Mandi cyclist appointed state's first Bicycle Mayor

Shimla: An Amsterdam-based NGO promoting cycling all over the world appointed mountain cyclist Jaspreet Pal of Mandi as the state's first Bicycle Mayor. Pal, who was appointed Himachal Pradesh State Election Commission Icon in 2024, aims to extend his cycling advocacy beyond Mandi town to different parts of the district and the state.

Pal said, "My priority would

be to connect existing cycling communities, encourage first-time riders and engage with schools, colleges, youth groups and rural communities to make cycling more accessible."

With more than 33,000 km of mountain cycling and over 7.5 lakh metres of cumulative elevation gain, Pal has traversed challenging Himalayan routes.

MERELY 1.29 LMT OF APPLES ARRIVED IN MARKETS THIS YEAR

HP's apple crop hit due to delay in flowering, rising temp: experts

State recorded an apple production of 4.20 LMT by October 2025

Saurabh Parashar
Shimla, October 15

EVERY YEAR, a commission agent from Uttar Pradesh's Saharanpur visits the Bhattakuffer fruit market in Shimla to trade in apples on a commission basis.

This year, however, Abdul sent his two brothers back to Saharanpur before the apple season ended. The reason was a sharp decline in apple arrivals and market business.

"I cannot tell exactly how much I earned last year, but one thing is certain: business this time is barely 30 to 40 per cent of what we did here last year." Abdul was bidding for a lot of around 20 apple cartons at an open auction at the fruit market along National Highway-5 near Dhalli on the outskirts of Shimla. Nearly 80 km away, in Kotgarh, progressive horticulturist and a pioneer in apple cultivation Hari Chand Roach echoed similar concerns. Kotgarh is said to be one of the state's prominent apple-producing areas.

"This year, I harvested barely 20 per cent of the crop I obtained from my orchard last year. Last year, my total production was about 3,000 universal cartons of 20 kg each. This year, I have harvested only around 800 boxes... apple growers across the state have reported similarly low production."

The experiences of Abdul and Roach reflect the severe downturn in the state's apple economy this season.

Experts attribute the decline primarily to adverse weather conditions, including untimely frost, inadequate winterchilling, insufficient soil moisture, and temperature fluctuations. These factors affected flowering and subsequent development of the fruit.

HP medical college suspends nine MBBS students, fines Rs 25-50K each for ragging

Express News Service
Shimla, October 15

A GOVERNMENT medical college in Himachal Pradesh's Hamirpur on Thursday sus-

pending nine second-year MBBS students for two weeks, imposed a fine of Rs 50,000 each on three and Rs 25,000 each on the other six after an inquiry found them prima facie guilty of ragging a junior, officials said.

The action by Dr Radhakrishnan Government Medical College and Hospital has been taken "under the provisions of Himachal Pradesh Educational Institutions (Prohibition of Ragging) Act, 2005," an official said.

According to the complaint filed by the first-year MBBS student from Delhi, he and some

other juniors were called to a senior's rented PG room near Bhota Chowk. They were instructed to keep their eyes down while addressing the seniors and to greet them by saying "namaste, doctor sahab". They were also given a specific format for introducing themselves.

In an email addressed to college authorities, the student had also alleged that more than half a dozen second-year MBBS students had been mistreating him for some time.

During the inquiry, the university's Anti-Ragging Committee recorded statements of eight junior students, including the complainant. The other juniors too accused the seniors of engaging in inappropriate behaviour. A university spokesperson said the seniors denied the allegations.

Although the complaint did not allege physical assault or bodily harassment, the committee considered the imposition of such instructions on junior students to constitute ragging and recommended action against the accused.

According to the college management, a fine of Rs 50,000 each has been imposed on the student who lived in the PG accommodation and the two who took the juniors there. The remaining six students, who were present at the accommodation when the juniors arrived, have been fined Rs 25,000 each.

Principal Ramesh Bharti said ragging will not be tolerated. He said students have been briefed on the anti-ragging regulations and should remain vigilant. They must neither tolerate nor attempt to engage in ragging, he said, adding that by taking strict action, the college administration has "sent a clear message to the rest of the students".

Meanwhile, SP (Hamirpur) Balbir Singh said they have not received any complaint from the college management or from the students. "The institute can deal with ragging allegations and penalize the students to an extent under certain provisions of The Prohibition of Ragging Act, 2005".
