

India ramped up LPG output, diversified imports to weather Hormuz crisis: Union Minister Puri

Panaji, Oct 27 (FN Bureau)

Union Petroleum Minister Hardeep Singh Puri on Tuesday stated that India navigated energy supply disruptions caused by the closure of the Strait of Hormuz by expanding its LPG import sources to 41 countries, asserting that domestic cooking gas availability remained uninterrupted throughout the crisis. Speaking on the sidelines of the 29th Energy Technology and Innovation Meet here, Puri noted that a boost in domestic production — from 34,000 to 55,000 metric tonnes per day — alongside imports from the US and Algeria helped offset Gulf supply shocks. He said that India’s experience during the crisis demonstrated that while geopolitical disruptions cannot always be anticipated, their impact can be minimised

through advance preparedness and coordinated action. “A crisis is not something that you can anticipate. But without anticipating the nature of a crisis, or the specifics of the manner in which it unfolds, you can always start preparing yourself,” he said. The challenge for policymakers was to address emerging supply pressures before they escalated into a crisis, he said, adding that preventive measures had helped the country navigate the disruption without the widespread unavailability of domestic LPG cylinders. Puri said India

expanded its import sources from 27 to 41 countries and domestic LPG production rose from 34,000 metric tonnes per day to 55,000 metric tonnes per day, helping offset disruptions in supplies from the Gulf. He pointed out that India also diversified its LPG procurement, with the US emerging as a major supplier following a deal signed in January to import 10 per cent of the country’s LPG requirements from there. “Today, we are importing 67 per cent of our LPG from the United States,” he said, adding that India also began sourcing the fuel from Algeria and other available suppliers. The increase in domestic production, coupled with higher refining capacity and coordinated efforts across the energy supply chain, played a crucial role in managing the disruption, he said.

UP cabinet approves cashless medical cover of up to Rs 5 lakh for 1.70 lakh non-teaching staff

Lucknow, Oct 27 (FN Bureau)

The Uttar Pradesh Cabinet on Tuesday approved cashless medical treatment of up to Rs 5 lakh for 1,70,366 non-teaching employees associated with secondary and basic education institutions, with the state government set to spend around Rs 51.11 crore annually on their insurance premiums. Finance and Parliamentary Affairs Minister Suresh Kumar Khanna said the decision would extend medical benefits to non-teaching staff and their dependant family members, following an earlier announcement by Chief Minister Yogi Adityanath to provide similar facilities to teachers. “Under the secondary education department’s proposal, 48,062

employees will benefit from the scheme, with an estimated annual expenditure of Rs 14.41 crore on insurance premiums,” Khanna told reporters after the Cabinet meeting. The beneficiaries include non-teaching employees of aided and unaided secondary schools, Sanskrit schools and personnel

working in offices and institutions under the Samagra Shiksha programme. The Cabinet also approved a similar facility for 1,22,304 non-teaching employees associated with basic education, including clerical staff in institutions under the Basic Education Council, aided junior high schools, unaided schools

and state and district project offices. “The annual expenditure on insurance premiums for this category will be Rs 36.69 crore. The government will contribute Rs 3,000 per beneficiary towards the annual insurance premium under the two proposals,” he added. The combined annual expenditure of approximately Rs 51.11 crore will cover the insurance premiums for the two categories of employees, while the cashless treatment facility will extend to their eligible dependant family members. Khanna said the decision was intended to extend healthcare benefits to non-teaching personnel working across the state’s education system. The Cabinet also approved other proposals relating to educational infrastructure, grain storage capacity and investment promotion, he said.

Rain, strong winds likely in eastern Rajasthan

Jaipur, Oct 27 (FN Bureau)

Weather remained largely dry across Rajasthan in the past 24 hours, with light to moderate rain accompanied by strong winds likely in parts of eastern Rajasthan on October 29 and 30, the meteorological department said. The state recorded mostly dry weather during the 24 hours ending Tuesday morning. Barmer recorded the highest maximum temperature at 37.8 degrees Celsius, while Sikar was the coldest with a minimum temperature of 12.2 degrees Celsius. The weather is expected to remain largely dry for now, the department said.

