

FROM THE FRONT PAGE

Neeru Dhanda 1st-ever...

It was overall a mixed day in the track and field competitions but India managed to end it on a high thanks women's relay gold.

However, it was nowhere close to the high of six gold medals that the track and field campaign of the previous edition had yielded.

Nineteen-year-old high jumper Pooja Singh looked in control for a while but eventually came third with a 1.84m best effort, adding to the bronze tally. The ever-reliable Gulveer Singh completed a treble at the Games, adding a 5000m bronze to the silver medals he won in the 10,000m and 1500m races. Gulveer thus became only the second Indian man to win three track and field medals in a single Asiad after Lavy Pinto's gold medals in 100m, and 200m and silver in 4x100m relay during the inaugural 1951 Games.

Later, the mixed 4x100m relay team of Gurindervir

Singh, Sneha Sathyanarayna, Animesh Kujur and Harita Bhadra took the bronze with a season's best timing of 41.06sec.

The men's 4x400 team of Vishal TK, Dharamveer Choudhary, Jay Kumar and T Manu also ended the campaign with a bronze medal, failing to defend the gold won last time. They clocked 3:01.61sec in the race. Boxer Narender Berwal signed off with a bronze after bowing out in the +90kg semi-finals in Asian Games. Narender, however, went down 0-5 to reigning super-heavyweight world champion Aibek Oralbay of Kazakhstan in the last-four stage. The bronze is Narender's second at the Asian Games after he also finished on the podium in Hangzhou in 2023.

The 31-year-old relied heavily on counter-punches, while Oralbay kept pressing forward and connected with a steady stream of punches.

'This is carnage', says SC...

"If that patient is taking treatment under a government scheme, who reimburses? The taxpayer does. So why not uniform criteria?"

"DPCO says 16 per cent margin. Every medicine is covered under the Essential Commodities Act. We don't know why they are asked to fix prices like this," he said.

Justice Mehta further told the solicitor general that if one gets a pharmacist who is very humane and says that he will give the medicine to the needy for Rs 2,700, then the patient would start thinking whether the drug is genuine or spurious.

'Make public complete data...

public the complete data regarding every major change made to the electoral rolls and providing political parties with the electoral rolls and relevant data in a simple format and in a timely manner.

Kharge also demanded an independent and time-bound inquiry wherever evidence of serious discrepancies emerges.

That voters whose names have been removed must be fully informed and given an opportunity to appeal, and there must be such transparency in the critical data and decisions related to the election process so that no party has grounds to claim that information is being withheld, the Congress chief said.

Most importantly, the voters of India must have confidence that their vote is secure, Kharge said. "We do not view this issue merely as a battle to win or lose an election. Elections come and go, and governments change, but democracy and the Constitution are enduring. This is the foundation of Indian democracy. We must convey to every citizen that in a democ-

racy, the most powerful person is the ordinary voter -- not the Prime Minister, the Chief Minister, or a leader in power," he said.

The CWC meeting, chaired by Kharge, is being attended by former party chiefs Sonia Gandhi and Rahul Gandhi, party general secretaries Priyanka Gandhi Vadra, Jairam Ramesh, KC Venugopal, Sachin Pilot, Mukul Wasnik, and senior leaders P Chidambaram, among others, attended the meeting.

EVM, VOTERS' LIST 'MATCH-FIXING' GOING ON: RAHUL LEADER of Opposition Rahul Gandhi told the Congress Working Committee on Tuesday that EVM and voters' list "match-fixing" of polls was underway in the country and asserted that his party should not budge from the path of "virodh" (opposing) as well as "pratirodh" (resistance) from streets to Parliament, sources said. Speaking during CWC meeting here at Indira Bhawan, Gandhi also said that revelations about the EC were now coming out in the open because of the Congress.

SC to hear next week plea...

Senior advocate Vikas Singh, who mentioned the matter, told the bench that as per the statutory scheme, decisions of the multi-member Election Commission have to be unanimous or by majority.

