Darshan timings at the Sri Chamundeshwari Temple atop Chamundi Hills in Mysuru will be revised on October 17 on the occasion of 'Kaalaratri'. In a statement, the secretary of the Sri Chamundeshwari Kshetra Development Authority said the issuance of all entry tickets would be suspended from 4 pm. The temple will close at 5 pm and reopen at 8 pm. During this period, devotees will be allowed free darshan.

Give first-preference votes to Congress, Khandre to teachers

EXPRESS NEWS SERVICE @Bidar

RURAL Development and Panchayat Raj Minister Eshwar Khandre has appealed to teachers not to forget the contributions of the Congress party in ensuring dignity, respect and rights for the teaching community.

Addressing teachers during an election campaign at Karnataka Education Society here on Friday, Khandre urged them to cast their first-preference votes for Congress candidate Sharanappa Mattur in the North-East Teachers' Constituency Legislative Council election scheduled for October 23 and ensure his victory with a huge majority.

Khandre added that the Congress leadership played a significant role in upholding the dignity of the teaching profession. He recalled that Dr Sarvepalli Radhakrishnan, one of India's most distinguished teachers, was elected President of India, reflecting the importance attached to the teaching community. 17,000 teachers to be recruited; 7,000 posts for Kalyana Karnataka

Khandre said the state government was undertaking the recruitment of approximately 17,000 teachers, of which 7,000 posts would be allocated to the Kalyana Karnataka region. To address the shortage of teachers and improve the quality of education in the region, a request had also been made to the Chief Minister to fill an additional 5,000 teaching posts, he said.

Congress instrumental in securing Article 371(J) status

Highlighting the party's contribution to the development of Kalyana Karnataka, Khandre said the implementation of Article 371(J) of the Constitution had created special opportunities in education and employment for people of the region.

The special status had opened up new opportunities for the youth and contributed to the region's development, he said.

Khandre reiterated that the party remained committed to teachers' welfare, protection of their rights, development of educational institutions and improvement of educational standards.

He appealed to teachers to allow Mattur to represent their concerns effectively in the Legislative Council and work towards resolving their problems.

"Teachers should place their trust in the Congress candidate and give him their first-preference votes to ensure a resounding victory," he urged.

MLA Rahim Khan, district Congress committee president Abdul Mannan Seth, Karnataka Education Society president Basavaraj Jabashetty, teachers and other dignitaries were present on the occasion.

Public anger against Congress govt will ensure NDA win in all 4 MLC seats: Joshi

EXPRESS NEWS SERVICE @ Gadag

UNION Minister Pralhad Joshi has expressed confidence that NDA candidates will win all four Legislative Council seats in Karnataka, including the West Graduates' Constituency, alleging growing public dissatisfaction with the Congress government's performance in the state.

Speaking to the media here on Friday, Joshi launched a sharp attack on the Congress government over its administration, power shortages, drought management, rising prices and the recent sting operation controversy. He said Karnataka had once been a state with substantial electricity generation capacity, but farmers and rural residents were now facing frequent power cuts. He alleged that the state had failed to ensure adequate power procurement and supply, adding that it lacked the capacity to purchase and distribute sufficient power to meet public demand. Criticising the government's drought relief measures, Joshi said the previous BJP government had provided compensation of ₹8,000 per hectare for certain crop losses, ₹13,000 for dryland agriculture and ₹25,000 for irrigated land during periods of excessive rainfall. In contrast, he alleged, the present government had announced only ₹2,500 per affected farming family in drought relief, failing to provide adequate assistance to farmers.

Commenting on the controversy surrounding a recent sting operation in the state, Joshi called for a comprehensive investigation to establish the facts and identify those responsible. He said the state government should order a Special Investigation Team (SIT) probe or ensure an investigation under court supervision. Those found guilty should face action irrespective of their political affiliations, he added.

Expressing concern that the debate surrounding the controversy was focusing more on the identity of those who recorded the footage than on investigating its contents, the minister said that despite his differences with former CM Siddaramaiah, a fair and impartial investigation was necessary to establish the truth.

