SC agrees to hear DMK leader's plea challenging rejection of election petition

NEW DELHI, NOV 6: The Supreme Court on Friday agreed to hear a plea filed by DMK leader K R Periyakaruppan challenging the victory of TVK candidate R Seenivasa Sethupathi by one vote in the Tamil Nadu Assembly elections held in April.

A bench of Justices Vikram Nath and Aparesh Kumar Singh admitted the appeal filed by Periyakaruppan, who challenged a Madras High Court order that rejected his election petition against Sethupathi's victory, for hearing.

The top court asked the respondents, including Sethupathi, to file counter affidavits within six weeks. It directed that in the meantime, all relevant records relating to the election shall remain intact.

Senior advocate Amit Anand Tiwari, appearing for the DMK leader, said that election results were declared on May 4, which showed Periyakaruppan lost by a margin of one vote. The high court on September 28 rejected Periyakaruppan's election petition. Sethupathi secured 83,375 votes in the Tirupattur Assembly constituency in the elections held on April 23, one more than Periyakaruppan's tally of 83,374.

"The high court has rejected the appellant's election petition at the threshold. It is respectfully submitted that the single judge has committed a grave error by testing the election petition on proof rather than on pleadings, without considering the crucial facts," Periyakaruppan said in his plea filed in the apex court. The plea said the high court had allowed the application filed by Sethupathi and rejected the election petition at the threshold, without a trial. It said that in the election petition, Periyakaruppan had contended that 306 postal ballots were rejected.

"In the present case, the margin was one vote, and the rejected postal ballots were 306. It is the appellant's specific case in the election petition that the Returning Officer-185, instead of re-verifying the validity of the ground on which each of the 306 postal ballots had been rejected, merely recounted the rejected ballots mechanically," the plea said. It added that the purity of the electoral process requires that every vote lawfully cast be counted. (PTI)

Cab driver kills wife, six members of her family

BENGALURU, NOV 6: In a shocking incident, a cab driver allegedly murdered seven members of his wife's family, including a seven-year-old boy, over domestic disputes in the city, with police suspecting that the killings took place over the last 15 to 20 days, officials said on Friday.

The accused, identified as Indusekar alias Sekar, allegedly committed the murders at his house in the Rajajinagar police station limits and disposed of the bodies at different locations across Karnataka.

The accused has been taken into police custody and is being questioned about the locations where the bodies were disposed of.

The police have recovered the boy's body following an extensive search near Nandi Hills and launched a search for the remaining six.

"This was not some stray incident. It was an act carried out by an individual who appears to have meticulously planned the murders of his own relatives," Home Minister Priyank Kharge told reporters. The reasons behind the killings were yet to be fully established, he said.

Bengaluru Police Commissioner Seemant Kumar Singh said a missing-person complaint was registered at Srirampura police station on November 3, following which the investigation revealed the alleged murders. The case was subsequently converted into a murder case and registered at Rajajinagar police station. According to the police, the seven victims were identified as Sunita, the accused's wife; Rupavathi, his mother-in-law; Shivakumar and Shankar, his brothers-in-law; Divya and Nalini, the wives of Shivakumar and Shankar respectively; and Shivakumar and Divya's seven-year-old son Puneeth.

"According to the accused's statement, he had murdered seven of his relatives, including his wife," Singh said.

Only one body had been recovered so far, and efforts were underway to trace the remaining six. Special police teams have been formed and dispatched to various places based on information provided by him, he added.

Singh said the Joint Commissioner of Police and the North Division Deputy Commissioner of Police were personally supervising the investigation. The murders allegedly took place at the accused's residence in the Rajajinagar police station limits over the last 15 to 20 days. The exact timeline of the killings was yet to be established, he said.

According to police sources, Sekar allegedly murdered his wife Sunita first, using a grinding stone, and disposed of her body near Nandi Hills in Chikkaballapur district. He subsequently switched off her mobile phone and allegedly told neighbours that she had gone on a trip to avoid suspicion.

The following day, he allegedly invited Shivakumar and Shankar to his house for a party and killed them.(PTI)
