Videocon's Dhoot declared...

The matter pertains to Videocon Industries Ltd (VIL), which had availed credit facilities from SBI and its erstwhile associates - State Bank of Hyderabad, State Bank of Mysore, State Bank of Travancore, State Bank of Bikaner and Jaipur and State Bank of Patiala. In this, a certain amount was also availed by Videocon Telecommunications Ltd (VTL) as a co-obligor.

However, it defaulted, and according to the SBI petition, the total amount defaulted, including interest and penalties, was Rs 12,668.06 crore as on September 30, 2026.

This comprises Rs 9,322.10 crore under the rupee term loan facility, Rs 1,437.76 crore under the VTL facility and Rs 1,908.19 crore under the working capital facility.

Dhoot had given personal guarantees for facilities availed by Videocon Industries from SBI and its erstwhile associate banks, which were merged with SBI in April 2017. SBI invoked the guarantees through demand notices in February 2018.

The NCLT has already initiated the personal insolvency resolution process against Dhoot on April 8, 2026. During the personal insolvency resolution process, Dhoot submitted a repayment plan on June 16, 2026, offering Rs 600 crore over 36 months through a proposed development project in Siliguri, which was just 0.42 per cent of the admitted dues.

However, the resolution professional found the proposal contingent on future project approvals and cash flows, with no upfront payment. He reported that the plan was not prepared in consultation with him as required under Section 105 of the Code and was contingent on future development, approvals and cash flows.

Forex reserves drop by...

banks raised a record USD 133 billion, but have been on a decline ever since.

Experts attribute this decline to the deployment of the FCNR(B) resources and also to currency defence put up by RBI through dollar sales.

During the week ended October 30, foreign currency assets, a major component of reserves, decreased by USD 2.088 billion to USD 591.118 billion, according to the data released by RBI.

Expressed in dollar terms, the foreign currency assets include effects of appreciation or depreciation of non-US units, such as the euro, pound, and yen, held in foreign exchange reserves.

The value of gold reserves decreased by USD 559 million to USD 102.591 billion during the week, RBI said.

The Special Drawing Rights (SDRs) were down by USD 47 million to USD 18.558 billion, the central bank said.

India's reserve position with the IMF was up by USD 3 million to USD 4.79 billion, RBI said.

NCP merger buzz revives after Pawar-Patel hospital video

MUMBAI, Nov 6 (PTI)

AMID a viral video of Praful Patel visiting NCP (SP) chief Sharad Pawar at a hospital and discussing a possible meeting after November 10, ruling NCP's Maharashtra President Sunil Tatkare said the merger of two factions would have happened in February this year if Ajit Pawar were alive.

The two developments once again triggered speculation about the merger of the two factions of the Nationalist Congress Party (NCP).

While the ruling NCP is currently headed by Maharashtra Deputy Chief Minister Sunetra Pawar, the NCP (SP), which is part of the Opposition Maha Vikas Aghadi (MVA) alliance, is led by Sharad Pawar.

Talking to reporters, Tatkare said the merger of the two NCP factions would have been formalised on February 12 had Ajit Pawar been alive.

Ajit Pawar, who was Deputy Chief Minister of the State and NCP President, died on January 28 in a plane crash at hometown Baramati in Pune district. Following his death, his wife Sunetra Pawar took over as the chief of the NCP and also became the deputy CM.

Tatkare said, "Ajitdada had told me about the merger discussions and how they would be finalised."

His statement comes amid a viral video of Praful Patel, a senior NCP leader, meeting Sharad Pawar at Breach Candy Hospital in Mumbai, where the latter is admitted, and discussing a possible meeting after November 10.

SC reaffirms stand on OBC creamy layer criteria, says no prospective application

NEW DELHI, Nov 6 (PTI)

THE Supreme Court on Friday reaffirmed its March 11 verdict which had held that the salary or income of a parent employed in a PSU or the private sector could not by itself be treated as the determinative criterion for creamy-layer exclusion for the Other Backward Classes (OBC).

A bench of Justices P S Narasimha and R Mahadevan also rejected the Centre's plea to make the verdict applicable only prospectively, saying there was "no convincing or reasonable justification" for deferring the implementation of the judgment.