Cooperate with committee: Farmers told

HUBBALLI: Union Minister Pralhad Joshi said a committee headed by Prof Ramesh Chand was constituted to address issues faced by sugarcane farmers, including pricing, weighing discrepancies, and recovery rates. Urging farmers to cooperate with the committee, Joshi expressed hope that it would arrive at a positive decision soon. He said the Centre's ethanol-blending policy had helped improve payment mechanisms for sugarcane growers, while increased ethanol procurement and the use of sugarcane products for ethanol production had benefited both farmers and the sugar industry. Joshi also urged the Karnataka government to address farmers' demands, particularly the fixation of a State Advised Price (SAP) for sugarcane. He said officials had been assigned to examine growers' concerns.

YERNALE SECURES PLACE IN STANFORD UNIV'S WORLD'S TOP 2% SCIENTISTS LIST

Bidar: Dr Nagesh G Yernale, Head of the Department of Chemistry at Guru Nanak First Grade College (GNFGC), Bidar, has brought pride to the institution and the district by securing a place in the prestigious World's Top 2% Scientists List 2026, compiled by Stanford University in collaboration with Elsevier, stated a release by the college here on Friday. This marks Yernale's third consecutive year of recognition, following his inclusion in the 2024 and 2025 editions of the list. His continued presence in the internationally recognised ranking highlights his consistent contributions to scientific research and academic excellence.

According to the 2026 single-year list, 6,954 researchers affiliated with Indian institutions have been recognised, reflecting India's growing contribution to global scientific research. Yernale secured a global rank of 277,762 and a subfield rank of 508 in General Chemistry, as per his reported ranking details. The list is based on standardised citation indicators that assess the impact of researchers' scientific publications and contributions. Hailing from Hedgapur village in Aurad taluk, Yernale completed his B.Sc. at Guru Nanak First Grade College, and his M.Sc. and Ph.D. in Chemistry at Gulbarga University, under the guidance of Prof B H M Mruthyunjayaswamy. His research interests include coordination chemistry, Schiff base metal complexes, bioactive compounds, nanomaterials, drug discovery, and computational chemistry. He has published more than 70 research articles and authored two books, making significant contributions to scientific research. ENS

Prioritise meeting drinking water needs of Jewargi, Raichur dist: Min

EXPRESS NEWS SERVICE
@Kalaburagi

MINISTER of Minor Irrigation, Science & Technology and Jewargi MLA Dr Ajay Dharam Singh urged that special priority be given to the drinking water needs of Jewargi Assembly Constituency and Raichur district. He also insisted that water reach farmers' fields in the tail-end areas of the canal network.

In a press note issued by Singh's office here on Friday, it has been stated that participating in the Irrigation Consultative Meeting for the Upper Krishna Project (for the year 2026-27) held at Vikas Soudha in Bengaluru under the chairmanship of Vijayanand Kashappanavar (who is the chairman of Upper Krishna Project Irrigation Consultative Committee and Bagalkot District In-charge Minister, Singh brought to the committee's attention that several villagers located at the tail-end of the JBC, IBC, and MBC canals in Jewargi Assembly constituency are not receiving adequate water supply, causing hardship for both the local population and livestock. In light of this, he requested that 2.5 TMC of water be reserved to meet the drinking water and essential usage needs of the Jewargi constituency through the upcoming summer.

The Jewargi Branch Canal, spanning from kilometer 40 to 86.36, covers a command area of 50,425 hectares; according to the design specifications, this section requires a water flow of 1,033 cusecs. The Minister pointed out that currently only about 500 cusecs of water is flowing, indicating a shortage of approximately 533 cusecs. He urged that the pending canal renovation works be taken up on a priority basis, noting that the Jewargi and Mudabal branch canals are 25-30 years old and are experiencing leakage and water loss.

He also called for a technical review of the impact of the barrier near the Kembhavi Head Regulator, and for necessary corrective measures to be taken.

Three TMC of water for Raichur

Singh during the meeting also insisted that three TMC of water be reserved immediately to meet the drinking water requirements of Raichur city during the upcoming summer. He emphasised that water availability and shortage should be planned for, rather than waiting to take action only after water crisis arises. Former minister and MLA of Shahapur (Yadgir district) Sharanabasappa Darshanapur was present.

Minister for Minor Irrigation, Science & Technology Dr Ajay Dharam Singh participating in the Irrigation Consultative Meeting for the Upper Krishna Project on Friday | EXPRESS

PUBLIC NOTICE

THE public in general is hereby informed that my client, Mr. Md.
