TAWANG, Aug 18: A three-day Capacity Building Programme for Primary Teachers of Tawang district commenced today at Timilo Boutique, Tawang, with primary teachers from across the district participating in the programme.

The training programme is being organised by the State Council of Educational Research and Training (SCERT), Itanagar, Government of Arunachal Pradesh, with the objective of strengthening the professional competencies of primary teachers and enhancing the quality of classroom teaching and learning.

Delivering the welcome address, Assistant Director, SCERT, Mudang Omo highlighted the purpose and importance of the initiative. He informed that, based on feedback received from teachers, the need was felt to provide focused capacity-building training specifically for teachers at the primary level, as they play a crucial role in laying a strong educational foundation for children. Accordingly, the programme has been specially designed for primary teachers and is being conducted across the State.

Addressing the partici-

use of the training opportunity.

In her address, Deputy Commissioner Namgyal Angmo urged the participating teachers to remain sincere, attentive and actively engaged throughout the programme so that the three days of training translate into meaningful outcomes in their classrooms.

She stressed that the sessions should be interactive and encouraged teachers to openly share innovative teaching techniques, methodologies and best practices being followed in their respective schools so that participants could learn from one another's experiences.

Highlighting the critical role of primary teachers in foundational learning, the Deputy Commissioner said that teachers at the primary level are among the most important components of a child's educational journey. She urged them to go beyond traditional methods of teaching and make conscious efforts to inculcate critical thinking, curiosity and book-reading habits among children from

an early age, thereby helping them build a strong foundation for future learning.

The Deputy Commissioner also requested SCERT to consider implementing a structured curriculum for pre-primary/ Early Childhood Care and Education (ECCE) to further strengthen children's foundational learning and improve their readiness for formal schooling.

She further expressed gratitude to SCERT and its knowledge partner, the Reach and Teach Foundation, for reaching out to the border district of Tawang and conducting capacity-building programmes for teachers in the district both last year and this year.

Over the next three days, the participating teachers will engage in a series of interactive learning and capacity-building sessions aimed at enriching classroom practices, strengthening teaching methodologies and improving foundational education across the district.

By Bishnu Rana

TEZU, Aug 18: More than 500 students from VKV Sunpura, Government Higher Secondary School (GHSS) Jeko, Government Secondary School Yealiang, and Government Upper Primary School (GUPS) Old Sunpura participated in the nationwide 10 Crore Addiction-Free Pledge Mega Campaign on Tuesday.

Addressing the students, VKV Principal Pranita expressed concern over the growing menace of drug abuse and urged students to become ambassadors of a drug-free society by saying no to all forms of addiction and

contributing towards a Viksit Bharat.

GHSS Jeko Vice Principal Bejum Kato described addiction as a major setback for youth and said education and awareness can help students understand its harmful effects. He also encouraged the practice of meditation to improve mental well-being, concentration, and memory.

GUPS Old Sunpura Headmaster Suresh Yadav highlighted the importance of the Nasha Mukti Bharat Abhiyan (NMBA) in creating awareness among youth about the adverse effects of addiction. He advocated the practice of Rajyoga meditation to en-

hance concentration and sharpen memory.

Earlier, BK Jayanti sensitized students about the dangers of substance abuse, noting that addiction often begins with products such as gutkha, shikhar, and rajnigandha, which contain nicotine and are highly addictive. She also warned about the growing prevalence of synthetic drugs and digital addiction among young people.

The campaign is part of the nationwide "10 Crore Addiction-Free Pledge Mega Campaign" launched virtually by Prime Minister Narendra Modi on August 2 from New Delhi. The initiative aims to ensure mass participation of youth in building a drug-free India. The campaign is being implemented under a Memorandum of Understanding (MoU) signed in 2024 between the Ministry of Social Justice and Empowerment and the Brahma Kumaris, with a focus on awareness, prevention, and community participation under the Nasha Mukti Bharat Abhiyan (NMBA).
