THE GST Council is likely to consider a proposal to allow businesses to file for GST registration in multiple States through a single application process and also list out a unified set of documents that tax officers may ask for.

In a move aimed at bringing about ease of doing business, the council, at its October 7 meeting, is likely to deliberate on a redesigned and simpler GST registration form for large businesses.

Currently there are over 1.68 crore businesses registered under Goods and Services Tax (GST).

The new registration form will be easier to fill and will be accompanied by guidance at all stages. Besides, the form would also list the documents that need to be uploaded.
