...ction of a drain and ...rd number 1 in Ikra ...ony remains incomplete. As some places, the civic body has constructed road and drain, but at many places the work remains incomplete. As the area lacks drains, the residents face problems of water outflow. Similarly, the half-built roads cause troubles for the residents.

Ward corporator Ramdayal Vishwakarma met the collector on Monday demanding him complete the work.

He informed the collector that the agricultural land of Ikra colony was converted into residential plots in 2006.

Vishwakarma said people purchased land in the area and started living in the colony from 2010. After the establishment of Ikra Public School in 2011, the area came to be known at Ikra colony. According to the corporator, the Nagar Palika Parishad provided road, drains, street lights, and water in 2012.

The corporator said the colony was declared illegal in 2016. The development work in the colony has stopped since 2016.

...objected to many decisions made by the CEC, but the objections remained unheeded, he said. According to Sharma, form-6 is used to include new voters. The Congress leader said the step taken by the EC caused troubles for the voters. He also spoke about the EC software.
