Police registered a case on Thursday against unidentified persons following a complaint by the NIC state centre's director and security officer, said Arera Hills police on Friday.

According to police, copper wires along with pipes installed in the external corridor of NIC office were cut and stolen during the public holidays on September 12, 13 and 14. The theft left the air-conditioning units non-functional, disrupting office work.

Police station incharge Sunil Kumar Sharma said that an investigation had been launched and officials were examining CCTV footage from cameras installed in and around Satpura Bhawan to identify the suspects. Further action will depend on the findings of the investigation.
