SC declines plea to extend Keralam SIR deadline

The Hindu Bureau
NEW DELHI

The Supreme Court on Friday found it unnecessary to formally extend the deadline for the re-verification of the special intensive revision (SIR) of the electoral rolls in Keralam, saying the exercise of correcting electoral records and inclusion of voters is a "continuing process".

A Bench comprising Chief Justice of India Surya Kant and Justices Joymalya Bagchi and V. Mohana, however, permitted petitioners to submit details of individuals who were unable to file enumeration forms within the prescribed deadline.

Police: deliberate manipulation in Kerala PSC exam

The State Crime Branch alleged that the irregularities in the KPSC exam were carried out with the knowledge of officials

The Hindu Bureau
THIRUVANANTHAPURAM

A remand report filed by the Kerala Police Crime Branch has alleged deliberate manipulation in the Kerala Public Service Commission (KPSC) examination conducted for the State Planning Board.

Such allegations have been detailed in the remand report of P. Satheesh, a former Deputy Secretary of the KPSC, who was arrested in connection with the case.

According to the report, the irregularities were purportedly carried out with the knowledge of officials, including Mr. Satheesh and another officer, R. Hari, an Additional Secretary, who is absconding.

The police allege that 10 questions were intentionally excluded from the evaluation and that the online evaluation camp was closed without restoring those questions. The investigators suspect that the questions were deliberately withheld because their evaluation could have changed the ranking of candidates and prevented certain favoured persons from securing appointments.

Meanwhile, the Special Investigation Team (SIT) has issued notice to KPSC Secretary Saju George to appear for questioning on Saturday.

The Controller of Examinations will also be summoned to seek clarification on the alleged involvement of KPSC Chairperson M.R. Baiju and the accused officials in the case.

Notices will be issued to 10 KPSC members directing them to appear for questioning.

The investigation team has sought to clarify alleged inconsistencies in the statements given by Mr. Baiju during questioning a few days ago.

He reportedly maintained that the commission had not committed any errors in the Planning Board examination and that the irregularities resulted from technical errors committed by officials.

The SIT has issued notice to KPSC secretary to appear for questioning, plans to question 10 more members. FILE PHOTO

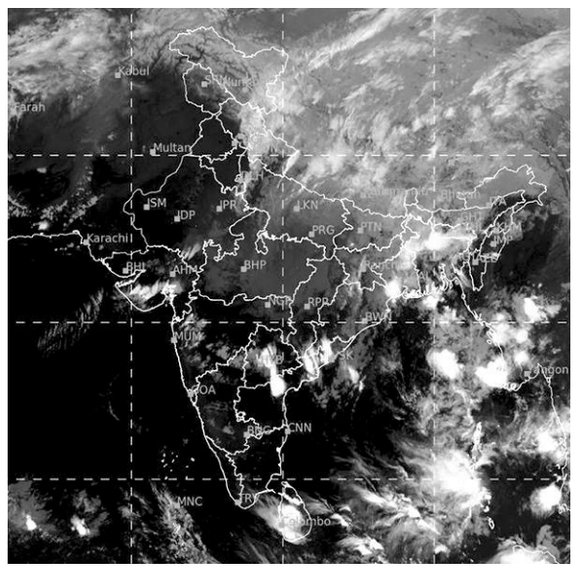

Three cyberfraudsters arrested

The Hindu Bureau
HYDERABAD

Three persons, a 24-year-old man among them, were arrested by the Telangana Police for procuring mule bank accounts and selling them to cyberfraudsters for ₹20,000 to ₹25,000 each. The police allegedly identified 83 such accounts opened through their network across Hyderabad.

Yesterday

In observation made at 4.00 p.m., Bikaner, Rajasthan recorded an overall air quality index (AQI) score of 196 indicating a moderate level of pollution. In contrast, Gangtok, Sikkim recorded a healthy AQI score of 12

Air Quality Code: Poor | Moderate | Good (Readings indicate average AQI)

SO_2: Sulphur Dioxide. Short-term exposure can harm the respiratory system, making breathing difficult. It can affect visibility by reacting with other air particles to form haze and stain culturally important objects such as statues and monuments.

NO_2: Nitrogen Dioxide. Aggravates respiratory illness, causes haze to form by reacting with other air particles, causes acid rain, pollutes coastal waters.

CO: Carbon monoxide. High concentration in air reduces oxygen supply to critical organs like the heart and brain. At very high levels, it can cause dizziness, confusion, unconsciousness and even death.

PM2.5 & PM10: Particulate matter pollution can cause irritation of the eyes, nose and throat, coughing, chest tightness and shortness of breath, reduced lung function, irregular heartbeat, asthma attacks, heart attacks and premature death in people with heart or lung disease