"The way the Election Commission is functioning, there is serious doubt over whether the decisions are unanimous," he submitted.

EAM flags US lack of...

neighbour as part of a deliberate, conscious policy over many, many decades," Jaishankar said, making a reference to Pakistan.

"Now, if something which matters so deeply to us, there isn't enough understanding or appreciation or empathy of that, I think that creates a problem too. That you know... One of my primary concerns is not fully appreciated by my partner, then clearly there is an impact of that on the relationship," he said, referring to the ties between India and the US.

Just months into the second Trump administration in the White House, the India-US relationship faced turbulence over issues, including tariffs, trade, Russian energy purchases by Delhi as well as challenges posed by Washington's

renewed engagement with Pakistan.

TRADE AGREEMENT CAN CONTRIBUTE TO 'BETTER' INDIA-US TIES, SAYS JAISHANKAR: A TRADE agreement between India and the US, if concluded, would contribute to "better" bilateral ties, External Affairs Minister S Jaishankar said, noting that expectations of rapid progress in negotiations had been "tested" against a much more complex ground reality.

Jaishankar addressed prominent members of the Indian-American and diaspora community as well as policy experts on Monday at a special conversation hosted by the Asia Society, as the high-level week of the 81st session of the UN General Assembly concluded in New York.

Mah to absorb ex-Agniveers in police, other forces: Fadnavis

MUMBAI, Sept 29 (PTI)

THE Maharashtra Government will accommodate returning Agniveers, who have completed their four-year military tenure, in police and other State Government forces, with exemptions from fresh examinations and training, Chief Minister Devendra Fadnavis said on Tuesday. Fadnavis said the first

batch of Agniveers was now completing its tenure and returning from the Armed Forces.

"The Centre has stipulated that 25 per cent of Agniveers would continue in the Armed Forces, while the remaining 75 per cent should be absorbed in various forces of the Central and State Governments," he told reporters after the weekly Cabinet meeting.

"Maharashtra has decided that Agniveers (not retained in Armed Forces) will be accommodated in police and similar posts available in the State Government forces," Fadnavis said.

Under the 2022 Agnipath scheme, the Centre will retain 25 per cent of Agniveers in the Armed Forces, while the remaining 75 per cent will be released from service.

NIA arrests 13 men in WB, Assam for 'jihadi' activities

NEW DELHI/BARPETA, Sept 29 (PTI)

THE National Investigation Agency (NIA) on Tuesday arrested 13 accused for alleged involvement in a terror conspiracy orchestrated by an offshoot of the proscribed Jama'atul Mujahideen Bangladesh (JMB) terrorist organisation, aimed at radicalising youth and furthering extremism in West Bengal and Northeastern States.

The arrests came following searches at 16 locations across Assam, West Bengal and Kerala during which digital devices, including mobile phones, pen drives and memory cards, were seized from their possession.

Of the 13 accused, eight were arrested from Assam, four from West Bengal and one from Kerala, they said. In Assam, six were held from the State's Barpeta district. They were identified

as Faruk Abdullah, Zakir Hussain and Chandbar Ali from Sorbhog, Mustafizur Rahman from Barpeta Road, Yakub Ali from Nishuka and Rakibul Islam from Jashihatipara village of Howly, the officials said.

The case originates from the arrest of 11 accused persons by Assam Police on 28th December 2025, from various districts of Assam, West Bengal and Tripura. A case was initially registered by the local police on 30th December 2025 against 35 accused for an online radicalisation module operated through the "Purva Akash" Telegram group by Bangladesh based handlers of Imam Mahmuder Kafil (IMK), a manifestation of JMB, a statement issued by the NIA said. These 11 accused were chargesheeted on 25th June 2026 and remain in judicial custody. The NIA subsequently took over the case and filed a chargesheet.

Hookah cannot be served even in designated smoking areas, says Allahabad HC

LUCKNOW, Sept 29 (PTI)

THE Allahabad High Court on Tuesday ruled that restaurants, cafes and other public places cannot serve hookah to customers even in designated smoking areas, holding that such activity is prohibited under relevant tobacco product and smoking regulations.