Bihar MLC polls: Counting underway for eight seats, opposition alleges malpractices

Patna, Oct 27 (FN Bureau)

Counting of votes for biennial elections to eight Bihar Legislative Council seats is underway on Tuesday, with opposition parties alleging malpractices in the process, officials said. Since the polling was held on ballot papers, counting trends are not available now, they said. The counting for the council polls, held on October 23, will decide the electoral fate of 90 candidates in four graduates seats and 60 in four teachers constituencies. The counting has been taking place at the Bihar School Examination Board’s regional office in Purnea for the Kosi

graduates seat, SVN Rajkiya Kanya Uchcha Madhyamik Vidyalaya for the Saran teachers constituency and the MIT

administrative block in Muzaffarpur for both Tirhut seats, said a senior official at the CEO’s office here. In Patna, the counting is underway at Bankipur Government Girls’ Senior Secondary School, while votes are

being counted for two Darbhanga constituencies at Khel Bhawan-cum-Vyayamshala Bhawan, he said. Purnea District Magistrate Anshul Kumar said the counting started at 8 am for the Kosi graduates seat and agents of candidates were present on the premises. “The seals of ballot boxes were opened in the presence of counting agents. The counting process is going on. Results can be expected in the evening or on Wednesday morning,” he said. Congress’ Patna teachers constituency candidate Sanjay Yadav held a protest outside the counting centre at Bankipur school, alleging malpractices and the “absence of CCTV

cameras” in the counting hall.

“Electoral malpractices have been reported. CCTV cameras have been installed outside the counting hall, but no device was placed inside the hall. It is an attempt to orchestrate malpractices,” Yadav told PTI Videos. RJD’s Patna teachers constituency nominee Sanjeev Kumar Singh also alleged that the district administration had made arrangements for “carrying out irregularities”. Jan Suraaj Party candidate Anuj Singh said he would lodge a complaint to the Election Commission over “absence of CCTV

cameras inside the counting hall”. “CCTV cameras are not installed inside the counting hall, and the condition here is very unhygienic. Adequate arrangements for agents have not been made. How will our counting agents stay here during the expected 18-20 hour counting period? I will write an email to the Election Commission,” he said. Reacting to the allegation of absence of CCTV cameras inside the counting hall, Patna District Magistrate Kundan Kumar said, “Videography is being done in MLC elections instead of installing CCTV cameras.”

HC quashes FIR against Pune student for social media post over Op Sindoor

Mumbai, Oct 27 (FN Bureau)

The Bombay High Court on Tuesday quashed a criminal case registered against a 20-year-old engineering student for reposting a controversial comment after ‘Operation Sindoor’, observing that the post was an isolated act followed by voluntary deletion and remorse. A chance is required to be given in such cases, a single bench of Justice Milind Jadhav said, noting that the student has already suffered custody. “That in itself for a young student is a scar which cannot be erased easily,” Justice Jadhav said. The woman student from a private college in Pune was arrested on May 9, 2025, over the controversial Instagram repost related to Indo-Pak tensions following Operation Sindoor. Justice Jadhav observed that the accused was a young student, and the incident appears to be an isolated act of re-posting (content), followed by its voluntary deletion and an expression of remorse, probably because of the exuberance of youth and age.

Guwahati shootout survivor stable, post-mortem exams of five victims underway

Guwahati, Oct 27 (FN Bureau)

The lone survivor of the shootout at a hotel in Guwahati was in stable condition, an official said on Tuesday. Satyen Pathak was among six people who were shot at Hotel Bilas Inn on Monday night in a dispute between the owner of the property and its leaseholder. Pathak is the lone survivor of the attack, while the rest died, according to police. Gauhati Medical College and Hospital (GMCH) Superintendent Devajit Choudhury said the bullet had passed through Pathak’s right hand without damaging any vital organs. “He is in a stable condition. He will require further tests and will have to remain in the hospital for a few more days,” he said. Choudhury said the post-mortem examinations of the five deceased were being conducted at GMCH, and the bodies would be handed over to their families after the necessary formalities. All the deceased were associated with the hotel owner, with four belonging to the same family, police said. Guwahati Police Commissioner Partha Sarathi Mahanta said the accused, identified as Ghanakanta Gogoi — the property’s leaseholder, was apprehended in the Paltan Bazar area within an hour of the incident, which happened around 9 pm. The weapon allegedly used in the shooting, a licensed .32-bore pistol, was also seized, he said.
