

Ballari dist cops trace 366 missing children in 5 years

SP says efforts are continuing to locate 19 more missing children

KIRAN BALANNANAVAR @ Ballari

AS many as 385 children went missing in Ballari district between 2020 January to September 30 of the present year, and the Police Department successfully traced 366, while efforts are continuing to locate the remaining 19 children.

According to police officers, tracing the remaining children continues to be a challenge, with teams conducting searches in Bengaluru and neighbouring states, including Tamil Nadu and Telangana. Despite sustained efforts, investigators have faced difficulties in several cases due to the absence of Aadhaar card details and changes in the facial features of children as they grow older.

In some cases, police have also conducted searches in canals and river stretches, suspecting that the missing children might have fallen into water bodies. The passage of several years in some cases has further complicated investigations.

Suman D Pennekar, Superintendent of Police (SP), Ballari district, stressed the use of artificial intelligence (AI)-based software to identify children by analysing changes in their facial features over the years. Such technology could help investigators compare old photographs with the present appearance of missing children and generate fresh leads in

long-pending cases. Suman directed department personnel to cross-check details of unidentified bodies reported at police stations located downstream of canals and dams.

The exercise is aimed at ensuring that unidentified bodies are not overlooked while investigating missing-children cases.

Senior police officials have been instructed to maintain regular contact with the parents of the missing children

and continuously monitor both newly registered complaints and old pending cases until the children are traced.

Special attention is also being given to children who leave their homes or go missing and subsequently travel by train. Police have been asked to coordinate with railway authorities, monitor CCTV footage at railway stations and take necessary steps to identify and rescue vulnerable children. Rescued children must be produced before the Child Welfare Committee as per the prescribed procedures.

The District Child Protection Unit, Special Juvenile Police Unit and the police personnel have also been advised to strengthen step up awareness programmes at schools, colleges and public places.

Police seize ganja worth over Rs 1 lakh, arrest Naregal youth

EXPRESS NEWS SERVICE @ Gadag

POLICE have seized 2.091 kg of ganja valued at Rs 1,04,550 and arrested a 22-year-old youth from Naregal in Gadag district for allegedly procuring the contraband from Maharashtra and selling it in rural areas.

The accused, Basavaraj Harnashikhari, was arrested on Monday following a raid conducted by the Naregal police at his residence in Eshwara Nagar, Naregal town.

Acting on information received from beat staff on October 5, the police searched the house and discovered the narcotic substance allegedly stockpiled for sale.

According to the police, packets of ganja had been concealed in the home's prayer room, near pictures of deities. During the search, officers recovered a parcel wrapped in brown packing tape from a raised platform in the room. Examination revealed it

contained ganja comprising dried leaves and seeds. During questioning, the accused allegedly admitted to sourcing the ganja from Maharashtra for storage and distribution. A case has been registered at the Naregal Police Station, and further investigation is underway.

Police records indicate that Basavaraj was previously booked in Crime No. 55/2026, in which 331 grams of ganja worth approximately ₹33,100 had been seized from him.

While ganja trafficking into Gadag and Hubballi has often been linked to supplies arriving by train from Andhra Pradesh, investigators say the latest case points to a different supply route, leading to a wider probe. Police are examining the matter from all angles amid concerns over the spread of narcotics in rural areas.

Residents of Naregal expressed shock over the arrest of a local youth allegedly involved in drug peddling.

Congress leaders protest outside the DC's office in Vijayapura on Monday

Cong: Probe use of fake death certificates to delete voters

EXPRESS NEWS SERVICE @ Vijayapura

CONGRESS leaders have urged Deputy Commissioner Dr. Anand K. to order a comprehensive inquiry into the alleged use of fake death certificates to delete the names of living voters from the electoral roll in the Vijayapura City Assembly constituency.

KPCC member Abdul Hamid Mushrif, who submitted a memorandum to the DC on Monday along with other party leaders, alleged that documents were submitted to election officials, purportedly on the letterhead of Vijayapura City MLA Basanagouda Patil Ytnal, claiming that certain voters had died. He alleged that the names of such voters were subsequently sought to be removed from the electoral roll.

According to Mushrif, a list containing the names of eight voters was submitted along with copies of death certificates pertaining to seven of them. However, Congress Booth Level Agents (BLAs), who subsequently verified the details, found that all seven persons were alive, he claimed.

He demanded an independent investigation to establish the authenticity of the death certificates, ascertain the circumstances under which they were issued and determine whether the prescribed procedures were followed before the names of the voters were proposed for deletion.

He alleged that an attempt had been made to remove the names of around 1,046 voters belonging to the minority community from the electoral roll in the city constituency by citing them as deceased. Documents concerning the matter were forwarded to election officials for verification, following which field-level inquiries reportedly found that several of the voters were alive, he claimed.

The Congress leaders urged the administration to verify the authenticity of all death certificates and other documents submitted for deletion of voters' names. They said that if the inquiry establishes that false information or fabricated documents were used, those responsible should face action under the relevant election laws and other applicable legal provisions.

They also sought an investigation into the officials or agencies involved in issuing the alleged death certificates and demanded that appropriate safeguards be put in place to prevent wrongful deletion of eligible voters from the electoral roll.

Congress leaders Irfan Shaikh, Abdul Razak Horti, Vijayanath Karpuramath, Shabbir Ahmed Jahagirdar, Azad Patel, Chandrab Gadagalava, Aflab Khadri, Abubakar Ambarakhane and Fayaz Kaladagi were present.