A Lucknow Bench of Justices Shekhar B Saraf and A K Chaudhary dismissed the main petition concerning the operation of hookah bars along with all connected petitions.

The petitioners had earlier sought permission for restaurants holding valid food establishment licences to serve hookah in designated smoking areas and had also sought protection from police interference in their business.

The court held that a designated smoking area is only a limited exception to the prohibition on smoking in

public places and does not permit any service to be provided there under the Cigarettes and Other Tobacco Products Act, 2003 (COTPA) and the Prohibition of Smoking in Public Places Rules, 2008.

It noted that following the 2017 amendment to the rules, the expression any other service was replaced with any service.

This makes it clear that preparing a hookah, filling it with tobacco, placing coal on it, delivering it to a customer or replacing the coal would all amount to providing a service, the court said.

The petitioners had pleaded that if a ready-to-use hookah was handed over to a customer who then operated it himself, the activity should be treated as renting out an apparatus rather than providing a service.

The bench rejected this plea, observing that the element of service is inherent in the preparation and operation of a hookah.

Telangana man scales Nagaland mountain to cover 11 States

KOHIMA, Sept 29 (PTI)

A TELANGANA youth has scaled Nagaland's highest peak, the 3,841-metre Mount Saramati, thereby completing the Seven-Sister chapter of his endeavour to plant the National Flag atop the highest point of all States and Union Territories of India.

By summiting the highest Nagaland peak on September 20, Bhukya Yashwanth of the Telangana's Mahabubabad district has taken the Tricolour to the highest points of 11 States so far. He had previously covered Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Tripura, Rajasthan, Andhra Pradesh, Odisha and Goa.

Yaswanth said he embarked on the mission out of a passion for mountaineering and an ambition to document the highest points of all 28 States, rather than limiting his expeditions to well-known high-altitude peaks.

"While preparing for the Seven Summits, I realised that no one had documented a journey to the highest points of all States. So, I decided to take up this mission," he said.

Seven Summits are the highest mountains on each of the seven traditional continents.

Inspired by the Centre's 'Har Ghar Tiranga' campaign, Yaswanth carries the National Flag to the highest points of each State while documenting its landscape, people and distinctive character.

His experience extends beyond the State-peak challenge.

He has undertaken major expeditions in India, climbing Mount Gorichen in Arunachal Pradesh, Mount Reo Purgyil in Himachal Pradesh and Kang Yatse II in Ladakh. His mountaineering journey has also taken him

Bhukya Yashwanth, a youth from Telangana, holds the Indian national flag atop Mount Saramati (3,841 metres), the highest peak in Nagaland, in Kiphire district. Completing his expedition as part of the 'Har Shikhar Par Tiranga' mission, Yashwanth has successfully summited the highest peaks across 11 Indian States so far.

to Mount Elbrus in Russia and Mount Kilimanjaro in Tanzania.

"Every mountain is unique in its own way. It is not only about the height," he said. Before arriving in Nagaland, he completed a high-altitude expedition in Ladakh above 6,000 metres. "But Mount Saramati offered a different kind of challenge," he said.

Beginning the expedition from Shillong and proceeding to Thanamir, the gateway to Saramati, the climb took about three days through forests, steep gradients and slippery stretches. Around 10 to 12 people were involved in the expedition, including an Assam Rifles officer.

"The terrain was steep and slippery. We had to stay alert and careful on every step of the way," Yashwanth said. While weather was a matter of concern, rain stopped during the summit push and resumed only after the team returned to camp.

HIGH COURT OF MADHYA PRADESH: JABALPUR

// NOTICE INVITING E-TENDER //

e-Tenders are invited by the High Court of Madhya Pradesh for the "Rate Contract for the Supply, Installation, Commissioning and Maintenance of Air Conditioners for the High Court and District Courts in the State of Madhya Pradesh".
