said on Tuesday. As many as 10 accused in the case, including 9 Bangladeshis and one Indian, remain absconding.

NCERT text spotlights resistance in medieval India history for Class IX

New Delhi, Agency: NCERT's new Class IX social science textbook puts those who resisted conquest at the centre of medieval India's story, recounting, for instance, Queen Naiki Devi's defeat of Muhammad Ghuri in 1178 near Mount Abu. The account also acknowledges cooperation across faiths, within a wider curricular shift connecting India's traditions with contemporary governance and lessons in taxation, insurance and entrepreneurship.

The new six-chapter Part 2 of "Understanding Society: India and Beyond" covers history, geography, political science and economics. It continues an overhaul of the earlier syllabus in which class IX history

opened with the French Revolution, while economics focused on village production, poverty and food security. It follows the National Curriculum Framework for School Education 2023. Its geography chapters cover "Oceans and Life" and "Life on Earth".

"Resistance and Resilience (1000-1700 CE)" foregrounds

Maharana Pratap's resistance, Lachit Borphukan's victory at Saraighat and Sikh opposition to Mughal persecution. Rani Abbakka Chowta's resistance to the Portuguese extends the account beyond confrontations with Muslim rulers. It examines temple destruction and restoration, alongside the role of trade and Bhakti traditions in sustaining communities.

The emphasis on resistance comes with qualifications. Akbar's later rule is described as relatively inclusive; Sufism receives attention, while Muslim poets Raskhan and Rahim feature among Bhakti contributors. The chapter describes a period of "both conflict and cooperation".

In a first, government admits in SC problem of exorbitant pricing of drugs, promises fix

New Delhi, Agency: With Supreme Court toughening its stand against poor patients being forced to pay exorbitant prices for medicines, govt on Tuesday admitted that there was a problem and assured the court it would make efforts to address it.

A bench of Justices Vikram Nath and Sandeep Mehta said there was no rationale for controlling the price of a few scheduled medicines and allowing the rest to be sold at inflated prices as all medicines are essential. It suggested a uniform rule limiting the MRP to not more than 16% above the price to the retailer (PTR). SG Tushar Mehta told SC that he had discussed the issue with official concerned. Govt was not taking an adversarial

stand on it, he said, seeking time for further consultations to find a solution. "We will have to find a way out. Some way that balances equities... let me sit with officers and then respond," he said.

The court said taxpayers' money was also wasted because of exorbitant medicine prices as corporate hospitals obtain full reimbursement for inflated MRPs when patients undergo treatment under govt-sponsored welfare schemes, with the money being paid from the exchequer.
