# Decline of poverty rate reflects impact of Modi govt policies: BJP

**Press Trust of India**
Kochi

The BJP on Saturday said the latest world bank report noting a sharp decline in extreme poverty rate in India reflects the impact of sustained policy efforts taken by the Modi government.

BJP national media convenor Ashish Usha Agarwal said this was "a New India, moving towards prosperity with inclusive growth".

The World Bank report has noted that India's extreme poverty rate dropped sharply to 2.6 per cent in 2023 from 27.1 per cent in 2011, with the country lifting an estimated 496 million people out of poverty.

The report, titled 'India Poverty and Equity Brief: October 2026', said the poverty estimates are based on the lower middle-income country threshold of USD 4.20 per day and the extreme poverty threshold of USD 3 per day, measured at 2021 purchasing power parity (PPP).

Over the past decade, India has made remarkable progress in reducing poverty across both monetary and non-monetary dimensions, recording "one of the fastest poverty declines" in the world, it said.

Citing the World Bank's report, Agarwal said in a post on X, "India's extreme poverty has declined from 27.6% to below 2.6%, while the share of the population living below the lower-middle-income poverty line has fallen from 57.7% to 16.1%. in a post on X.

This progress reflects the impact of sustained policy efforts and the expanding reach of development initiatives across the country, he said, calling it a "remarkable milestone" in India's journey towards inclusive growth and poverty reduction.

"Under the leadership of Hon'ble PM Shri Narendra Modi Ji, India's development journey has placed poverty alleviation, financial inclusion and improved living standards at the centre of governance," the BJP leader added.

# Class 10 student attacked with chainsaw inside Andhra classroom

A Class 10 student is battling for her life after a man allegedly stormed into her classroom with a chainsaw and brutally attacked her at a government school in Andhra Pradesh's Anantapur district on Friday. Another student was also injured while attempting to stop the assault.The shocking incident took place at the Zilla Parishad High School in Raptadu mandal headquarters when lessons were underway.

The accused allegedly entered the Class 10 classroom carrying a chainsaw used for cutting trees and attacked the victim.

According to preliminary reports, the accused allegedly slashed her face and inflicted injuries on her head and back. Her classmates and the teacher present inside the classroom witnessed the attack. Another student sustained injuries when she attempted to intervene and stop the accused from assaulting the victim.

**The man slashed the girl's face and inflicted injuries on her head and back.**

The attacker reportedly fled the scene after the assault, leaving the victim severely injured inside the classroom.

Teachers and fellow students immediately alerted the police and rushed the victim to a nearby hospital for emergency treatment.

Preliminary investigation reportedly suggests that the accused was a distant relative of the victim and had allegedly been harassing her for some time.

The accused is suspected to have developed a grudge against the student after she rejected his advances and warned him to stay away from her.

The victim had reportedly told him that she would inform her parents about his behaviour.The accused allegedly attacked her inside the school following the rejection. Police have registered a case and launched a manhunt to trace and apprehend him.

Further details about the accused and the circumstances leading to the assault are awaited.

Chandrababu Naidu expresses shock, orders swift action

Andhra Pradesh Chief Minister N Chandrababu Naidu expressed deep anguish over the attack on the schoolgirl and sought an update on her medical condition.

After learning about the incident, Naidu reportedly contacted senior district and medical officials to review the student's condition and ensure that she receives the best possible emergency treatment.

The Chief Minister also directed the police department to expedite the investigation, track down the accused and initiate stringent legal action against him.

The attack has triggered shock and concern among students, teachers and parents in the region, raising fresh questions about the safety of children inside educational institutions.

## Sahil Wakode's parents move HC seeking CBI, SIT investigation

**Mumbai, PTI:** The parents of Sahil Wakode, an IIT student who ended his life on September 18, have moved Bombay High Court seeking a fair and independent investigation into his death by the Central Bureau of Investigation (CBI) or a Special Investigation Team (SIT). The plea filed by Ravindra and Sonali Wakode, through advocate Hitendra Gandhi, said their 20-year-old son had committed suicide after facing caste-based humiliation. The plea is likely to be mentioned on Monday. The petition alleged that police had failed to probe the case with the seriousness it merits and, hence, sought the probe to be monitored by a retired judge.

