Fear lingers after leopards seen on school roof in Bahraich

Bahraich: Multiple leopards spotted on the roof of a primary school near the Katarnighat Wildlife Sanctuary on Wednesday night have left residents of Girjapuri Colony living in fear, with locals demanding increased patrolling in the area.

A video showing the big cats moving across the rooftop of the Sharda Sahayak Pariyojana Primary School was recorded by locals and later went viral on social media, triggering panic in the area. Following the sighting, the forest department intensified patrolling to ensure public safety.

According to information, forest guard Gopal was patrolling the colony with his colleagues when he spotted leopards on the roof of the primary school. Gopal and his team immediately alerted residents and informed the forest department about the sighting.

The incident has heightened fears among residents of Girjapuri Colony as the school premises are located close to the Katarniaghat Wildlife Sanctuary.

The forest department has stepped up patrolling in response to the incident. Residents have been advised to remain alert, especially during the evening and night hours. TNN

Farmer mauled by leopard, escapes after fighting back

TIMES NEWS NETWORK

Bahraich: A 45-year-old farmer sustained serious injuries after fighting off a leopard that attacked him while he was working in his field in Bahraich's Motipur range on Friday afternoon, triggering panic among villagers and prompting the forest department to intensify patrolling.

The injured farmer, identified as Kennu, a resident of Prithvipurwa in Jhala village under the Katarniaghat Wildlife Division, had gone to his field around 1 pm when a leopard hiding in a nearby sugarcane field suddenly pounced on him.

BAHRAICH

Despite the unexpected attack, Kennu fought back bravely. During the struggle, he suffered severe injuries to his right hand. The leopard eventually released him and fled into the sugarcane field.

Kennu managed to reach his home and informed his family members about the incident. His relatives immediately rushed him to the Motipur Community Health Centre, where he was given first aid. Considering the seriousness of his injuries, doctors later referred him to the Medical College.

The incident has created fear among residents, with many villagers apprehensive about visiting the ir fields. They have urged the forest department to install a cage trap in the area to capture the leopard and prevent further attacks. A forest department team reached the spot and inspected the area following the incident.

DFO Apurva Dixit said a team was immediately dispatched after receiving information about the attack. Patrolling has been intensified in the area, and villagers have been advised to remain alert and take necessary precautions.

NIA to examine suspected Pak link in 20 threat calls

▶Continued from P 1

ATS officials said Tushar first connected with Bhatti and Jatt on Instagram, with conversations later shifting to voice and video calls. The probe alleges Tushar created social media accounts in Bhatti's name and adopted the identity "Hizbullah Ali Khan" while carrying out tasks assigned by handlers.

ATS findings also allege Sameer was tasked with identifying and recruiting more youth online, promoting Tehreek-e-Taliban Hindustan (TTP) and amplifying its visibility, including through alleged propaganda slogans on walls.

Another focus of NIA probe is more than 20 threatening calls traced during ATS investigation, some suspected to involve Pakistan-based participants joining via conference connections. Officials said threats were reportedly issued over religious conversion and other sensitive issues, and the agency will verify the origin and coordination behind the calls. Bhatti is described by investigators as a gangster-turned-terror suspect whose alleged network has been linked to suspected grenade, IED and petrol bomb attacks, targeted killings and reconnaissance of sensitive locations in India.

4 flights for Kathmandu & Kashi diverted to Lucknow

Four flights en route to Kathmandu and Varanasi were diverted to the Chaudhary Charan Singh International Airport here on Monday morning due to adverse weather conditions. An Himalaya Airlines flight from Hangzhou in China to Kathmandu landed in Lucknow at 7.40 am. It later departed for its destination at 9.26 am. A flydubai flight from Dubai to Kathmandu landed in Lucknow at 8.18 am, and departed at 9.46 am. PTI