"The judgment dated March 11, 2026 determines the rights of the parties before this court. It holds that the respondent candidates fall within the non-creamy layer of the OBC category and are entitled to the benefit of reservation together with consequential placement and allotment of posts in the selection processes in which they participated.

"The grant of such benefit shall not, by itself, operate to the detriment of the seniority of any other person or entail the reopening of selections or appointments already concluded. In this regard, it is relevant to note that by its letter dated December 20, 2016, the DoPT had clarified that the selections pursuant to the Civil Services Examination, 2016 were subject to the outcome of the appeals pending before this court," the bench said. The top court clarified that the judgment was applicable to the parties before the court and that already concluded seniority and promotions would not be reopened.

"The claims of persons asserting that they are similarly placed, whose cases are pending before any court, tribunal or other competent forum or authority may be considered on their own merits by the concerned adjudicating body or authority.

"This court expresses no opinion on the merits of such claims, save to reiterate that the interpretation of the 1993 OM (office memorandum) and the 2004 letter laid down in the judgment may be taken into consideration while adjudicating such claims in accordance with law," the bench said. On March 11, the top court had given the Government six months to implement the judgment which was extended by two months on Friday.

into a criminal conspiracy to obtain credit facilities from the State Bank of India and also from the consortium of nine banks.

Future Retail operated multiple retail formats, including hypermarkets and supermarkets such as Big Bazaar, Fashion@Big Bazaar and Foodhall. It was also engaged in the general trading of FMCG and fashion goods through its stores, the statement said.

The CBI alleged that the company did not use the bank funds for the purposes for which they had been sanctioned.

"It is further alleged that the company diverted the funds by siphoning them off through associate companies/connected entities and caused loss to the bank," the statement said.

The agency registered the FIR on November 4 and conducted searches at multiple premises in Mumbai.

"Incriminating documents relevant to the investigation were recovered and seized during the searches," the CBI spokesperson said.

Cab driver kills wife, 6 of...

"According to the accused's statement, he had murdered seven of his relatives, including his wife," Singh said. Only one body had been recovered so far, and efforts were underway to trace the remaining six. Special police teams have been formed and dispatched to various places based on information provided by him, he added.

Singh said the Joint Commissioner of Police and the North Division Deputy Commissioner of Police were personally supervising the investigation. The murders allegedly took place at the accused's residence in the Rajajinagar police station limits over the last 15 to 20 days. The exact timeline of the killings was yet to be established, he said. According to police sources, Sekar allegedly murdered his wife Sunita first, using a grinding stone, and disposed of her body near Nandi Hills.

He subsequently switched off her mobile phone and allegedly told neighbours that she had gone on a trip to avoid suspicion. The following day, he allegedly invited Shivakumar and Shankar to his house for a party and killed them. He subsequently murdered Divya, Nalini, Rupavathi and Puneeth, sources said.

The alleged murders came to light after Nalini's mother lodged a missing-person complaint at police station on November 3.

SC refuses to suspend...

appearing for Tejpal, referred to the evidence and other materials in the case and argued that the "whole story is false".

Solicitor General Tushar Mehta, who appeared for the Goa Government, opposed Tejpal's plea and said it is a case for enhancing the sentence.

On August 6, the Bombay High Court convicted Tejpal of rape and sentenced him to rigorous imprisonment for 10 years, overturning the acquittal of the former editor of Tehelka magazine by the trial court five years ago.

He was convicted of raping the junior colleague during an event.

include those left out, booth-wise lists of such electors, along with probable reasons for their exclusion, will be displayed at polling stations and designated local government offices. The lists will also be uploaded on the websites of the respective Chief Electoral Officers.

The commission has directed officials to provide fresh enumeration forms to these electors and make all possible efforts to contact them through Booth Level Officers (BLOs), including house-to-house visits, WhatsApp, e-mail and SMS.

Electors who have not shifted residence can submit their duly filled enumeration forms along with a statement explaining why they could not submit them earlier. Those who have shifted within the state need not file Form-8 for a change of address.