## IDBI divestment: KTR asks why valuation rules changed

**Press Trust of India**
Hyderabad

Amid the row over the IDBI Bank disinvestment, BRS Working President K T Rama Rao on Saturday said reports of the bank's undervaluation were "really concerning."

He noted that IDBI owns valuable real estate, including prime land in Hyderabad, and asked whether its value had been properly accounted for.

"Reports about undervaluation of IDBI Bank are really concerning. Why were the rules and valuation methodology changed when bids fell below the reserve price?" he said in a post on X, responding to an appeal from the All India IDBI Officers' Association to raise the issue of the bank's privatisation.

He asked why the concerns raised by IDBI employees were not being addressed. "Before selling off a reputed public sector bank to a private player, the union government owes the country some straight answers. What's the hurry?" he said.

Public sector undertakings and public sector banks are national assets that must be safeguarded, he added.

Responding on Friday to Congress leader Rahul Gandhi's criticism of the NDA government over the disinvestment, Union Finance Minister Nirmala Sitharaman said IDBI Bank "was handed over to us in poor shape, as IDBI itself was forced to lend to large business groups with close connections to @INCIndia leaders such as Videocon, Winsome, ABG Shipyard, and Kingfisher."

# TN jailbreak: CM Vijay suspends deputy jail superintendent, orders transfers

**Press Trust of India**
Chennai

Chief Minister C Joseph Vijay on Saturday ordered the suspension of the deputy jail superintendent in charge of Thekkampatti sub-jail for dereliction of duty and initiated action against the prison personnel for security lapses leading to the major jailbreak on October 26.

In a decisive response to the jailbreak in Theni district, in which 17 prisoners escaped after staging a fake medical emergency and overpowering prison guards but were later recaptured, Chief Minister Vijay has ordered stringent disciplinary actions against prison officials for dereliction of duty and security lapses.

The directives include the immediate suspension of the deputy jail superintendent (in-charge) N Ramalingam until further orders and a strategic reshuffle of top prison administrators across the state.

The incident occurred on the night of October 26, 2026, when 17 remand prisoners lodged in the sub-jail escaped after violently overpowering and assaulting the prison guards on duty. Alerted by the security breach, the Tamil Nadu Police launched a massive multi-agency combing operation, successfully tracking down and recapturing all 17 escapees within a short span before lodging them back in safe custody.

They had effectively used drones to locate and apprehend eight convicts hiding among thickets away from the prison.

Taking a serious view of negligence, security loopholes, and lack of vigilance that enabled the escape, Chief Minister Vijay directed the Prisons Department to initiate severe punitive measures.

# Akhilesh questions Shah over crimes against women, Dalits

**Press Trust of India**
Lucknow

Samajwadi Party president Akhilesh Yadav on Saturday questioned Union Home Minister Amit Shah over crimes against women and Dalits in Uttar Pradesh, while party MP Awadhesh Prasad said the BJP had lost ground in the state, citing its recent electoral setbacks.

"Home Minister should look into why women face so much injustice in Uttar Pradesh, why the state witnesses so many murders and why people from the Dalit community are among the worst affected," Yadav said.

Reacting to Shah's assertion that the BJP government in Uttar Pradesh was firmly established and could not be dislodged, Prasad said the party's political footing had already weakened.

Shah had on Friday compared the BJP government's position in the state to "Angad's foot", saying nobody could move it, and expressed confidence that the party would return to power.

"The foot has already been uprooted," Prasad told PTI Videos. He said the BJP had failed to retain several seats in the recent Uttar Pradesh Legislative Council elections despite making every effort.

He cited the party's defeats in Varanasi, from where Prime Minister Narendra Modi has been elected, as well as in Lucknow and Agra.
