

Rahul-Priyanka meet Ankita Bhandari's parents at India Gate

Opposition to making Dushyant Gautam governor, daughter was murdered at a resort in 2022

Rahul Gandhi met Ankita Bhandari's parents who were sitting on a dharna at India Gate on Wednesday evening. Priyanka also stayed with them. Both of them stayed there for about an hour.

The family has appealed to President Drupadi Murmu to stay and cancel the appointment of Dushyant Kumar Gautam as the Governor of Sikkim until the CBI investigation is completed. Dushyant Gautam was appointed as the Governor on October 12. Ankita was a receptionist at a hotel in Uttarakhand. She was murdered in 2022 for refusing to serve a VIP there. The VIP's name has never come to light, but the family has been

questioning Dushyant Kumar Gautam. Rahul put his hand on his father's shoulder. Rahul Gandhi placed his hand on Ankita's father's shoulder and had a conversation. Priyanka made her mother drink water. Priyanka first hugged Ankita's mother, then gave her water to drink. 'My daughter was hoping for justice, now who should we go to' Ankita's mother Soni Devi said in a conversation with Bhaskar that her worries have increased after Dushyant Gautam was made the Governor of Sikkim. She said that the VIP who is being questioned in the case of her daughter's murder has been made the Governor. In such a situation, the family does

not understand who to go to for justice. He said that the family has come to Delhi from Uttarakhand and wants to raise their voice at India Gate. The mother said that they have not been heard at the local level, but the general public has always supported them. It is with the help of the public that this matter has reached this point. She expressed the hope that the people of the country will support them in the future as well and help them get justice for their daughter.

Ankita's father raised these questions related to the investigation

1. Why hasn't the VIP been identified yet? The family has been wandering for justice since

2. The names taken in Urmila Sanawar's video should be investigated

According to the father, Urmila Sanawar later released a video naming Suresh Rathore and Ajay Kumar as alleged VIPs. After this, protests broke out again in Uttarakhand. The family wants an investigation into the aspects related to these names.

3. Demanded an in-

vestigation under the supervision of a Supreme Court judge

The Chief Minister called the family on 7 January 2026. During that time, the family demanded that the CBI investigation be conducted under the supervision of a Supreme Court judge. According to the father, the CBI investigation was announced on 2 February, but even after eight months, he has not received information about the progress made in the investigation.

4. The investigation should move forward instead of repeating old witness statements.

The father said that there was a conversation with CBI officials on October 9. According to him, the officials talked about repeating the statements of the witnesses already recorded in the chargesheet. The family says that instead of repeating these statements, the investigation should be further focused on the identity of the VIP.

No-entry for Pakistani pilots in Israel : Netanyahu government imposes ban; strict action on crews from countries without diplomatic relations

Flights to Israel are now being banned from deploying pilots and cabin crew from 31 countries, including Pakistan. These rules apply to pilots and crew from countries whose countries do not have diplomatic relations with Israel. Apart from Pakistan, these include countries like Iran, Oman, Saudi Arabia and Bangladesh.

Israel's rules also affected an Ethiopian Airlines flight on Tuesday. The plane was in Ethiopian airspace when Israeli officials asked it to turn back, The Jerusalem Post reported.

Officials learned that an Indonesian pilot was on board the plane. Indonesia does not have diplomatic relations with Israel. The plane then returned to the Ethiopian capital, Addis Ababa. There, the pilot was replaced and the plane took off again. It then reached Tel Aviv.

Ethiopian Airlines called it a mistake. The company said it was not

aware that the pilot in question was unable to fly the flight to Israel.

France's national airline Air France says it has informed its employees of the rules. According to a report by French website Mediapart, Air France has also asked employees if they hold citizenship of any other country. According to a report by Israel's Channel N12, the Ministry of Transport informed foreign airlines of these rules on October 1. The airlines are primarily responsible for ensuring compliance with the rules. Israeli authorities did not routinely check the citizenship of each flight crew. For this reason, pilots from Muslim-majority countries like Pakistan, Oman, Iran, Iraq, and Lebanon have previously operated flights to Tel Aviv. Now Israel is enforcing these rules strictly.
